

Clovis West High School

**Our School...
and a Possible Bond Measure**

“Maximizing Achievement for ALL Students” means making sure that every school, no matter when it was built, is a high-quality environment that encourages students to do their best.

A Citizens Committee has recommended and the Clovis Unified School District Governing Board is considering placing a \$408 million bond measure on a future 2020 ballot. The potential measure would maintain quality academic instruction in core subjects like math, science, reading and writing by funding necessary school facility improvements, including::

Fixing leaking roofs, electrical wiring, fire safety doors and smoke alarms at schools

Repairing and upgrading deteriorating science, engineering and math classrooms to provide 21st-century learning across all Clovis Unified schools

Updating classrooms to increase access to Career Technical Education programs

Making necessary updates to facilities to continue to provide safe, clean drinking water

Reducing current and future school overcrowding with additional schools and facilities

Improving school safety and security by updating security and communication systems

Maintaining equitable facilities at schools of all ages to ensure every child access to a high quality learning environment

Some of the Ways Our School Benefitted From the 2012 Measure A Bond:

- Upgraded Career Tech facilities
- Upgraded Heating, Ventilation, Air-conditioning (HVAC) system
- Added office space for nurse's area and administrative office building
- Increased classroom and teacher conference space
- Replaced roofing on campus
- Repaired and upgrade main power distribution system
- Implemented efficiency improvements in lighting
- Added new Exterior Video Surveillance System
- Replaced plumbing fixtures and upgraded restrooms
- Completed Americans with Disabilities Act (ADA) required upgrades...*and more*

How Our School Would Benefit From Future Bond Measures:

- Heating, ventilation and air conditioning for L-wing
- New classroom wing to replace portables
- Expand band room
- Heating, ventilation and air conditioning for wrestling and weight rooms
- Repair baseball stadium foundation
- Additional staff restroom

Kastner Intermediate School
