## CIF Update Regarding Season 2 Championships

**SACRAMENTO, CALIF.** — At this time, the California Interscholastic Federation (CIF) is pleased to announce that Southern California Regional Championship events will be offered in the following sports, baseball, basketball, golf, soccer, softball, tennis, and boys volleyball. As has been the case throughout the COVID-19 pandemic, the CIF will need to be flexible and will be prepared to adjust the remaining Championship schedules as necessary as completing CIF Section Championships is a priority. *See below for the complete Season 2 Schedule.*

With only two of the six Northern California Region Sections offering Championships at this time (Central Coast Section and Oakland Section), it is not feasible for the State CIF to conduct Northern California Regional Championships. Also, due to the limited number of Sections in Northern California conducting championships, coupled with potential logistical/travel issues, the State CIF will not be hosting State Championships in swim & dive, track & field, and wrestling.

As conditions improve through the remainder of the 2020-21 school year, we are hopeful for a full return in August to education-based athletics.

## 2021 Season 2 CIF Sports Championship Calendar *as of April 28, 2021*
