

How to Enroll for the AT&T Government Employee Discount

Enrollment Online Option

Visit the www.att.com/governmentemployees Website

See If You Qualify

Enter your work or student email address below.

- Access your work email and open the email from Premier (Premier@premier.wireless.att-mail.com) *Why You Need to Check Your Email? Your organization has a customized online AT&T wireless store where you can take advantage of special discounts on select wireless products and services.*
- Click on link to your personalized Premier Website
- Enter Zip Code, hit continue, Click on Discount Registration Tab
- Complete 4 step Process
 - Employee Enters Email & Current AT&T Number (If Family Plan, use Main Number)
 - Enter last 4 of SSN & billing zip code for mobile number
 - Validate and accept that you are a Employee or Student
 - Employee will then receive an email confirmation at the email address they provided

Enrollment In Store Option

Visit any Corporate AT&T Retail Store

- Locate the closest store at www.att.com/find-a-store
- If a new line is being activated, purchase equipment and activate service
- Complete, sign, and date employee discount application in store OR...
- Provide store representative with valid email address
- If employee does not have valid email address there are other verification options like: Pay Stub with school name, Photo ID Badge, Other options MAY apply
- If employees have questions about their enrollment they may contact
