**Rosalie Baker**  
Assistant Superintendent

**Randy S. Hein**  
Principal

## Principal's Message

The School Accountability Report Card (SARC) is issued annually for each public elementary, intermediate, and high school. It provides parents with a variety of information about the school. As you review this SARC for Temperance-Kutner (TK), you will discover an emerging picture of a school targeted on student achievement and supported by strong character development. TK's faculty is professionally skilled and committed to meeting the learning needs of all students. Many members of the staff have been honored as Crystal Award employees, which is a District award for exemplary professional service. This year our cafeteria manager, Karen Russell was honored as a Crystal award recipient. The student body is motivated to perform well and the community is supportive of the school's educational programs. We are constantly receiving additional support from so many extra organizations and individuals for the benefit of our students. Our students are second to none in character and dedication to be the best they can be at all times.

TK is one of CUSD's most culturally diverse elementary schools. The educational programs and exceptional staff provide successful learning opportunities for all students in such a manner that TK students continue to excel. Our yearly academic growth results are some of the highest in the District. During the last couple of years our students have improved TK's school's API score 195 points. An incredible and very demanding feat demonstrating both student motivation to learn and the staff competency as exemplary teachers. This past year, TK was recognized as one of most effective schools in the state. TK was awarded both the **California Distinguished School** and the **California Title I School Achievement** awards. TK was one of only 42 schools in the State to be recognized as a "double" winner. TK choir and music students are some of the most talented receiving superior marks in all competitions. Our athletes shine and dominate the CUSD volleyball courts. Mighty, proud and skilled, our volleyball teams set the standard. Our students work hard, set high standards for their performance and are focused on a college career to become the exceptional leaders of our state and country. You may request additional information regarding the SARC by calling the school office at (559) 327-8100.

Sincerely,

*Randy S. Hein, Principal*

## School Mission Statement

The mission of Temperance-Kutner Elementary School is to educate all students in a challenging, disciplined and supportive environment so that they can all reach their full potential and become successful and productive citizens.

## School Motto and Student Motto

**School Motto:** We believe we can...and we will!

**Student Motto:** We believe we can...and we will do our very best!

1450 Herndon Avenue  
Clovis, CA 93611  
Phone: (559) 327-9000  
Fax: (559) 327-9099  
[www.cusd.com](http://www.cusd.com)

**Dr. David E. Cash**  
Superintendent

## Mission Statement

To be a quality educational system providing the opportunity for all students to reach their potential in mind, body, and spirit

**"Be the Best You Can be in Mind, Body, Spirit"**

**"Where Character Counts!"**

## School Facility Good Repair Status

This inspection determines the school facility's good repair status using ratings of good condition, fair condition, or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair, or poor condition.

In order to maintain our facilities in top condition, CUSD has utilized the services from a third party to perform the 2010-11 William's Inspection utilizing the Facilities Inspection Tool (FIT). This will allow Clovis Unified to obtain an objective evaluation of our facilities in order to continue to maintain the safest and best facilities for students and staff.

## School Facility Items Inspected

The tables show the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. The following is a list of items inspected.

- **Systems:** Gas Systems and Pipes, Mechanical Systems (heating, ventilation, and air conditioning), Sewer
- **Interior:** Interior Surfaces (floors, ceilings, walls, and window casings)
- **Cleanliness:** Pest/Vermin Control, Overall Cleanliness (school grounds, buildings, rooms, and common areas)
- **Electrical:** Electrical Systems (interior and exterior)
- **Restrooms/Fountains:** Restrooms, Sinks/Drinking Fountains (interior and exterior)
- **Safety:** Fire Safety Equipment, Emergency Systems, Hazardous Materials (interior and exterior)
- **Structural:** Structural Condition, Roofs
- **External:** Windows/Doors/Gates/Fences, Playgrounds/School Grounds

## School Facility Good Repair Status

School Facility Good Repair Status			
Items Inspected	Repair Status	Items Inspected	Repair Status
<b>Systems</b>	Good	<b>Restrooms/Fountains</b>	Good
<b>Interior</b>	Good	<b>Safety</b>	Good
<b>Cleanliness</b>	Good	<b>Structural</b>	Good
<b>Electrical</b>	Good	<b>External</b>	Good
<b>Overall Summary of Facility Conditions</b>			Good
<b>Date of the Most Recent School Site Inspection</b>			10/05/2010
<b>Date of the Most Recent Completion of the Inspection Form</b>			10/05/2010

## Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the school site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies and Repairs	
Items Inspected	Deficiencies, Action Taken or Planned, and Date of Action
<b>Systems</b>	Clean dirty vents rooms P-31, P-32 (Work orders initiated with planned repairs completed by 2/1/2011)
<b>Interior</b>	Repair water stained ceiling tiles rooms R-4, R-6, R-7 (Work orders initiated with planned repairs completed by 2/1/2011)
<b>Electrical</b>	Repair hand dryer in boys' rest room. Cover outlet room P-28 (Work orders initiated with planned repairs completed by 2/1/2011)
<b>Restrooms/Fountains</b>	Repair light sensors room K-1, K-2. Repair leaking dispenser room R-6 (Work orders initiated with planned repairs completed by 2/1/2011)
<b>Structural</b>	Repair wall near snack bar (Work orders initiated with planned repairs completed by 2/1/2011)
<b>External</b>	Repair door room R-16, Repair peeling paint near room P-28 (Work orders initiated with planned repairs completed by 2/1/2011)

## School Facilities

TK is over 60 years old and has been maintained in a highly efficient manner. We provide a clean, safe learning environment for our students. Our custodians perform basic cleaning operations daily and maintain the grounds and buildings in an exemplary manner. In addition, deep cleaning is conducted two times a year at our site. Our SART committee conducts eight clean campus inspections each year. This committee of parents inspects the campus grounds and restrooms on a regular basis to provide feedback to our student body. Students also participate in clean campus projects daily including clean campus inspections both inside and outside of our school buildings. Classrooms and individual students are recognized and awarded certificates for being responsible for keeping our school clean, attractive, and colorful. As a result, TK has been nicknamed the "Secret Garden of CUSD".

When asked to grade how well the buildings and grounds are maintained at their child's school, 86% of parents rated the grounds as "good" to "excellent". Districtwide, 90% of parents rated their school "good" to "excellent". Graffiti is removed immediately. Through increased community awareness, pride, and an open campus policy, we hope to keep vandalism and burglary to an all-time low.

*Continued on page 3*

## School Facilities

*Continued from page 2*

The TK site is over 20 acres and accommodates 12 portables without crowding the spacious grounds. Portables are used for classrooms, a faculty workroom, a choral room, and student services. Older buildings have been remodeled and updated to current code standards. The school was recently repainted, old landscaping replaced, and restrooms and work areas were remodeled. A new state-of-the-art library was built four years ago and a Distance Learning Lab has been completed.

The play yard and play equipment have all been refurbished. The grounds are clean and attractive. Security gates, parking areas, a new phone system, and fire extinguishers were installed for additional safety and security. A new kindergarten building and play yard were recently completed. During this year, the multipurpose room will be re-modeled and painted, and the District will add additional security cameras for added protection and safety.

Philosophically, the District believes that schools are the hub of their neighborhoods. As a result, a high priority is placed on building and maintaining excellent facilities as economically as possible.

On March 2, 2004, voters within the CUSD approved Measure A. This bond measure of \$168 million will be combined with State bond funds and developer fees to produce \$246 million in projects throughout the District. Funds from Measure A financed the District's fifth comprehensive high school and intermediate school, three new elementary schools, and the purchase of one additional elementary school site. Building additions, remodels, and/or site improvements will take place at all District schools. In addition to this new construction, modernization and renovation projects are underway at several of our older school facilities. With the passage of Measure A, the CUSD Governing Board has committed to the community that there will be no other bond requests until 2010 at the earliest.

### Recently completed facility improvements include:

- New cafeteria lighting
- New spot lights
- New sound system for the cafeteria
- Additional electrical outlets for the cafeteria
- Remodel of the west stage steps
- New storage doors for cupboards beneath the stage
- New wallboard for walls at the back of the stage
- New mailboxes for staff in new workroom
- Repainting the lower cupboards in the workroom office
- New stage curtains and valance
- Replacement of the high fence around the staff and kindergarten parent parking lot
- New fire alarm system
- New security cameras
- Two new playing fields—one for softball and one for baseball

### Future modernization projects include:

- Replacing of all north side classroom windows for rooms 1-12
- During the time the construction crews are replacing the north facing windows and putting up wallboards, teachers and students will move into temporary housing
- When construction is ongoing, the temporary housing plans in a regularly used classroom will include rooms 37, 36, 10 or 4, and 22
- The crews will work on four rooms at one time, beginning with rooms 1-4, then 5-8, and lastly 8-12

### The cafeteria phase 3 remodel includes:

- Replacement and relocation of existing east side cafeteria windows
- Chair rail on east and west walls
- Tag board for bulletin boards on all cafeteria walls (except the north end wall)
- Re-painting of the interior of the cafeteria
- Complete remodeling of the existing cafeteria kitchen, faculty room, and staff restrooms in the cafeteria
- New paint for the exterior of all TK buildings

*Continued on sidebar*

## School Facilities

*Continued from left*

- Phase 3 also includes the building of an extended kindergarten teacher's workroom and attached storage room
- New concrete sidewalks around the extended portion of the new kindergarten building

### Phase 3 additionally includes:

- Building a privacy wall for outside events outside of the new workroom
- New landscaping in the new grass area north of the cafeteria
- A new gate and walkway from the workroom to the library
- The removal of some fencing between the library and the new workroom
- For a spirit area, provide a cement platform with electrical outlets in the grass area in front of the cafeteria

The District has recently remodeled the old kindergarten play yard into an amphitheater for outdoor school rallies. The new kindergarten building has had an additional storage room and play equipment closet added to it. The District funded these projects from the District's Deferred Maintenance Budget.

The TK MPR was recently remodeled and the TK school kitchen completely rebuilt and modernized. We are so happy and proud to be in our new room. We have the newest in lights, flooring, sound system, technology wiring and new windows and kitchen equipment. The money for this project came from both the State and district.

The parking lots and the blacktop play areas have all been resurfaced and lined. This was paid for using the deferred maintenance monies.

The District participates in the State School Deferred Maintenance Program, which provides state-matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2010-11 school year, the District budgeted \$2,400,000 for the Deferred Maintenance Program. This represents 0.8% of the District's general fund budget.

### Parental Involvement

Since 1973, CUSD has benefited from the formation of a strong parent advisory group known as School Assessment Review Team (SART). The Temperance-Kutner SART committee meets on a monthly basis and provides a forum for school personnel and parents to meet and discuss items related to the effectiveness of the school's operation. Temperance-Kutner also has an active and involved Parent-Teacher Club (PTC), which meets the first Tuesday of every month.

Other parent committees include the Bilingual Advisory Committee, English Language Advisory Committee (ELAC), the School Site Council (SSC), and Title I. TK has also formed a partnership with Rotary, Gallo, and Mountain View Nursery.

We would like to encourage and invite all TK parents and grandparents to share and spend time at TK working in our classrooms. Parent support provides so much for both our students and staff. We never have enough people volunteering and able to assist and support all of our classrooms and other programs ongoing at TK. Mrs. Blackwell, our school librarian would welcome weekly parent helpers to restock or shelves and read to students.

For further details on how to become involved at TK, please contact Judith Cherrington by calling the main office at (559) 327-8100.

### Class Size

07-08 08-09 09-10

The bar graph displays the three-year data for average class size.

### Class Size Distribution — Number of Classrooms By Size

Grade	07-08			08-09			09-10		
	1-20	21-32	33+	1-20	21-32	33+	1-20	21-32	33+
K		3		4				4	
1	4			5				4	
2	4			5			2	2	
3	3			3			4		
4		1	2		2				2
5	1		1		1	2			2
6			3			2		3	
4-6									1

### Enrollment and Demographics

The total enrollment at the school was 610 students for the 2009-10 school year.

## Textbooks and Instructional Materials

Clovis Unified School District sets a high priority upon ensuring that there are sufficient textbooks and materials to support each school's instructional program. CUSD Board Policy No. 3301 establishes criteria and procedures for the adoption of textbooks. Textbook selection is done by District, grade level, and subject area committees coordinated by District curriculum and instruction administrators.

All texts must be adopted from the most recent approved State matrices or local governing board approved lists. Textbook purchases are consistent with the content cycles of the California Curriculum Frameworks as District IMF and other funding sources permit. This commitment is clearly visible as indicated in the 2009 Parent SART Survey, with 98 percent of the parents grading the quality of instructional supplies as "satisfactory" to "excellent".

The Department of Special Projects continues to support the school sites with funding that allows the sites to purchase supplementary instructional materials for English learners in kindergarten through twelfth grades to accelerate pupils as rapidly as possible towards grade level proficiency in reading, writing, and speaking. These materials are used in addition to the basic reading/language arts and other core materials provided for every student and are correlated to state standards.

Clovis Unified continues to purchase Standards-aligned textbooks each year with new adoption cycles per core area. However, there are many textbooks still in use by schools and teachers that are outside the adoption cycle. The reason for this is threefold: 1) these texts are still valuable instructional resources in use by teachers and students, 2) all are correlated to the academic content standards for delivery of curriculum, and 3) some may be in areas that do not have explicit academic core content standards (i.e., zoology, anatomy/physiology).

All students in visual and performing arts classes (which include drama, dance, instrumental, vocal, art, ceramics, and photography) have access to the appropriate textbooks.

Textbooks and Instructional Materials List

Subject	Textbook	Adopted
English-Language Arts	Houghton Mifflin <i>A Legacy of Literacy</i>	2003
Mathematics	Holt, Rinehart, Winston <i>California Mathematics: Numbers to Algebra</i>	2009
Mathematics	Houghton Mifflin <i>California Math</i>	2009
Science	Foresman <i>California Science</i>	2008
Science	Houghton Mifflin <i>California Science</i>	2009
Science	McDougal Littell <i>Focus on Earth Science</i>	2009
History-Social Science	Glencoe/McGraw Hill <i>Discovering our Past-Ancient Civilizations</i>	2006
History-Social Science	Foresman <i>Learn and Work</i>	2007
History-Social Science	Foresman <i>Time and Place</i>	2007
History-Social Science	Harcourt <i>Reflections</i>	2007

**Note:** This data was most recently collected and verified in October 2010.

**“Textbook purchases are consistent with the content cycles of the California Curriculum Frameworks as District IMF and other funding sources permit.”**

## Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials:

Temperance-Kutner ES

Subject	Percent Lacking
Reading/Language Arts	0%
Mathematics	0%
Science	0%
History-Social Science	0%
Visual and Performing Arts	0%
Foreign Language	0%
Health	0%

## Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key tests, including the California Standards Test (CST), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). The CSTs are multiple choice tests in English-language arts, mathematics, science, and history-social science for varying grade levels. Some grade levels also participate in an essay writing test.

The CSTs are used to determine students' achievement of the California Academic Content Standards. These standards describe the knowledge and skills that students are expected to learn at each grade level and subject.

The CMA is a modified assessment for students with disabilities who have an individualized education program (IEP). It is designed to assess those students whose disabilities prevent them from achieving grade-level proficiency on an assessment of the content standards with or without accommodations.

The CAPA is an alternate assessment for students with significant cognitive disabilities who are unable to take the CST with accommodations or modifications or the CMA with accommodations.

For a complete report on all tests, participation, groups, and their scores by grade level, please visit <http://star.cde.ca.gov/>. To learn more about the STAR Program, please visit the guide at [www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf](http://www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf).

## STAR Results for All Students: Three-Year Comparison

The Standardized Testing and Reporting (STAR) results are reported as performance levels in order to compare student achievement to state standards. The five performance levels are: **Advanced** (*exceeds state standards*); **Proficient** (*meets state standards*); **Basic**; **Below Basic**; and **Far Below Basic**. Students scoring at the Proficient or Advanced level meet state standards in that content area. The tables below show the percentage of students that scored at Proficient or Advanced levels in English-language arts, mathematics, and science.

Percentage of Students Scoring At Proficient or Advanced Levels

	Temperance-Kutner ES			Clovis USD			California		
	07-08	08-09	09-10	07-08	08-09	09-10	07-08	08-09	09-10
<b>English-Language Arts</b>	49%	62%	66%	65%	68%	70%	46%	50%	52%
<b>Mathematics</b>	63%	71%	70%	64%	65%	65%	43%	46%	48%
<b>Science</b>	65%	80%	68%	64%	67%	70%	46%	50%	54%

**Note:** The district STAR results for the percentage of students scoring at proficient or advanced levels include the scores from all students in grades 2-11 combined at Clovis USD.

## STAR Results by Student Group: English-Language Arts, Mathematics, and Science

Percentage of Students Scoring At Proficient or Advanced Levels

Group	Spring 2010 Results		
	English-Language Arts	Mathematics	Science
<b>All Students in the District</b>	70%	65%	70%
<b>All Students at the School</b>	66%	70%	68%
<b>Male</b>	63%	70%	71%
<b>Female</b>	70%	71%	65%
<b>Black or African American</b>	40%	47%	❖
<b>American Indian or Alaska Native</b>	❖	❖	❖
<b>Asian</b>	72%	78%	❖
<b>Filipino</b>	❖	❖	❖
<b>Hispanic or Latino</b>	70%	66%	63%
<b>Native Hawaiian or Pacific Islander</b>	❖	❖	❖
<b>White</b>	75%	75%	❖
<b>Two or More Races</b>	❖	❖	❖
<b>Socioeconomically Disadvantaged</b>	58%	65%	63%
<b>English Learners</b>	43%	59%	44%
<b>Students with Disabilities</b>	59%	50%	❖
<b>Students Receiving Migrant Education Services</b>	42%	75%	❖

❖ Scores are not shown when the number of students tested is 10 or less, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. The API is a score on a scale of 200 to 1,000 that reflects a school's, district's or a student group's performance level, based on the results of statewide testing. An API score of 800 is set as the statewide target.

Each annual API reporting cycle includes a Base and a Growth API. The Base API starts the reporting cycle and is released approximately a year after testing (i.e., The 2009 Base is calculated from results of statewide testing in spring 2009 but is released in May 2010). The Growth API is released after the Base API but is calculated from test results from the following year (i.e., The Growth API is calculated from results of statewide testing in spring 2010 and released in August 2010). Therefore, for the 2009-10 API reporting cycle, the 2009 Base indicator and 2010 Growth indicator are used. To learn more about API, please visit the API information guide at [www.cde.ca.gov/ta/ac/ap/documents/infoguide09.pdf](http://www.cde.ca.gov/ta/ac/ap/documents/infoguide09.pdf) and the API overview guide at [www.cde.ca.gov/ta/ac/ay/documents/overview10.pdf](http://www.cde.ca.gov/ta/ac/ay/documents/overview10.pdf).

### API Ranks

API Ranks — Three Year Comparison

	2007	2008	2009
Statewide API Rank	8	7	◆
Similar Schools API Rank	9	8	◆

◆ Information not available.

### API Growth by Student Group

API Growth by Student Group — Three Year Comparison

Group	Actual API Change		
	07-08	08-09	09-10
All Students at the School	-8	■	◆
Black or African American	■	■	◆
American Indian or Alaska Native	■	■	◆
Asian	2	■	◆
Filipino	■	■	◆
Hispanic or Latino	-39	■	◆
Native Hawaiian or Pacific Islander	■	■	◆
White	18	■	◆
Two or More Races	■	■	◆
Socioeconomically Disadvantaged	-8	■	◆
English Learners	13	■	◆
Students with Disabilities	■	■	◆

■ Data are reported only for numerically significant groups.

◆ Information not available.

### API Ranks

Schools are ranked in ten categories of equal size, called deciles, from 1 (lowest) to 10 (highest) based on their API Base reports. A school's "statewide rank" compares its API to the APIs of all other schools statewide of the same type (elementary, middle, or high school). A "similar schools rank" reflects how a school compares to 100 statistically matched similar schools. This table shows the school's three-year data for statewide API rank and similar schools API rank, for which information is available.

### API Growth by Student Group

This table displays, by student group, the actual API change in points added or lost for the past three years.

### API Growth by Student Group: 2010 Growth API Comparison

This table displays, by student group, the 2010 Growth API at the school, district, and state level.

### School Safety

Temperance-Kutner's School Safety Plan is reviewed and updated annually each November with all staff, students, and parents. Most recently, the plan was updated in September 2010. Key elements of the plan include monthly safety drills and crisis intervention plans. To supplement the Safety Plan, an Emergency Procedure Guide has been developed. Emergency procedures are practiced on a biweekly basis. In addition to the emergency plan, student behavior and complaint policies are also posted. Students, staff, and parents are all involved in meetings to discuss, evaluate, and practice all school emergency procedures and programs. In the event of a major school emergency, staff members would proceed to follow established plans and successfully evacuate all students from the site. This plan is reviewed monthly with all staff and students and actually practiced twice a year.

Communications systems, emergency care provisions, and community services have been well planned in the event of a serious site emergency. Students are also involved in Safe School programs dealing with bullies, drugs, healthy lifestyles, making good choices, and the CHARACTER COUNTS program pillars. All of these programs have helped make TK a safe and caring place for all individuals.

### API Growth by Student Group: 2010 Growth API Comparison

API Growth by Student Group — 2010 Comparison

Group	2010 Growth API		
	Temperance-Kutner ES	Clovis USD	California
All Students	861	866	767
Black or African American	■	796	686
American Indian or Alaska Native	■	802	728
Asian	856	880	890
Filipino	■	915	851
Hispanic or Latino	862	822	715
Native Hawaiian or Pacific Islander	■	■	753
White	878	890	838
Two or More Races	■	896	807
Socioeconomically Disadvantaged	835	807	712
English Learners	834	788	692
Students with Disabilities	■	684	580

■ Data are reported only for numerically significant groups.

**API Testing Note:** Assessment data are reported only for numerically significant groups. To be considered 'numerically significant' for the API, the group must have either: (1) at least 50 students with valid test scores who make up at least 15% of the total valid scores, or (2) at least 100 students with valid test scores.

### Federal Intervention Program

Schools and districts that receive Title I funding can enter Program Improvement (PI) if they fail to meet AYP over two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). With each additional year they don't meet AYP, they advance to the next level of intervention. This table displays the 2010-11 Program Improvement status for the school and district. For more information, please visit [www.cde.ca.gov/ta/ac/ay/](http://www.cde.ca.gov/ta/ac/ay/).

Federal Intervention Program

	Temperance-Kutner ES	Clovis USD
Program Improvement Status	Not In PI	Not In PI
First Year of Program Improvement	◇	◇
Year in Program Improvement	◇	◇
Number of Schools Identified for Program Improvement		2
Percent of Schools Identified for Program Improvement		4.3%

◇ Not applicable.

### Adequate Yearly Progress

Adequate Yearly Progress Criteria				
	Temperance-Kutner ES		Clovis USD	
Met Overall AYP	No		No	
AYP Criteria	English-Language Arts	Mathematics	English-Language Arts	Mathematics
Participation Rate	Yes	Yes	Yes	Yes
Percent Proficient	No	Yes	No	No
API	Yes		Yes	
Graduation Rate	✧		Yes	

✧ Not applicable. The graduation rate for AYP criteria applies to high schools.

### Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

Academic Counselors and School Support Staff	
Academic Counselors	FTE and Ratio
Number of Academic Counselors (FTE)	0.0
Ratio of Students Per Academic Counselor	✧
Support Staff	FTE
Counselor (Social/Behavioral or Career Development)	2.0
Library Media Teacher (Librarian)	1.0
Library Media Services Staff (Paraprofessional)	0.0
Psychologist	2.0
Social Worker	1.0
Nurse	1.0
Speech/Language/Hearing Specialist	1.0
Resource Specialist (non-teaching)	1.0
Other	0.0

✧ Not applicable.

### Adequate Yearly Progress

The No Child Left Behind (NCLB) Act requires that all schools and districts meet Adequate Yearly Progress (AYP) requirements. To meet these standards, California public schools and districts must meet or exceed criteria in four target areas:

1. Participation rate on statewide assessments in English-language arts and mathematics
2. Percentage of students scoring proficient on statewide assessments in English-language arts and mathematics
3. API scores
4. Graduation rate for high schools

The table displays whether or not the school and district made AYP overall and met each of the AYP criteria for 2009-10. For more information, visit [www.cde.ca.gov/ta/ac/ay/](http://www.cde.ca.gov/ta/ac/ay/).

*“The staff is committed to create the most dynamic learning environment possible.”*

## Types of Services Funded

Clovis Unified School District receives a variety of State and Federal funds that are designed to further support the needs of our students. Funds are allocated on yearly basis based on student population and needs at each individual site. Listed in the table are the types of funds CUSD receives.

In addition, Clovis Unified School District offers State Funded Intervention Programs to students in grades 2-12. Reading Intervention is offered to students in grades 2-6 who are in the Far Below Basic band and are failing. Intervention takes place before school and/or after school and on Saturday, depending on the school site. Intervention programs are offered to students in grades 7-12 as a before-school and/or after-school program to students who are at risk of not passing the California High School Exit Exam (CAHSEE). Intervention instruction focuses on reading/language arts and math. It is a school site decision as to how many intervention programs are offered.

## Professional Development

Staff development is an integral component for improving student achievement. The school's Academic Performance Index (API) score has improved 80 points in five years due in great part to the staff's professional competencies and commitment to staff development in the area of language arts. In addition to this training, teachers have also participated in Baldrige training, Reading Recovery, and extensive technology training. The major focus of all staff development programs has been on adopted curriculum programs, effective and research-based instructional practices, and motivating all learners. Extensive time and training has been spent on reading and comprehension strategies; structured engagement; and mathematics, science, and writing curriculums. In the past three years, a total of 87 days have been utilized for quality staff development. Grade level mentors, as well as a District-sponsored Beginning Teacher Support and Assessment (BTSA) program, assist new teachers.

## Types of Services Funded

### Types of Services Funded

#### Federal Programs

**Title I, Part A:** Title I, Part A is a federal categorical program contained in the Consolidated Application. Its purpose is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education, and reach proficiency on the State Content Standards and Assessments. The intent of the funding is to meet the educational needs of the low-achieving students enrolled in the highest poverty schools.

**Title I, Part A Stimulus Funds:** The intent of the funding is to meet the educational needs of the low-achieving students enrolled in the highest poverty schools. The funds will be used to help districts in this fiscal year and next. The remaining 50 percent of the will be awarded in the fall. These recovery funds constitute a one-time increase for Title I Funding. This funding should be used for short-term investments that have the potential for long-term benefits rather than for expenditures that cannot be sustained once the recovery funds are expended. For example, providing intensive districtwide professional development for special education and regular education teachers that focuses on scaling-up, through replication; proven and innovative, evidence-based, schoolwide strategies in reading, math, writing, and science; and positive behavioral supports to improve outcomes for students with disabilities.

**Title III, Limited English Proficient (LEP):** The purpose of Title III, LEP, is to ensure that all LEP students, referred to as English learners in California, attain English proficiency, develop high levels of academic attainment in English, and meet the same challenging State academic standards as all other students.

**Title III, Immigrant Funds:** The purpose of the Title III – Immigrant Education Program subgrants is to support enhanced instructional opportunities to immigrant students and their families. Title III – Immigrant Education Program funds are to be specifically targeted to eligible immigrant students and their families through the provision of supplementary programs and services for the underlying purpose of assuring that these students meet the same challenging grade level and graduation standards as mainstream students. The term “eligible immigrant student” is defined in Title III.

**Migrant Education (Held at District):** This state-administered, federally funded program assists Migrant Students to meet standards for student achievement through educational instruction and health services. The purpose is to ensure that migrant children are provided with appropriate educational services including supportive services that address their special needs in a coordinated and efficient manner; and design programs to help migratory children overcome educational disruption, cultural and language barriers, social isolation, various health related problems and other factors that inhibit the ability of the children to do well in school. The program is designed to support and ensure that the Migrant Students we serve reach challenging academic standards, pass the CAHSEE, and ultimately graduate from high school with the option to pursue post graduate education. The Migrant Parent Advisory Committee participates in the creation of the annual Migrant Service Agreement, any budget revisions, program planning and evaluation. A needs assessment is conducted annually to solicit ideas and topics that parents would like to discuss. Topics included are transportation, instructional aides, graduation and CAHSEE.

**Title VII Indian Education (Held at District):** Title VII Indian Education Funds under NCLB are designed to meet and support the special educational and culturally related academic needs of American Indians and Alaska Natives, so that such students can achieve to the same challenging State performance standards expected by all students. The program supports American Indian students, who have a completed 506 Form on file, to meet the same rigorous standards that have been set for all students in reading/language arts and math in grades Kindergarten – grade twelve. Through a Memorandum of Understanding, OSA Center for Indian Education provides additional services to students in grades 7-12. The Center provides tutors and offers one-on-one support or small group instruction depending on the needs of students. The MOU allows CUSD to provide additional support and targeted instruction for students in grades 7-12 through OSA at no additional funds from Clovis USD. The program is guided by the Indian Education Program Parent Advisory Committee (PAC), comprised of: American Indian and Alaskan Native parents or guardians and District teachers and Administration.

*Continued on page 11*

Types of Serviced Funded - *Continued*

**Federal Programs**

The PAC is responsible for advising the district to ensure effective school programs and services are provided for Native American students and assists in conducting an annual Needs Assessment.

**21st Century Community Learning Centers (21st CCLC) and After School Education and Safety Grant (ASES):** This state-administered, federally funded program provides five-year grant funding to establish or expand before- and after-school programs that provide disadvantaged K-12 students (particularly students who attend schools in need of improvement) with academic enrichment opportunities and supportive services to help the students meet state and local standards in core content areas. The purpose of the 21st CCLC program and After School Education and Safety Grant (ASES), as described in federal statute, is to provide opportunities for communities to establish or expand activities within the learning community. Cole Elementary offers a Before and After School Program: 1) Improved academic achievement, 2) Enrichment services that reinforce and complement the academic program, and 3) Family literacy and related educational development services.

**State Programs**

**Economic Impact Aid (EIA):** EIA is a State categorical program contained in the Consolidated Application. These supplemental funds are used to support (1) additional programs and services for English learners or (2) compensatory educational services for educationally disadvantaged students. EIA funding is open to all public school districts that request participation using Part I of the annual Consolidated Application.

**State Flexibility Funds:** These funds were once known as SIP or SLIBG. This year the state has lifted the categorical restrictions the funds once had. LEAs are allowed to exercise flexibility and use the funds as they best see fit to increase student learning. These funds will no longer be under the umbrella of SBCP and school SSCs will no longer be responsible and oversee this funding base. The state has allowed for flexibility for a number of state funded programs.

**English Language Acquisition Program (ELAP):** The purpose of ELAP funds is to improve the English proficiency of English learners and to prepare them to meet the State's academic content and performance standards. ELAP is a program that provides additional funds to schools with large numbers of English learners, but to be used only for the acquisition of English in grades 4-8.

**Public Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (i.e., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents. For information on usage of Fresno County public libraries, including public use of computers with internet access, please call (559) 488-3195 or visit [www.fresnolibrary.org](http://www.fresnolibrary.org).

**Suspensions and Expulsions**

This table shows the rate of suspensions and expulsions (the total number of incidents divided by the school's total enrollment) for the most recent three-year period.

Suspension and Expulsion Rates						
	Temperance-Kutner ES			Clovis USD		
	07-08	08-09	09-10	07-08	08-09	09-10
<b>Suspension Rate</b>	0.058	0.119	0.115	0.140	0.145	0.139
<b>Expulsion Rate</b>	0.000	0.000	0.000	0.001	0.001	0.003

**Professional Development**

*Continued from page 10*

The TK staff has 21 of 32 staff members with advanced degrees in education. Attending additional training sessions and acquiring advanced degrees in a number of educational oriented fields is a common practice and expectancy for all staff members. Many staff members are called upon to train throughout CUSD and to lead county and State committees on reading, English Language Development (ELD), and math committees. Eight staff members are trained and highly skilled BTSA Support Providers.

Staff development programs at the site are developed based on student needs, teacher needs, and District programs. The staff is actively engaged in two staff development training sessions a month on site and can elect to attend additional District staff development training. The TK staff is a group of continuous learners and prides itself for leading and mentoring others in our District in this regard.

In addition to staff development for teachers, TK provides an active staff development program for parents and students. The program assists families on homework practices, effective family communications, reading assistance, English as a second language, and a variety of co-curricular activities. Each fall the parents and students are surveyed as to the services and trainings in which they would like to participate, and once the results of the survey are in, the staff, with parent leaders, form and organize the many planned staff development activities for families and individuals.

For the past three years, the District has ensured at least three annual staff development days based on site and District needs.

## Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. More information can be found by visiting <http://data1.cde.ca.gov/dataquest/>.

## California Physical Fitness Test

Each spring, all students in grades 5, 7, and 9 are required to participate in the California Physical Fitness Test (PFT). The State Board of Education designated the *Fitnessgram*® as the PFT for students in California public schools. The test measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

The primary goal of the *Fitnessgram*® is to assist students in establishing lifetime habits of regular physical activity. The table shows the percentage of students meeting the fitness standards for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf/](http://www.cde.ca.gov/ta/tg/pf/).

## Teacher Qualifications

### Teacher Credential Information

	Clovis USD		Temperance-Kutner ES	
	09-10	07-08	08-09	09-10
<b>Teachers</b>				
<b>With Full Credential</b>	1,653	28	28	23
<b>Without Full Credential</b>	27	0	0	0
<b>Teaching Outside Subject Area of Competence</b>		0	0	0

## Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note: Total teacher misassignments includes the number of misassignments of teachers of English Learners.

### Teacher Misassignments and Vacant Teacher Positions

	Temperance-Kutner ES		
	08-09	09-10	10-11
<b>Teacher Misassignments of English Learners</b>	0	0	0
<b>Total Teacher Misassignments</b>	0	0	0
<b>Vacant Teacher Positions</b>	0	0	0

## No Child Left Behind Compliant Teachers

NCLB requires that all teachers of core academic subject areas be "highly qualified." In general, for a teacher to be considered highly qualified, they must have a bachelor's degree, an appropriate California teaching credential, and have demonstrated competence for each core subject he or she teaches. The table displays data regarding NCLB compliant teachers from the 2009-10 school year. For more information on teacher qualifications related to NCLB, please visit [www.cde.ca.gov/nclb/sr/tq](http://www.cde.ca.gov/nclb/sr/tq).

### No Child Left Behind Compliant Teachers

	Percent of Classes in Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
<b>Temperance-Kutner ES</b>	92.0%	8.0%
<b>All Schools in District</b>	94.7%	5.3%
<b>High-Poverty Schools in District</b>	98.5%	1.5%
<b>Low-Poverty Schools in District</b>	94.0%	6.0%

**NCLB Note:** High-poverty schools are defined as those schools with student participation of approximately 75% or more in the free and reduced priced meals program. Low-poverty schools are those with student participation of approximately 25% or less in the free and reduced priced meals program.

## District Financial Data

District Salary Data		
Category	Clovis USD	Similar Sized District
Beginning Teacher Salary	\$35,268	\$42,377
Mid-Range Teacher Salary	\$58,781	\$67,667
Highest Teacher Salary	\$75,361	\$87,102
Average Principal Salary (Elementary School)	\$90,875	\$108,894
Average Principal Salary (Middle School)	\$99,027	\$113,713
Average Principal Salary (High School)	\$101,800	\$124,531
Superintendent Salary	\$235,000	\$223,323
Teacher Salaries — Percent of Budget	39.3%	40.2%
Administrative Salaries — Percent of Budget	5.5%	5.5%

## District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note the district salary data does not include benefits.

## School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data	
	Temperance-Kutner ES
Total Expenditures Per Pupil	\$5,539
Expenditures Per Pupil From Restricted Sources	\$1,183
Expenditures Per Pupil From Unrestricted Sources	\$4,357
Annual Average Teacher Salary	\$56,890

## Financial Data

The financial data displayed in the SARC is from the 2008-09 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year, and one year behind most other data included in this report. For more detailed financial information, please visit [www.cde.ca.gov/ds/fd/cs](http://www.cde.ca.gov/ds/fd/cs) and [www.cde.ca.gov/ds/fd/ec](http://www.cde.ca.gov/ds/fd/ec).

## Financial Data Comparison

The following table displays the school's per pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison		
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
Temperance-Kutner ES	\$4,357	\$56,890
Clovis USD	\$6,743	\$61,996
California	\$5,681	\$68,179
School and District — Percent Difference	-54.8%	-9.0%
School and California — Percent Difference	-30.4%	-19.8%
