18. Prices. Bidders must quote prices F.O.B. Clovis Unified School District unless otherwise noted. Prices should be stated in the units specified and bidders should quote each item separately.

19. Quantities. The quantities shown are approximate. The District reserves the right to increase or decrease quantities as desired.

20. Samples. On request, samples of the products being bid shall be furnished to the District at no charge.

21. Special Brand Names. Bidders may furnish any material, product, thing or service of comparable quality or utility. **IF A BIDDER IS REQUESTING SUBSTITUTION OF AN EQUAL ITEM, THE BIDDER MUST CLEARLY INDICATE THE SUBSTITUTION ON THE BID PROPOSAL FORM. THE MAKE AND GRADE OF THE ARTICLE ON WHICH A BID IS SUBMITTED MUST BE STATED IN THE PROPOSAL AND ILLUSTRATIONS, CATALOG AND ALL NECESSARY INFORMATION SUBMITTED SO THAT THE DISTRICT CAN MAKE A COMPLETE EVALUATION OF THE QUALITY AND UTILITY OF THE SUBSTITUTE BRAND BID.** The District encourages alternate brands to be bid. The District reserves the right to make all decisions on product and vendor selection in determining whether a substitute brand is of comparable quality or utility to the brand name specified.

22. Delivery. **All costs must be stated on bid form.** All products shall conform to the provisions set forth in the federal, county, state and city laws for their production, handling, processing and labeling. Packages shall be so constructed to insure safe transportation to point of delivery.

23. Bid Negotiations. A bid response to any specific item of this bid with terms such as negotiable, will negotiate or similar, will be considered as non-compliance with that specific term.

24. Indemnity. The bidder must hold harmless and fully indemnify the District, its Board of Trustees, officers, employees and agents from all damages or claims for damages, costs or expenses that may at any time arise out of the bidder's performance of, or failure to perform acts, required by the contract documents, including but not limited to infringement or use of any copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in connection with this bid.

25. In the event of any conflict or ambiguity between these instructions and state or federal law or regulations, the latter shall prevail. Additionally, all equipment to be supplied or services to be performed under the bid proposal shall conform to all applicable requirements of local, state and federal law.

26. Substitute Security. In accordance with Section 4590 of the Government Code, the District will permit the substitution of securities for any moneys withheld by the District to insure performance under the contract. At the request and expense of the bidder, securities equivalent to the amount withheld shall be deposited with the District, or with a state or federally chartered bank as an escrow agent, who shall pay such moneys to the bidder upon satisfactory completion of the contract.

Securities eligible for investment under this Section shall include those listed in Government Code Section 16430 or bank and savings and loan certificates of deposit. The bidder shall be the beneficial owner of any securities substituted for moneys withheld and shall receive any interest thereon.

27. If the bidder defaults, the District may procure the articles or services from other sources and may recover the loss occasioned thereby from any unpaid balance due the bidder or by proceeding against a bidder's bond, if any, or by suit against the bidder. The prices paid by the District shall be considered the prevailing market prices at the time such purchase is made.

28. Governing Law and Venue. In the event of litigation, the bid documents, specifications and related matter shall be governed by and construed in accordance with the laws of the State of California. Venue shall be with the appropriate state or federal court located in Fresno County.

29. Delivery Deadline. The equipment/materials sought by this bid proposal must be delivered in satisfactory condition to the location specified by the District in the bid proposal on or before delivery time as indicated by vendor. This time limit is of the essence of the contract. A bidder's failure to provide the equipment/materials to the District by the contract date shall subject the bidder to liquidated damages in the amount of \$200.00 for each and every calendar day by which completion is delayed beyond the contract date.

Submission of a bid proposal constitutes the bidder's promise to pay liquidated damages as set forth above and the bidders agreement that the actual occurrence of damages and the actual amount of damages which the District would suffer if the requirements were not completed by the contract date is impracticable and extremely difficult to fix. Damages which the District would suffer in the event of delay are dependent on many circumstances and factors but would include the loss of use of the materials, disruption of school activities, cost of administration and supervision, and the loss suffered by the public and the District by reason of delay in completion of the contract. Accordingly, bidder agrees that the amount set forth herein as liquidated damages shall be presumed to be the amount of damages

actually sustained by the bidder's failure to complete the project by the contract date.

If the bidder becomes liable to the District for liquidated damages, the District shall, in addition to all other remedies provided by law, have the right to deduct the amount of liquidated damages owed from the contract sum or to deduct the amount of liquidated damages owed by the bidder from moneys previously retained from the bidder. If the sum deducted by the District is insufficient to discharge the bidder's liability for liquidated damages, the bidder and its sureties shall remain liable to the District until all such liabilities are fully satisfied.

30. Participation. Bidder agrees to extend the terms of the resulting contract to other political subdivisions, municipalities and tax supported agencies.

Such participating governmental bodies shall make purchases in their own name, make payment directly to the bidder, and be liable directly to the bidder, holding Clovis Unified School District harmless.

The successful bidder will invoice each Agency separately. Invoices must show each Agency's purchase order number, and be mailed as directed by each separate Agency.

32. Internet Access. It is the responsibility of all potential bidders who gain access to bid specifications through the internet, to contact the District with the Company Name, Address, Telephone and Fax Number. This will ensure notification of any bid specification changes through addendum.
