

Notice To All Patients

To ensure all patients and staff are kept as safe as possible, please note the following guidelines while visiting the clinic:

The clinic phone number is **559-327-2873**. If the staff is not available to answer your call immediately, please leave a voicemail with a good callback number.

- If you are experiencing any of the following symptoms, please contact the clinic directly to schedule your appointment:

Cough, fever, body aches, chills, sweats, sore throat, sinus congestion, or headache

- If you are asked to test for Covid-19 or the Flu, please follow the instructions below:
 - **Please drive to the North side of the building (side that faces Herndon Ave)**
 - **Pull into the parking stall at the back door of the clinic**
 - **Call the phone number displayed on the cone to check in**
 - **Once checked in, a staff member will come to you in your car and administer the test**
- **miCare** asks that you continue to wear a face mask at all times while entering the clinic. This is in accordance to the current CDC guidelines.

As always, we appreciate the CUSD members and work with your safety in mind
