Submission of a bid proposal constitutes the bidder's promise to pay liquidated damages as set forth above and the bidder's agreement that the actual occurrence of damages and the actual amount of damages which the District would suffer if the requirements were not completed by the contract date is impracticable and extremely difficult to fix. Damages which the District would suffer in the event of delay are dependent on many circumstances and factors but would include the loss of use of the materials, disruption of school activities, cost of administration and supervision, and the loss suffered by the public and the District by reason of delay in completion of the contract. Accordingly, bidder agrees that the amount set forth herein as liquidated damages shall be presumed to be the amount of damages actually sustained by the bidder's failure to complete the project by the contract date.

If the bidder becomes liable to the District for liquidated damages, the District shall, in addition to all other remedies provided by law, have the right to deduct the amount of liquidated damages owed from the contract sum or to deduct the amount of liquidated damages owed by the bidder from moneys previously retained from the bidder. If the sum deducted by the District is insufficient to discharge the bidder's liability for liquidated damages, the bidder and its sureties shall remain liable to the District until all such liabilities are fully satisfied.

31. Participation. Bidder agrees to extend the terms of the resulting contract to other political subdivisions, municipalities and tax supported agencies.

Such participating governmental bodies shall make purchases in their own name, make payment directly to the bidder, and be liable directly to the bidder, holding Clovis Unified School District harmless.

The successful bidder will invoice each Agency separately. Invoices must show each Agency's purchase order number and be mailed as directed by each separate Agency.
