STUDENT CONDUCT AND ATTENDANCE

All Clovis Unified School District rules will be enforced during Summer School. Students are required to abide by the school code of conduct. Students who break California Education Code are eligible for suspension. If a student is suspended, and the resulting effect is that they miss too many classes as defined by the summer school attendance policy, they will be dropped after serving their suspension.

Proper and appropriate student conduct is expected during all class meetings and appointments. Students unable to abide by school regulations and conduct themselves in an appropriate manner in an online classroom setting (Google Classroom, Google Meet, Zoom, etc.) will be removed from the classroom meeting, not receive attendance credit for their appointment that day and may face disciplinary consequences which could lead to their removal from the summer school program.
