## 2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Contact Information

<b>School Name</b>	Clovis North High School
<b>Street</b>	2770 East International Avenue
<b>City, State, Zip</b>	Fresno, CA 93730
<b>Phone Number</b>	(559) 327-5000
<b>Principal</b>	Joshua Shapiro, Ed.D.
<b>Email Address</b>	joshuashapiro@cusd.com
<b>School Website</b>	<a href="https://cnec.cusd.com/">https://cnec.cusd.com/</a>
<b>County-District-School (CDS) Code</b>	10621170113555

## 2022-23 District Contact Information

<b>District Name</b>	Clovis Unified School District
<b>Phone Number</b>	(559) 327-9000
<b>Superintendent</b>	Eimear O'Brien Ed.D.
<b>Email Address</b>	eimearobrien@cusd.com
<b>District Website Address</b>	www.cusd.com

## 2022-23 School Overview

Clovis North's mission is "To build a unified campus that inspires students to maximize their performance in mind, body and spirit." All resources at our site - both human and physical - are selected, cultivated, and deployed with a laser-focus to ensure that our students learn and achieve excellence. Thus, our schoolwide learner outcomes address the whole student.

Schoolwide Learner Outcomes:

**MIND: Maximize Student Academic Achievement**

- Improve Student Attendance
- Raise Standardized Test Scores of All Students
- Increase the Percentage of Students Earning Passing Grades (D

or better)

- Raise the Percentage of Students Taking College Entrance Exams

**BODY: Maximize Physical Wellness**

- Increase the Percentage of Students Scoring in the Healthy Fitness Zone on the Physical Fitness Test
- Promote Wellness and Healthy Living Choices

**SPIRIT: Maximize Student Involvement and Inclusion**

- Increase the Percentage of Students Participating in Co-Curricular Activities
- Develop Students' Connection to the Community through Volunteerism

-

## About this School

### 2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	637
Grade 10	609
Grade 11	569
Grade 12	627
Total Enrollment	2,442

### 2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	48.9
Male	51.0
American Indian or Alaska Native	0.5
Asian	16.8
Black or African American	3.6
Filipino	3.8
Hispanic or Latino	26.8
Native Hawaiian or Pacific Islander	0.1
Two or More Races	3.8
White	44.4
English Learners	1.5
Foster Youth	0.1
Homeless	0.0
Migrant	0.0
Socioeconomically Disadvantaged	26.9
Students with Disabilities	6.5

#### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	92.40	85.81	1583.60	87.90	228366.10	83.12
Intern Credential Holders Properly Assigned	1.60	1.49	26.70	1.48	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	1.20	1.14	18.60	1.04	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	9.90	9.26	106.30	5.90	12115.80	4.41
Unknown	2.40	2.28	66.20	3.68	18854.30	6.86
<b>Total Teaching Positions</b>	<b>107.60</b>	<b>100.00</b>	<b>1801.70</b>	<b>100.00</b>	<b>274759.10</b>	<b>100.00</b>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
<b>Total Teaching Positions</b>						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	1.20	
Misassignments	0.00	
Vacant Positions	0.00	
<b>Total Teachers Without Credentials and Misassignments</b>	1.20	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.30	
Local Assignment Options	9.60	
<b>Total Out-of-Field Teachers</b>	9.90	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

## 2021-22 Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.00	
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	3.00	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Clovis Unified School District sets a high priority upon ensuring there are sufficient textbooks and materials to support the district's instructional program. CUSD Board Policy Number 6161.1 establishes criteria and procedures for the adoption of all textbooks. All K-8 textbooks purchased have been approved by the State Board of Education and adopted by the Clovis Unified Governing Board. Textbooks and instructional materials purchased for grades 9-12 are aligned to the state content standards and adopted by the Clovis Unified Governing Board.

The Department of Supplemental Services continues to support the school sites with funding that allows for the purchase of supplementary instructional material for our students, including English learners in grades K-12. The supplemental material is designed to accelerate pupils as rapidly as possible toward grade-level proficiency in the core subjects of English-language arts, math, social science and science. These supplemental materials are used in addition to the basic reading/language arts and other core materials provided for every student and are correlated to state content standards.

Year and month in which the data were collected

October 9, 2021

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
<b>Reading/Language Arts</b>	California Collections, Houghton Mifflin (9-12) / 2016 The American Experience, Prentice Hall Literature / 2005 The Language of Composition, Bedford / 2009 Literature: An Introduction to Reading and Writing, Prentice Hall / 2004 Readings for Writers, Holt McDougal / 2010	Yes	0%
<b>Mathematics</b>	Core Connections Integrated 1, CPM Educational Program / 2014 Pearson Integrated High School Mathematics Common Core (Mathematics II and III) / 2014 Pearson Integrated High School Mathematics Common Core (Mathematics III) / 2015 Algebra, California Edition; Prentice Hall / 2009 Algebra 2, McDougal Littell / 2004, 2007 Geometry: Concepts and Skills, McDougal Littell / 2003 Geometry, McDougal Littell / 2007 Precalculus with Limits, Houghton Mifflin / 2005, 2008 Advanced Mathematics, McDougal Littell / 2003 Calculus of a Single Variable, McDougal Littell / 2006 Calculus of a Single Variable With Analytic Geometry, HarperCollins / 1996 Elements of Calculus and Analytic Geometry, Addison-Wesley / 1989 Calculus, Scott Foresman / 1999 Calculus, Houghton Mifflin / 2002 Statistical Tutor for Elementary Statistics, 9th Edition; Thomson / 2004 Elementary Statistics, McGraw-Hill / 2004 Elementary Statistics, 7th Edition; Duxbury Press / 1996 Elementary Statistical Concepts, Prentice Hall / 1986 Stats: Modeling the World, Pearson / 2007 The Practice of Statistics, W.H. <b>Foreign Language</b>		Yes	0%
<b>Health</b>		Yes	0%
<b>Visual and Performing Arts</b>			0%
<b>Science Laboratory Equipment (grades 9-12)</b>		Yes	0%

## School Facility Conditions and Planned Improvements

In order to maintain our facilities in top condition, CUSD has utilized the services from a third party to perform the 2020-2021 Williams inspection utilizing the Facilities Inspection Tool (FIT). This will allow CUSD to obtain an objective evaluation of our facilities in order to continue to maintain the safest and best facilities for students and staff.

For all items inspected that were found to not be in "good repair," a work-order has been created and maintenance will be done before the end of the 2020-2021 school year. Maintenance items will be prioritized so that student safety is not compromised.

Year and month of the most recent FIT report

9/26/2022

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	X			
<b>Interior:</b> Interior Surfaces	X			257: 4. WATER STAIN CEILING TILES 283: 4. WATER STAIN CEILING TILES 295: 4. WATER STAIN CEILING TILES 701/ BAND: 4. ## Overall Facility Rate

Exemplary	Good	Fair	Poor
	X		

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	94	N/A	65	N/A	47
<b>Mathematics</b> (grades 3-8 and 11)	N/A	63	N/A	49	N/A	33

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
<b>All Students</b>	542	521	96.13	3.87	93.67
<b>Female</b>	277	267	96.39	3.61	97.00
<b>Male</b>	264	253	95.83	4.17	90.12
<b>American Indian or Alaska Native</b>	--	--	--	--	--
<b>Asian</b>	94	91	96.81	3.19	95.60
<b>Black or African American</b>	27	25	92.59	7.41	92.00
<b>Filipino</b>	25	25	100.00	0.00	92.00

<b>Students Receiving Migrant Education Services</b>	0	0	0.00	0.00	0.00
<b>Students with Disabilities</b>	41	26	63.41	36.59	38.46

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
<b>All Students</b>	541	504	93.16	6.84	63.22
<b>Female</b>	277	258	93.14	6.86	64.98
<b>Male</b>	263	245	93.16	6.84	61.22
<b>American Indian or Alaska Native</b>	--	--	--	--	--
<b>Asian</b>	94	89	94.68	5.32	80.90

## 2021-22 Career Technical Education Programs

Information about Career and Technical Education (CTE) programs, including a list of CTE and regional occupational program (ROP) courses is in the 2021-22 Course Description Catalog, available at the school and at [www.cusd.com/parent/school-info/course-catalogs](http://www.cusd.com/parent/school-info/course-catalogs). At Clovis North Educational Center, we have a Health Careers CTE program. This elective course and its pathway classes align to district, state and applicable model curriculum standards. Our CTE committee works closely with each of the hospitals in our area as well as the nursing program at California State University, Fresno.

The primary representative of the district's career technical advisory committee is Gregory Lomack. The industries represented are agriculture and natural resources; arts, media and entertainment; building trades and construction; education, child development and family services; fashion and interior design; finance and business; health science and medical technology; information technology; manufacturing and product development; marketing, sales and service; public services; and transportation.

The CNEC Health Careers Academy is a high-school curriculum that provides a four-year health careers pathway for students pursuing health-related careers after graduation. Freshman and sophomores are in a cohort with teachers in the Health Careers Pathway where their academic core classes are all integrated.

These integrated classes encompass English, Health, Science, Social Science, Math and World Language.

Through our CTE classes, we expose the students to medical topics and ideas that relate to what they learn in school. This helps prepare them for their junior and senior years, where they will be involved in a Capstone/ROP class such as Medical Careers or Principles of Athletic Training. The Capstone/ROP class prepares students to enter the health-care workforce and/or postsecondary health care education while developing proficient skills essential in the industry. Another opportunity we have for our Health Careers Academy students is volunteering with the Future Health Professionals organization HOSA. This is a club open to our Health Careers Academy students as well as all other students. Many of our HOSA students are not involved with the Health Careers Academy due to various reasons, but want to be involved in the medical field in some way. HOSA allows for opportunities for knowledge, skill and leadership development of all health-science technology of education students, therefore helping students meet the needs of the health-care community. This is done through medical guest speakers, community volunteering, officer and competitive opportunities and chapter, state and national affiliation membership with HOSA.

In the Capstone/ROP classes, students have the opportunity to work out in the medical community getting hands-on experience. Students work in hospitals, medical offices, with athletic teams and in other health professions. The feedback from our community where these students are serving has been very positive, and the increase in the number of health professions that are opening their doors for us has validated the strength of our program and the students who are involved.

Additionally, Clovis North offers the following CTE pathways on site: Educational Careers and Software and Systems development.

Students in the Education Pathway at CNEC can take G.P.A. weighted classes and dual-enrollment classes where they will earn college units for FREE. Students will study the nature and scope of the school system, the duties and opportunities of working in a school system, study children's literature, study and explore contemporary issues in education and determine credentialing requirements.

The Pathway program connects learning in the classroom with real-world applications and is an excellent opportunity for any student considering a career in education. The Educational Careers pathway has articulation agreements with Clovis Community College, Reedley College, and Madera Community College Center allowing students to earn college credits while still in high school.

The long-term objective is to develop a "grow your own" teacher development program within Clovis Unified to produce an increasing number of high-quality teachers that mirror the culture and diversity of the students we serve. In the high-tech world in which we live, programming is quickly becoming an integral part of all industries from engineering to medicine. Learning to navigate complex programming languages, apply algorithms that solve real-world problems, and communicate those solutions, are key ingredients to the success of every project. Software and System Development strives to prepare students for the rigor of college and the workplace by teaching the essential tools of programming, data and system analysis, software engineering and communication.

## 2021-22 Career Technical Education Programs

This unique pathway is designed to take students on an articulated journey through the multifaceted world of Information Technology, Software and System Development. Starting in seventh grade, students can begin taking courses with Computer Applications that teach, among other things, programming, robotics and analysis of data systems. In high school, courses build on that knowledge and delve deeper into programming languages and engineering principles. In 11th and 12th grades, student can take an engineering course with our partner Clovis Community College for dual credit. Culminating this pathway is an apprentice opportunity to work with community partners creating real-life software solutions. Supporting this pathway are community partners Bitwise Industries, Geekwise Academy, Clovis Unified School District, Clovis Community College and Fresno State Lyles College of Engineering.

## 2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	463
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	77.5
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

## Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	97.79
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	71.53

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	90%	90%	90%	90%	90%
Grade 9	90%	90%	90%	90%	90%

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

Clovis North Educational Center parents are provided a variety of opportunities for involvement. Parent committees such as the School Assessment Review Team (SART), School Site Council (SSC), Intercultural Diversity Advisory Council (IDAC) and English Language Advisory Committee (ELAC) provide a forum for parent input regarding school operations. The nonprofit Bronco Foundation is a fundraising and parent-volunteer organization that provides many opportunities for parent involvement including the annual Bronco Stampede and other dinners. Various parent booster groups are available that are primarily focused on students' participation and interests. The traditional open house and back-to-school nights annually attract parents to our campus to observe our academic and co-curricular programs. Clovis North Educational Center also encourages active parent volunteerism.

For more information on how to become involved at Clovis North Educational Center, contact Deputy Principal Jonathan Bowns at (559) 327-5075 or [jonathanbowns@cusd.com](mailto:jonathanbowns@cusd.com).

## C. Engagement

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

#### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate		0	0.5		1.9	1.7		8.9	7.8
Graduation Rate		97.2	96.3		94.8	95.5		84.2	87

## 2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at [www.cde.ca.gov/ds/ad/acgrinfo.asp](http://www.cde.ca.gov/ds/ad/acgrinfo.asp).

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
<b>All Students</b>	616	593	96.3
<b>Female</b>	291	288	99.0
<b>Male</b>	325	305	93.8
<b>American Indian or Alaska Native</b>	--	--	--
<b>Asian</b>	108	103	95.4
<b>Black or African American</b>	22	21	95.5
<b>Filipino</b>	23	23	100.0
<b>Hispanic or Latino</b>	166	160	96.4
<b>Native Hawaiian or Pacific Islander</b>	--	--	--
<b>Two or More Races</b>	32	32	100.0
<b>White</b>	259	248	95.8
<b>English Learners</b>	15	12	80.0
<b>Foster Youth</b>	--	--	--
<b>Homeless</b>	--	--	--
<b>Socioeconomically Disadvantaged</b>	207	199	96.1
<b>Students Receiving Migrant Education Services</b>	0	0	0.0
<b>Students with Disabilities</b>	42	22	52.4

## 2021-22 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	2552	2504	459	18.3
Female	1238	1220	216	17.7
Male	1310	1280	241	18.8
American Indian or Alaska Native	13	13	2	15.4
Asian	426	421	50	11.9
Black or African American	93	93	22	23.7
Filipino	95	95	8	8.4
Hispanic or Latino	699	682	169	24.8
Native Hawaiian or Pacific Islander	4	3	1	33.3
Two or More Races	97	95	17	17.9
White	1120	1097	190	17.3
English Learners	48	46	10	21.7
Foster Youth	7	7	5	71.4
Homeless	3	3	1	33.3
Socioeconomically Disadvantaged	740	719	169	23.5
Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	181	173	59	34.1

### C. Engagement

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	2.01	2.63	2.45
Expulsions	0.00	0.04	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	0.35	2.63	0.49	3.91	0.20	3.17
Expulsions	0.04	0.08	0.01	0.06	0.00	0.07

## 2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	2.63	0.08
Female	1.29	0.00
Male	3.89	0.15
American Indian or Alaska Native	7.69	0.00
Asian	1.64	0.00
Black or African American	3.23	1.08
Filipino	2.11	1.05
Hispanic or Latino	3.58	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	2.06	0.00
White	2.41	0.00
English Learners	6.25	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	3.78	0.14
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	3.87	0.00

## 2022-23 School Safety Plan

Clovis North Educational Center works diligently to provide a safe school environment inside and outside during the school day. Administration and staff provide supervision before school, during the day, after school and long into the evening. The staff understands that student safety is everyone's responsibility, and this extends to all staff on campus. Students are also provided opportunities to assist staff in keeping the campus safe and orderly. Clovis North Educational Center fosters a safe school environment by enforcing the district-adopted zero-tolerance policy, a closed-campus policy and a student dress code. The SART survey results for March 2022 indicates approximately 95 percent of our parents rated the school personnel as "satisfactory," "excellent" or "good" in providing a safe and orderly environment for students.

Clovis North Educational Center has a school safety plan and a School Crisis Intervention Plan. The staff and community members evaluate and update these plans annually. We presented our current plan at our before-school staff meetings in August and recently updated it in December 2022. We conduct monthly drills to ensure the staff and students are prepared in the event of an emergency. The goal is to ensure a safe and nonviolent environment on all CUSD campuses. Specific areas of focus, coupled with appropriate strategies to address concerns, feature in our school plan. Another indication of CUSD's commitment to a safe and orderly school environment is the employment of full-time police officers and student-relations liaisons.

## 2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	21	50	25	39
Mathematics	32	6	25	41
Science	26	15	32	23
Social Science	29	16	17	49

## 2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	18	70	33	32
Mathematics	26	22	29	36
Science	22	37	20	37
Social Science	24	35	23	39

## 2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	21	52	29	35
Mathematics	31	10	25	36
Science	25	23	35	26
Social Science	27	19	21	42

## 2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	814

## 2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	3.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	1.8
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	1.0
Resource Specialist (non-teaching)	
Other	3.5

## 2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
<b>School Site</b>	\$6,051.14	\$95.39	\$5,955.75	\$71,213.31
<b>District</b>	N/A	N/A	\$5,734.66	\$73,614
<b>Percent Difference - School Site and District</b>	N/A	N/A	3.8	-3.3
<b>State</b>	N/A	N/A	\$6,594	\$85,368
<b>Percent Difference - School Site and State</b>	N/A	N/A	-10.2	-18.1

## 2021-22 Types of Services Funded

### “Children Are Our Most Precious Resource”

On an annual basis, Clovis Unified School District (CUSD) submits our funding Application through the Consolidated Application and Reporting System commonly called the ConApp. The application is submitted in two (2) parts: Part I, which contains program and demographic information, submitted by June 30th each year; and Part II, which contains budget information and program data submitted by January 31 each year. The categorical programs included in the application are Title I, Part A - Improving Academic Achievement. Title II, Part A - Supporting Effective Instruction and Title III - English Learner (EL), and Immigrant Programs and Title IV, Part A - Student Support and Academic Enrichment. Essentially, these funds are designed to assist students in mastering state standards.

Clovis Unified Schools are committed to establishing a true partnership with all facets of the Clovis Learning Community. CUSD values feedback and input. Parents continue to make positive differences in the lives of the children we all support. We know from research that participation in your child’s education will not only bring success to your child but other children in the school. Our parents truly make a difference in the lives of Clovis kids!

CUSD is pleased and proud to offer a variety of parent involvement opportunities that improve our overall program. Depending on the type of categorical funding a site may receive, district or school parent councils and committees are required under certain requirements and guidelines. Such advisory committees in the CUSD include:

- School Site Council (SSC)
- English Learner Advisory Committee (ELAC)
- Parent Advisory Committee (PAC) and School Advisory Committee (SAC)
- District English Learner Advisory Committee (DELAC)
- District Indian Education Parent Advisory Committee (IPAC)
- School and District level School Assessment Review Team (SART)
- Intercultural and Diversity Advisory Council (IDAC)
- Local Control Accountability Plan Public Forums (LCAP)

We encourage all parents and guardians to become involved with their child’s education at the classroom level, the school-wide level, as well as the district level. Each school’s School Plan for Student Achievement (SPSA) describes the school’s basic educational program and the categorical supplementary programs/services that are designed to support student achievement. Parental involvement is a necessary and vital part of developing the SPSA as well as our overall program. At the district level, parent committees provide input into each of the site’s SPSA. If you would like additional information on any of the District Parent Councils or Committees, please call your child’s school. The Principal, Learning Director, or Guidance Instructional Specialist (GIS) would be happy to assist you.

Listed below are several parent committees that assist with categorical programs and funding.

## 2021-22 Types of Services Funded

**School Site Council (SSC):** All schools that operate a categorical program funded through the consolidated application (ConApp) shall establish a school site council (SSC). The SSC shall develop the content of the SPSA. The SPSA shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the ConApp and the local control and accountability plan (LCAP), if any, by the SSC. The SSC is composed of parents, students at the secondary level and school personnel. It is responsible for developing, implementing and evaluating the School Plan for Student Achievement programs. Members serve for two years and are elected by their peers.

**Parent Advisory Committee (PAC) & School Advisory Committee (SAC):** The entirety of the SSC acts as the SAC. The SAC serves as an advisory committee for the purpose of advising schools regarding supplemental education programs and acting as a liaison for their school community. They serve to share information and comments both at the district and site level. These education programs are supplemental education opportunities that provide services to students who are disadvantaged, English learners, foster youth and/or at-risk. The SSC has approved to designate our SSC pursuant to California Education Code (EC) Section 52852 to function as the School Advisory Committee.

**English Learner Advisory Committee (ELAC):** All schools enrolling 21 or more English learners are required to form an ELAC. The ELAC is composed of parents and school personnel. The ELAC advises the principal, staff and SSC regarding services for English learners and assists in the development of the annual survey. Members serve for two years. Each ELAC shall have the opportunity to elect at least one member to the District English Learner Advisory Committee (DELAC).

**District English Learner Advisory Committee (DELAC):** Whenever there are 51 or more EL students in the district, there shall be a functioning District English Learner Advisory Committee (DELAC). It is important that each school site ELAC elect a DELAC representative and arrange to have that representative attend every DELAC meeting. Currently the DELAC bylaws require each DELAC representative to be 1) a parent/guardian of an EL or former EL (i.e., a reclassified fluent English proficient student) currently enrolled at the site he/she represents, and 2) elected to serve as the DELAC representative by the site's ELAC.

**District Indian Education Parent Advisory Committee (IPAC):** The CUSD Native American Indian Education Parent Advisory Committee meets four times a year to discuss program issues, services provided, and other needs related to the student achievement of our students, community agencies and outreach programs. CUSD Indian Education Program addresses the needs of American Indian and Alaskan Native students in grades K - 12. The program assists eligible students to achieve at the same challenging state performance standards expected of all students in grades pre-K -12.

**Local Control Accountability Plan (LCAP) Forums:** CUSD develops an LCAP annually that works to better align the academic plan with the district expenditure plan that is approved by our CUSD Governing Board each June. Parents and other stakeholder groups are invited to participate in the development of the LCAP through participation of school and district committee meetings and community forums. LCAP School, District Meetings and Community Forums are exciting opportunities for all stakeholders and school committees to engage with the District and share their ideas on how CUSD can provide quality opportunities and support for CUSD youth and schools. Community participation and feedback in the forums will inform the District's LCAP's funding priorities over the next several years.

These forums are designed to provide an opportunity for school communities to hear about CUSD's current efforts to support youth and families and to provide input and feedback on future plans and opportunities. Sites also have an opportunity to work together in teams to share new ideas to support identified groups and to plan for site engagement and implementation.

The following is an overview of the categorical funding and programs in CUSD. These funds are further discussed and outlined in each school's SPSA and at the committee meetings.

### Rationale

General District funds provide support for the District's base/core curriculum program. Some children have special characteristics, not reflective of the general school population, that affect their success in the base/core programs. Some come from economically disadvantaged homes; some are educationally disadvantaged or lack English language proficiency because they have a primary language other than English. Children, such as those described above, require supplemental services and materials not generally provided through the base/core curriculum program. The needs of our children are identified, and supplemental services and materials are planned and targeted to meet their special needs. Categorical funds are to be used to provide the financial support to meet these special needs.

### Philosophy

All CUSD schools offer students with special needs the same kinds of high-quality learning opportunities and access to the core curriculum in all curricular areas. Categorical funds are designed to support additional assistance to help students succeed in the regular classroom program (base/core curriculum) and address any learning gaps. The focus is on the effective utilization of supplementary materials, personnel, and staff development. Staff development activities are used to improve instructional practices and strategies to increase the ability of teachers and other staff to challenge and assist all students to reach their fullest potential.

## 2021-22 Types of Services Funded

### Categorical Program Descriptions

1. After School Safety and Education Funds (ASES): This state-administered funded program is a result of the voter approved Proposition 49; provides three-year grant funding for afterschool programs that align with the core instructional day and have the following components: educational and literacy element (tutoring/ homework assistance); educational enrichment element (Additional program/activities that reinforce what is learned in the core instructional day); and provide a nutritious snack or meal that conforms to California State Education Code requirements. The purpose of the ASES Program is to create additional educational and recreational opportunities for students within the learning community while providing a safe environment for students. The goals of this program are to: 1) improve academic achievement, and 2) provide enrichment opportunities that reinforce and complement the academic program.
2. Title I, Part A (Improving Academic Achievement): A federal-funded program to provide high-quality opportunities for students in high-poverty schools to meet district and state content and performance standards.
3. Title I, Part A, Title X, Part C, Education for Homeless Children and Youths: Title I, Part A funds provide comparable services to homeless children that assist them to effectively take advantage of educational opportunities as provided to children in schools funded under Title I, Part A. These comparable services shall be provided to homeless children in public and private schools, shelters and other locations where children may live, institutions for neglected children and, where appropriate, local institutions such as local community day school programs.
4. Title II, Part A (Preparing, Training and Recruiting High Quality Teachers and Principals): A federal-funded program focused on teacher and principal training and recruitment programs.
5. Title III (Language Instruction for English Learners (ELs) and Immigrants): A federal-funded program focused on assisting school districts in teaching English to limited English proficient students (English learners) and immigrants and helping these students meet the same challenging State standards required of all other students.
6. Title VI (Indian Education Formula Grant): A federal-funded program focused on helping Native American/Alaskan Native students meet the same challenging state standards required of all other students.

The goal of the CUSD staff is to create and maintain the best educational environment possible. This can be accomplished with your support and input. If you have any questions, concerns, or would like to become more involved in the educational process at your school, please contact your school principal. Your school can assist you in learning more about categorical programs. You may want to become involved in your school's School Site Council (SSC), English Learner Advisory Committee (ELAC) and/or attend the Annual Title I Parent Meeting. During the fall, each school will send you additional information about these activities. At the district level, we encourage you to become involved with our DELAC. We encourage and look forward to your involvement in the programs we offer our learning community. If you have any questions, please call your child's school. Additional information may be found @ <http://www.cusd.com/supplementalservices>.

## 2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
<b>Beginning Teacher Salary</b>	\$42,984	\$51,081
<b>Mid-Range Teacher Salary</b>	\$68,050	\$77,514
<b>Highest Teacher Salary</b>	\$92,444	\$105,764
<b>Average Principal Salary (Elementary)</b>	\$115,366	\$133,421
<b>Average Principal Salary (Middle)</b>	\$119,341	\$138,594
<b>Average Principal Salary (High)</b>	\$131,031	\$153,392
<b>Superintendent Salary</b>	\$230,000	\$298,377
<b>Percent of Budget for Teacher Salaries</b>	33%	32%
<b>Percent of Budget for Administrative Salaries</b>	5%	5%

## 2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

<b>Percent of Students in AP Courses</b>	32.7
--	------

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
<b>Computer Science</b>	0
<b>English</b>	6
<b>Fine and Performing Arts</b>	2
<b>Foreign Language</b>	3
<b>Mathematics</b>	8
<b>Science</b>	14
<b>Social Science</b>	22
<b>Total AP Courses Offered</b> Where there are student course enrollments of at least one student.	55

## Professional Development

CNEC provides staff development on a variety of levels. Site and district programs include in-services in the areas of technology, instructional strategies and multicultural awareness. Staff-development funds are also used to send teachers to conferences and provide release time to develop new programs and share strategies. The focus on staff development is decided by a staff survey and district initiatives. Clovis North Educational Center has a bell schedule that allows for two mornings each week of collaboration time for the teachers to have staff development, review student-performance data and adjust instruction to meet the needs of students.

The district focused all professional development activities around five identified needs: first time best instruction, mastery learning, multi-tiered system of supports, implementation of the California Content Standards and NGSS Standards, and cultural relevant understanding.

This table displays the number of school days dedicated to staff development and continuous improvement.
