

Clovis Unified School District
Department of Supplemental Services
2021-2022 School Achievement
“Instructional Plan”

CUSD shall conduct at least three consultations a year to discuss student achievement, student needs, staff needs and the development of an instructional plan for curriculum development and lesson design, Graphics Arts and the Curriculum and Professional Development Library. Program services, curriculum, materials, assessments and personnel are outlined in depth and reviewed ongoing. Strengths and weaknesses are determined during the consultations and areas of focus relative to student needs.
