

Benefits that help you and your wallet.

Your benefits enrollment is here, and your plan includes nontaxable benefits. When you pay for coverage pre-tax, you can help financially protect your family while reducing your taxable income.

Your American Fidelity account manager can help you create a plan that fits your unique needs.

Healthcare Flexible Spending Accounts

- Helps with out-of-pocket medical expenses.
- You choose how much you want to set aside (up to the annual limit).
- The funds are taken out pre-tax, which may increase the amount you take home each paycheck.

Retirement Savings Plans

It's never too early to plan for retirement.

When you think about your retirement, do you envision opportunities to travel, learn a new hobby, or spend time with family? No matter your retirement goals, it's important to start saving early.

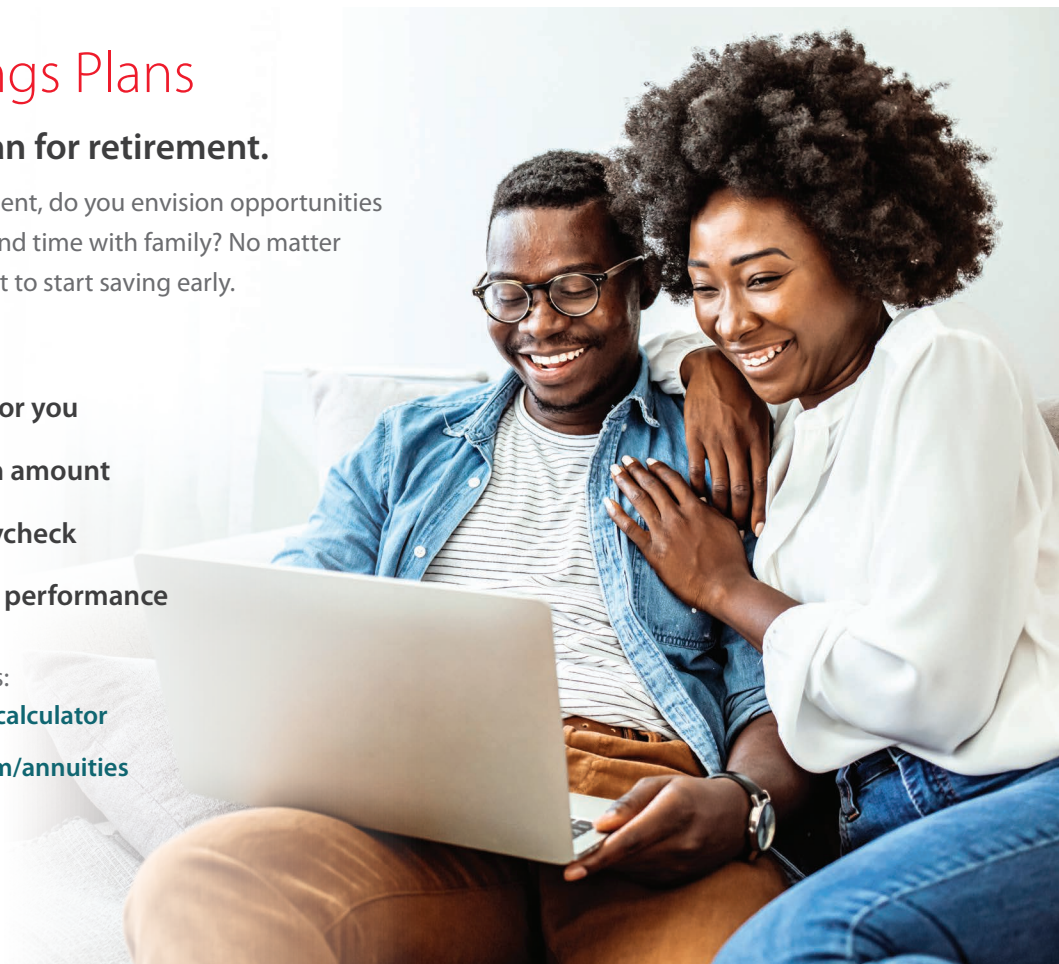

How It Works:

- 1 Select the right account for you
- 2 Determine a contribution amount
- 3 Contribute from your paycheck
- 4 Monitor your investment performance

Calculate your future income needs:
