<p><b>Transition Team</b> Seven years ago the LCAP Advisory Committee utilized the LCAP fund to have an action plan of services to support Foster youth, English Learner and Social Disadvantage. The Transition Team is a part of a district-wide effort to improve support for students academically, emotionally, and socially for these sub-groups. Transition program focuses on developing positive relationships with students and parents, providing services and resources for students to reach their potential and pursue their goals, and creating a sustainable support system for our participating students from elementary school through high school. If you have any questions please contact your child's counselors.</p>	<p><b>Transition Program</b></p>
