Proposal:

No bid proposals shall receive consideration by the Clovis Unified School District for **Quote #756** unless made in accordance with the following instructions:

1. Deadline For Receipt of Proposals. Proposals must be sealed and filed with the Purchasing Office located at 1450 E. Herndon Avenue, Clovis, California 93611-0567, no later than **12:00 pm on February 22, 2012.** All proposals must be received prior to that date and time. The District suggests that proposals be hand delivered in order to insure their timely receipt.
2. Requests for Information. Any questions relative to the proposal should be directed to the District Superintendent or designee at the address specified for receipt of proposals.
3. Proposal Forms. Proposals must be made on a form obtained from the District. All items on the form should be filled out. Numbers should be stated in figures, and the signatures of all individuals must be in longhand. The completed form should be without interlineations, alterations, or erasures.
4. Clarifications. Questions regarding documents, discrepancies, omissions or doubt as to meanings will be clarified by the District Superintendent or designee.
5. Withdrawal of Bid Proposals. Proposals may be withdrawn by the bidders prior to the time fixed for opening, but may not be withdrawn for a period of Forty Five (45) days after the opening of bids. A successful bidder shall not be relieved of the quote submitted without the District's consent or bidder's recourse to Public Contract Code Section 5100 et. seq.
6. Award of Contract. The District reserves the right to reject any and all proposals, to contract work with whomever and in whatever manner the District decides, to abandon the work entirely and to waive any informality or non-substantive irregularity as the interest of the District may require. The District reserves the right to award this quote by line item or in total which ever may be in the best interest of the District.

7. Rejection of Quotes. The District reserves the right to accept or reject any and all quotes, or any portion or combination thereof, or award on the basis of the total proposal.

8. Taxes. Taxes shall NOT be included in the unit price(s) of the materials, but may be provided as part of the Cost Analysis. The District will pay only the State sales and use taxes. Federal excise taxes are not applicable to school districts.

9. Exceptions. All exceptions which are taken in response to this quote must be stated clearly. The taking of exceptions or providing false, incomplete or unresponsive statements may result in the disqualification of the quote. Allowance of exceptions will be determined by the Board of Trustees, whose decisions shall be final. Any exceptions or additional conditions requested after proposal closure, which are not detailed within the quote response, may result in disqualification. No oral or telephonic modification of any quote submitted will be considered and a telegraphic modification may be considered only if the postmark evidences that a confirmation of the telegram duly signed by the bidder was placed in the mail prior to the opening of the bids.

10. Discounts. Any discount which the bidder desires to provide the District must be stated clearly on the proposal form itself so that the District can calculate properly the net cost of the proposal. Offers of discounts or additional services not delineated on the bid form will not be considered by the District in the determination of the lowest responsible bidder.

11. Prices. Bidders must quote prices F.O.B. Clovis Unified School District unless otherwise noted. Prices should be stated in the units specified and bidders should quote each item separately.

12. Quantities. The quantities shown are approximate. The District reserves the right to increase or decrease quantities as desired.

13. Samples. On request, samples of the products being quoted shall be furnished to the District at no charge.

14. Special Brand Names. In describing any item, the identification of a particular manufacturer or special brand does not restrict quoting to that manufacturer or special brand, but is intended only to indicate the quality and type of item desired. Bidders may furnish any material, product, thing or service of comparable quality or utility. IF A BIDDER IS REQUESTING SUBSTITUTION OF "AN EQUAL" ITEM, THE BIDDER MUST CLEARLY INDICATE THE SUBSTITUTION ON THE PROPOSAL FORM. THE MAKE AND GRADE OF THE ARTICLE ON WHICH A QUOTE IS SUBMITTED

MUST BE STATED IN THE PROPOSAL AND ILLUSTRATIONS, CATALOG AND ALL NECESSARY INFORMATION SUBMITTED SO THAT THE DISTRICT CAN MAKE A COMPLETE EVALUATION OF THE QUALITY AND UTILITY OF THE SUBSTITUTE BRAND BID. The District encourages alternate brands to be quote. The District reserves the right to make all decisions on product and vendor selection in determining whether a substitute brand is of comparable quality or utility to the brand name specified.

15. Container Costs and Delivery. All costs for containers shall be borne by the bidder. All products shall conform to the provisions set forth in the federal, county, state and city laws for their production, handling, processing and labeling. Packages shall be so constructed to insure safe transportation to point of delivery.

(Continued)

16. Proposal Negotiations. A response to any specific item of this quote with terms such as "negotiable", "will negotiate" or similar, will be considered as non-compliance with that specific term.

17. Indemnity. The bidder must hold harmless and fully indemnify the District, its Board of Trustees, officers, employees and agents from all damages or claims for damages, costs or expenses that may at any time arise out of the bidder's performance of, or failure to perform acts, required by the contract documents, including but not limited to infringement or use of any copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in connection with this quote.

18. Governing Law and Venue. In the event of litigation, the quote documents, specifications and related matter shall be governed by and construed in accordance with the laws of the State of California. Venue shall be with the appropriate state or federal court located in Fresno County.

19. Delivery Deadline. The equipment/materials sought by this bid proposal must be delivered in satisfactory condition to the location specified by the District in the proposal on or before delivery time as indicated by vendor. This time limit is of the essence of the contract.

20. Internet Access. It is the responsibility of all potential bidders who gain access to bid specifications through the internet, to contact the District with the Company Name, Address, Telephone and Fax Number. This will ensure notification of any bid specification changes through addendum.
