- 17. <u>Discounts</u>. Any discount which the bidder desires to provide the District must be stated clearly on the bid form itself so that the District can calculate properly the net cost of the bid proposal. Offers of discounts or additional services not delineated on the bid form will not be considered by the District in the determination of the lowest responsible bidder.
- 18. <u>Prices</u>. Bidders must quote prices F.O.B. Clovis Unified School District unless otherwise noted. Prices should be stated in the units specified and bidders should quote each item separately.

- 19. Quantities. The quantities shown are approximate. The District reserves the right to increase or decrease quantities as desired.
- 20. Samples. On request, samples of the products being bid shall be furnished to the District at no charge. If you are bidding a brand that we have not purchased before, and you are one of the low bidders, we will request samples for evaluation
- 21. Special Brand Names. In describing any item, the identification of a particular manufacturer or special brand does not restrict bidding to that manufacturer or special brand, but is intended only to indicate the quality and type of item desired. Bidders may furnish any material, product, thing or service of comparable quality or utility. If A BIDDER IS REQUESTING SUBSTITUTION OF AN EQUAL ITEM, THE BIDDER MUST CLEARLY INDICATE THE SUBSTITUTION ON THE BID PROPOSAL FORM. THE MAKE AND GRADE OF THE ARTICLE ON WHICH A BID IS SUBMITTED MUST BE STATED IN THE PROPOSAL AND ILLUSTRATIONS, CATALOG AND ALL NECESSARY INFORMATION SUBMITTED SO THAT THE DISTRICT CAN MAKE A COMPLETE EVALUATION OF THE QUALITY AND UTILITY OF THE SUBSTITUTE BRAND BID. The District encourages alternate brands to be bid. The District reserves the right to make all decisions on product and vendor selection in determining whether a substitute brand is of comparable quality or utility to the brand name specified.
- 22. Container Costs and Delivery. All costs for containers shall be borne by the bidder. All products shall conform to the provisions set forth in the federal, county, state and city laws for their production, handling, processing and labeling. Packages shall be so constructed to insure safe transportation to point of delivery.
- 23. <u>Bid Negotiations</u>. A bid response to any specific item of this bid with terms such as negotiable, will negotiate or similar, will be considered as non-compliance with that specific term.
- 24. Indemnity. The bidder must hold harmless and fully indemnify the District, its Board of Trustees, officers, employees and agents from all damages or claims for damages, costs or expenses that may at any time arise out of the bidder's performance of, or failure to perform acts, required by the contract documents, including but not limited to infringement or use of any copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in connection with this bid.
- 25. In the event of any conflict or ambiguity between these instructions and state or federal law or regulations, the latter shall prevail. Additionally, all equipment to be supplied or services to be performed under the bid proposal shall conform to all applicable requirements of local, state and federal law.

26. Substitute Security. In accordance with Section 4590 of the Government Code, the District will permit the substitution of securities for any moneys withheld by the District to insure performance under the contract. At the request and expense of the bidder, securities equivalent to the amount withheld shall be deposited with the District, or with a state or federally chartered bank as an escrow agent, who shall pay such moneys to the bidder upon satisfactory completion of the contract.

Securities eligible for investment under this Section shall include those listed in Government Code Section 16430 or bank and savings and loan certificates of deposit. The bidder shall be the beneficial owner of any securities substituted for moneys withheld and shall receive any interest thereon.

- 27. If the bidder defaults, the District may procure the articles or services from other sources and may recover the loss occasioned thereby from any unpaid balance due the bidder or by proceeding against a bidder's bond, if any, or by suit against the bidder. The prices paid by the District shall be considered the prevailing market prices at the time such purchase is made.
- 28. Governing Law and Venue. In the event of litigation, the bid documents, specifications and related matter shall be governed by and construed in accordance with the laws of the State of California. Venue shall be with the appropriate state or federal court located in Fresno County.
- 29. Delivery Deadline. The equipment/materials sought by this bid proposal must be delivered in satisfactory condition to the location specified by the District in the bid proposal on or before delivery time as indicated by vendor. This time limit is of the essence of the contract. A bidder's failure to provide the equipment/materials to the District by the contract date shall subject the bidder to liquidated damages in the amount of \$200.00 for each and every calendar day by which completion is delayed beyond the contract date.

Submission of a bid proposal constitutes the bidder's promise to pay liquidated damages as set forth above and the bidders agreement that the actual occurrence of damages and the actual amount of damages which the District would suffer if the requirements were not completed by the contract date is impracticable and extremely difficult to fix. Damages which the District would suffer in the event of delay are dependent on many circumstances and factors but would include the loss of use of the materials, disruption of school activities, cost of administration and supervision, and the loss suffered by the public and the District by reason of delay in completion of the contract. Accordingly, bidder agrees that the amount set forth herein as liquidated damages shall be presumed to be the amount of damages

actually sustained by the bidder's failure to complete the project by the contract date.

If the bidder becomes liable to the District for liquidated damages, the District shall, in addition to all other remedies provided by law, have the right to deduct the amount of liquidated damages owed from the contract sum or to deduct the amount of liquidated damages owed by the bidder from moneys previously retained from the bidder. If the sum deducted by the District is insufficient to discharge the bidder's liability for liquidated damages, the bidder and its sureties shall remain liable to the District until all such liabilities are fully satisfied.

30. <u>Participation</u>. Bidder agrees to extend the terms of the resulting contract to other political subdivisions, municipalities and tax supported agencies.

Such participating governmental bodies shall make purchases in their own name, make payment directly to the bidder, and be liable directly to the bidder, holding Clovis Unified School District harmless.

The successful bidder will invoice each Agency separately. Invoices must show each Agency's purchase order number, and be mailed as directed by each separate Agency.

- 32. <u>Internet Access</u>. It is the responsibility of all potential bidders who gain access to bid specifications through the internet, to contact the District with the Company Name, Address, Telephone and Fax Number. This will ensure notification of any bid specification changes through addendum.
- 33. Extension of contract Educ code 17596.
 Continuing contracts for work to be done, services to be performed, or for apparatus or equipment to be furnished, sold, built, installed, or repaired for the district, or for materials or supplies to be furnished or sold to the district may be made with an accepted vendor as follows: for work or services, or for apparatus or equipment, not to exceed five years; for materials or supplies, not to exceed three years

PURCHASE ORDER CONTRACT SAMPLE

This Agreement is made this day of, 2022 by and between Clovis Unified School District , "District" and "Seller"
with respect to the following recitals: 1. District is a public school district organized and existing under the laws of the State of California.
2. Seller has received notice of an award pursuant to Bid No. 2895
NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:
1. Description of Service. Seller agrees to deliver to school District's receiving station indicated on Purchase Order No, the following service:
Band and Musical Instruments
2. Time of Commencement and Completion. The Service shall be delivered in full to the District within $\underline{60}$ Calendar days "Completion Date". Time is of the essence in this Contract.
3. Contracts. District agrees to pay Seller the sum of ${100}$ (\$\sqrt{2}\$.). following timely receipt of the Equipment and submission of an invoice to District.
4. Liquidated Damages. Seller agrees to deliver the Service to District pursuant to the terms of this Contract by the Completion Date unless Seller receives a written extension of time for delivery from District. Seller's failure to deliver the Equipment on time shall subject Seller to liquidated damages. The actual occurrences of damages and the actual amount of damages which District will suffer if the Equipment is not delivered by the Completion Date is dependent upon many circumstances and conditions and, from the nature of the case, it is impracticable and extremely difficult to fix the actual damages occasioned by delay. Damages which District would suffer in the event of delay include loss of use of the Equipment, disruption of school activities, cost of administration and the loss suffered by the public by reason of delay. Accordingly, the parties agree that the

amount herein set forth as liquidated damages shall be presumed to be the amount of damages actually sustained by Seller's failure to

deliver the Equipment by the Completion Date.

The amount of liquidated damages to be paid by Seller to District for failure to deliver the Equipment on or before the Completion date will be Two Hundred Dollars and 00/100 (\$200.00) for each calendar day by which delivery is delayed beyond the Completion Date, such amount being the actual cash value agreed upon as the loss to the District resulting from the Seller's default.

If Seller becomes liable for liquidated damages, District, in addition to all other remedies provided by law, shall have the right to deduct the amount owed as liquidated damages from the contract sum due Seller. In all events, Seller and its sureties, if any, shall remain liable to the District until all such liabilities are satisfied in full.

- 5. Conformance to Contract Documents. Seller agrees that the Equipment to be furnished pursuant to this Contract shall conform to all of the requirements set forth in the bid documents, specifications and any other writings which formed a part of the materials upon which the Seller was awarded this Contract.
- 6. Indemnity. Seller shall indemnify, hold harmless and defend District, and its Board of Trustees, officers, agents and employees from and against all claims, damages, losses and expenses, including costs and attorney's fees, arising out of or resulting from Seller's work under this Contract or for any infringement of the patent rights, copyright or trademark of any person or persons in consequence of the use by the District of Equipment supplied pursuant to this Contract.
- 7. Transportation Charges. Seller agrees to deliver all Equipment prepaid unless otherwise specified. All costs for delivery and packaging of Equipment are the responsibility of Seller unless otherwise stated.
- 8. Inspection. All Equipment furnished must be in conformity with the specifications and Contract documents and will be subject to inspection and approval by the District after delivery. District reserves the right to reject and return at the risk and expense of the Seller any portion of the Equipment which may be defective or which fails to comply with the specifications in Contract documents.
- 9. Assignment of Contract. Seller agrees not to assign, transfer or convey any rights accruing under this Contract without the prior written consent of District.

- 10. Safety Regulations. All equipment and supplies furnished, and/or all work performed, shall meet all applicable safety regulations of the Division of Industrial Safety of the State of California, and Health & Safety code of the State of California.
- 11. Miscellaneous Provisions.
- 11.1 Governing Law and Venue. This Contract shall be governed by and construed in accordance with the laws of the State of California. The parties also agree that, in the event of litigation, venue shall be in the proper state or federal court located in Fresno County, California.
- 11.2 Notices. Communications hereunder shall be deemed given when delivered or mailed by registered mail, postage prepaid, to the parties at their respective places of business.

- 11.6 Entire Agreement. This Agreement constitutes the entire agreement between the parties. There are no understandings, agreements, representations or warranties, express or implied, not specified in this Agreement.
