Project: CUSD – District Office Expansion Phase II Project No.: 12560

Drawings & Files Description:

We are requesting that TETER, Inc. provide digital files of work done on the subject project, so that we may utilize the information therein for our work on the same project. This request is subject to the following conditions, which we hereby agree to abide by:

1. We agree to hold harmless, to the fullest extent permitted by law, TETER, Inc., its officers, directors, employees and/or subconsultants, against any and all damages, liabilities, errors, and/or costs, including reasonable attorneys' fees that may arise from our use of their digital and/or PDFs of hand drawn sheet files.
2. We acknowledge that TETER, Inc., makes no representation as to the compatibility of these files with our hardware and/or software.
3. This information being transmitted is an interim document, not a contract document, and is not to be relied upon as final or complete. Differences may exist between these electronic files and corresponding hard copy documents. In the event a conflict arises, signed and sealed hard copy contract documents will govern.
4. We agree that by using these electronic files we are in no way relieved of our duty to fully comply with contract documents, including coordination of this information with the permit documents and field documents
5. We agree that because of the potential for modification, intentional or unintentional, of electronic information, TETER, Inc., has the right to remove all indications of ownership and/or all involvement from electronic display. If we discover any errors or omissions in the information, we will promptly notify TETER, Inc., so that any necessary corrections can be made.
6. We acknowledge that these files have been generated by AutoCAD Architectural Desktop or Autodesk Revit, and if in .pdf format, generated using Adobe Acrobat, and may or may not be compatible with our hardware and/or software.
7. We acknowledge that the information provided in the digital files is copyrighted and proprietary in nature, and agree that we will only utilize the information for this project. We agree that we will not make the digital files, or copies thereof, available to any other person or entity, without written consent from a Principal or Authorized Signer of TETER, Inc.
8. We agree to reciprocate TETER, Inc., upon request, relative to drawing files produced by us for the subject project, under the same conditions as we received digital files from the TETER, Inc.
