

Our School...

and a Possible Bond Measure

“Maximizing Achievement for ALL Students” means making sure that every school, no matter when it was built, is a high-quality environment that encourages students to do their best.

A Citizens Committee has recommended and the Clovis Unified School District Governing Board is considering placing a \$408 million bond measure on a future 2020 ballot. The potential measure would maintain quality academic instruction in core subjects like math, science, reading and writing by funding necessary school facility improvements, including::

Fixing leaking roofs, electrical wiring, fire safety doors and smoke alarms at schools

Repairing and upgrading deteriorating science, engineering and math classrooms to provide 21st-century learning across all Clovis Unified schools

Updating classrooms to increase access to Career Technical Education programs

Making necessary updates to facilities to continue to provide safe, clean drinking water

Reducing current and future school overcrowding with additional schools and facilities

Improving school safety and security by updating security and communication systems

Maintaining equitable facilities at schools of all ages to ensure every child access to a high quality learning environment

Some of the Ways Our School Benefitted From the 2012 Measure A Bond:

- Upgraded library to provide classroom teaching space
- Replaced roofing on campus
- Upgraded Heating, Ventilation, Air-conditioning (HVAC) system
- Upgraded Career Tech facilities
- Added office space for counseling center and nurse's area
- Added space for fitness center in large gymnasium
- Renovated pool, decking and equipment
- Repaired and upgrade main power distribution system
- Upgraded technology and wireless network
- Added new exterior Video Surveillance System
- Completed Americans with Disabilities Act (ADA) required upgrades...*and more*

How Our School Would Benefit From Future Bond Measures:

- Merriman Field addition
- Multipurpose Room (MPR) additions and upgrades
- Audio Video system upgrades in MPR
- Locker room flooring
- Addition to existing staff restrooms

We Want to Hear From You
