

Clovis Online Charter School

School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About This School

School Contact Information (School Year 2020-2021)

Entity	Contact Information

School Description and Mission Statement (School Year 2020-2021)

Clovis Online School Description

Clovis Online Charter School (COS) is a dependent charter (and only charter) within the Clovis Unified School District (CUSD). Our campus is located within the large footprint of the CUSD district office complex. COS was chartered in 2009 as one of the first online/virtual charter schools in the area and state. Clovis Online draws most of its students from Fresno County but also draws students from all 8 counties that border Fresno County. COS has grown from a returning class of 12 students during the first year to close to 600 students today. Clovis Online is WASC accredited, A-G approved, NCAA approved, part of the National Honors Society, and has a robust chapter of the California Scholastic Federation. COS offers diploma track courses, through honors and Advanced Placement courses.

School Mission Statement

Clovis Online School is committed to providing students with a nontraditional, distance learning program designed to meet the individual needs and learning abilities of students who may have not been successful at traditional comprehensive schools or have been successful, but at this time, need an alternative approach to learning. All students can learn, and we must explore different approaches to learning so that all students can graduate and have the opportunity to be the "Best in mind, body and spirit."

School Vision Statement

The vision and purpose of Clovis Online School is to take in and ensure all students acquire the academic skills to succeed as competent critical thinkers, independent learners and academic achievers through technology, and be responsible citizens and effective communicators. This is accomplished through an alternative learning environment with a caring, committed, qualified staff working in partnership with our diverse students and community.

Clovis Online School is a proud part of the Clovis Unified School District.

Student Enrollment by Grade Level (School Year 2019-2020)

Grade Level	Number of Students
Grade 7	25
Grade 8	51
Grade 9	55
Grade 10	78
Grade 11	102
Grade 12	136
Total Enrollment	447

Student Enrollment by Student Group (School Year 2019-2020)

Student Group	Percent of Total Enrollment
Black or African American	2.2
American Indian or Alaska Native	0.9
Asian	6.9
Filipino	1.6
Hispanic or Latino	43.4
White	41.4
Two or More Races	3.6
Socioeconomically Disadvantaged	36.7
English Learners	2.5
Students with Disabilities	2.2
Foster Youth	0.2
Homeless	0.2

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	16	18	18	1753
Without Full Credential	0	0	0	69
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	111

Teacher Misassignments and Vacant Teacher Positions

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: November 4, 2020

Clovis Unified School District sets a high priority upon ensuring there are sufficient textbooks and materials to support the district's instructional program. CUSD Board Policy Number 3301 establishes criteria and procedures for the adoption of all textbooks. All K-8 textbooks purchased have been approved by the State Board of Education and adopted by the Clovis Unified Governing Board. Textbooks and instructional materials purchased for grades 9-12 are aligned to the state content standards and adopted by the Clovis Unified Governing Board.

The Department of Supplemental Services continues to support the school sites with funding that allows for the purchase of supplementary instructional material for our students, including English learners in grades K-12. The supplemental material is designed to accelerate pupils as rapidly as possible toward grade-level proficiency in the core subjects of English-language arts, math, social science and science. These supplemental materials are used in addition to the basic reading/language arts and other core materials provided for every student and are correlated to state content standards.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	7th StudySync, McGraw-Hill (7-8) / 2017 California Collections, Houghton Mifflin (9-12) / 2016 The American Experience, Prentice Hall Literature / 2005 The Language of Composition, Bedford / 2009 Literature: An Introduction to Reading and Writing, Prentice Hall / 2004 Readings for Writers, Holt McDougal / 2010	Yes	0%

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements

In order to maintain our facilities in top condition, CUSD has utilized the services from a third party to perform the 2020-2021 Williams inspection utilizing the Facilities Inspection Tool (FIT). This will allow CUSD to obtain an objective evaluation of our facilities in order to continue to maintain the safest and best facilities for students and staff.

For all items inspected that were found to not be in “good repair,” a work-order has been created and maintenance will be done before the end of the 2020-2021 school year. Maintenance items will be prioritized so that student safety is not compromised.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 9/29/2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Exemplary	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	58	N/A	73	N/A	50	N/A
Mathematics (grades 3-8 and 11)	14	N/A	59	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2019-2020)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Career Technical Education Programs (School Year 2019-2020)

Clovis Online School has added new Career Technical Education (CTE) programs for students. These courses offer prerequisite work needed for certification. Some courses added are career explorations, Microsoft Specialist, Medical Terminology, Introduction to Information Technology, Nursing Assistant, Pharmacy Technician, Introduction Health Sciences, Introduction to Business and Introduction to Entrepreneurship. Since these are new programs to Clovis Online School, data about the numbers of students moving on to certification programs will be tracked and available in the future.

Clovis Online School students also have the opportunity to take a wide variety of courses offered by our district's CTE program. Ms. Sonia Torosian represents the Clovis Unified School District on matters dealing with CTE and ROP courses.

Career Technical Education (CTE) Participation (School Year 2019-2020)

Measure	CTE Program Participation
Number of Pupils Participating in CTE	63
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2019-20 Pupils Enrolled in Courses Required for UC/CSU Admission	99.73
2018-19 Graduates Who Completed All Courses Required for UC/CSU Admission	22.41

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
5	N/A	N/A	N/A
7	N/A	N/A	N/A
9	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Our staff is utilizing the following student and parent groups to produce the most efficient strategies to meet student needs. Clovis Online School has created a parent advisory team, and a student leadership group, which meet at different times each year, as well as attend district committees such as the School Attendance Review Team (SART), Intercultural Diversity Advisory Council (IDAC), and Local Control and Accountability Plan (LCAP). COS has recently added a parents advisory group to help us better plan for growth and the needs of our students. The administration team is reviewing student academic data in order to gain a starting point, propose action, and monitor achievement based on learning and student needs. The parent and student teams, as well as the school-leadership teams (administrators and department chairs) hold discussions and give recommendations that are given considerable weight in developing and adjusting the Local Control Accountability Plan and student learning objectives (SLOs). Our students and parents are also involved through discussions with teachers weekly and student and parent questionnaires/surveys. Clovis Online is always looking for new parent and student involvement. Parents may become involved by filling out the questionnaire that is given when they meet with the child's teachers, talking with their child's counselor, stopping by the main office or contacting the school at (559)327-4400.

Contact Clovis Online School SART Representative, Tina Dietz, for any information at (559)-327-4400.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19
Dropout Rate	6.9	6.8	6.1	2.2	2.9	2.8	9.1	9.6	9
Graduation Rate	79.3	83.5	83.2	93.7	92.9	93.5	82.7	83	84.5

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.3	3.9	3.7	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	2.6	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The mission of Clovis Online School is to prepare all students academically to be successful and productive members of society by establishing relationships and providing services and support in a safe learning environment. The administration and staff strive to project a school culture that promotes very positive high achievement for all students, parental involvement and technology climate. Staff is responsible for supervision of the campus and reports any unusual activity. The campus sits in the middle of the district office facilities, so a lot of traffic comes and goes. All staff has access to call the Clovis Unified School District (CUSD) police office, which is approximately 100 yards away. Both the Clovis Police Department and CUSD police actively participate in overseeing and maintaining campus security. Signs inform the public that the campus is free of violence, tobacco and drugs. First-aid and CPR training is offered to all employees; currently, 12 staff members are certified. There are currently 2 AED's located on the campus in various, clearly marked locations. All teachers are trained on safe exit drills and lockdown procedures. Performance goal No. 4 of our district plan outlines the Environments Conducive to Learning plan. Though our students are not on campus daily, we still conduct safety drills and post all emergency plans on the walls and with each teacher.

The school safety plan was last reviewed, updated and discussed with the school faculty in October 2021.

Average Class Size and Class Size Distribution (Secondary)

Subject	2017-18	2017-18	2017-18	2017-18	2018-19	2018-19	2018-19	2018-19	2019-20	2019-20	2019-20	2019-20

*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselors*	447

*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Student Support Services Staff (School Year 2019-2020)

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	0

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2018-2019)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$7,566.41	\$202.59	\$7,363.81	\$77,660.51
District	N/A	N/A	\$5,734.66	\$72,296
Percent Difference - School Site and District	N/A	N/A	24.9	7.2
State	N/A	N/A	\$7,750	\$83,052
Percent Difference - School Site and State	N/A	N/A	-5.1	-6.7

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2019-2020)

“Children Are Our Most Precious Resource”

On an annual basis, Clovis Unified School District (CUSD) submits our funding Application through the Consolidated Application and Reporting System commonly called the ConApp. The application is submitted in two (2) parts: Part I, which contains program and demographic information, submitted by June 30th each year; and Part II, which contains budget information and program data submitted by January 31 each year. The categorical programs included in the application are Title I, Part A - Improving Academic Achievement. Title II, Part A - Supporting Effective Instruction and Title III - English Learner (EL), and Immigrant Programs and Title IV, Part A - Student Support and Academic Enrichment. Essentially, these funds are designed to assist students in mastering state standards.

Clovis Unified Schools are committed to establishing a true partnership with all facets of the Clovis Learning Community. CUSD values feedback and input. Parents continue to make positive differences in the lives of the children we all support. We know from research that participation in your child’s education will not only bring success to your child but other children in the school. Our parents truly make a difference in the lives of Clovis kids!

CUSD is pleased and proud to offer a variety of parent involvement opportunities that improve our overall program. Depending on the type of categorical funding a site may receive, district or school parent councils and committees are required under certain requirements and guidelines. Such advisory committees in the CUSD include:

School Site Council (SSC)

English Learner Advisory Committee (ELAC)

District Advisory Committee (DAC) and School Advisory Committee (SAC)

District English Learner Advisory Committee (DELAC)

District Indian Education Parent Advisory Committee (IPAC)

School and District level School Assessment Review Team (SART)

Intercultural and Diversity Advisory Council (IDAC)

Local Control Accountability Plan Public Forums (LCAP)

We encourage all parents and guardians to become involved with their child’s education at the classroom level, the school-wide level, as well as the district level. Each school’s School Plan for Student Achievement (SPSA) describes the school’s basic educational program and the categorical supplementary programs/services that are designed to support student achievement. Parental involvement is a necessary and vital part of developing the SPSA as well as our overall program. At the district level, parent committees provide input into each of the site’s SPSA. If you would like additional information on any of the District Parent Councils or Committees, please call your child’s school. The Principal, Learning Director, or Guidance Instructional Specialist (GIS) would be happy to assist you.

Listed below are several parent committees that assist with categorical programs and funding.

School Site Council (SSC): All schools that operate a categorical program funded through the consolidated application (ConApp) shall establish a school site council (SSC). The SSC shall develop the content of the SPSA. The SPSA shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the ConApp and the local control and accountability plan (LCAP), if any, by the SSC. The SSC is composed of parents, students at the secondary level and school personnel. It is responsible for developing, implementing and evaluating the School Plan for Student Achievement programs. Members serve for two years and are elected by their peers.

District Advisory Committee (DAC) & School Advisory Committee (SAC): The entirety of the SSC acts as the SAC. The SAC serves as an advisory committee for the purpose of advising schools regarding supplemental education programs and acting as a liaison for their school community. They serve to share information and comments both at the district and site level. These education programs are supplemental education opportunities that provide services to students who are disadvantaged, English learners, foster youth and/or at-risk. The SSC has approved to designate our SSC pursuant to California Education Code (EC) Section 52852 to function as the School Advisory Committee.

English Learner Advisory Committee (ELAC): All schools enrolling 21 or more English learners are required to form an ELAC. The ELAC is composed of parents and school personnel. The ELAC advises the principal, staff and SSC regarding services for English learners and assists in the development of the annual survey. Members serve for two years. Each ELAC shall have the opportunity to elect at least one member to the District English Learner Advisory Committee (DELAC).

District English Learner Advisory Committee (DELAC): Whenever there are 51 or more EL students in the district, there shall be a functioning District English Learner Advisory Committee (DELAC). It is important that each school site ELAC elect a DELAC representative and arrange to have that representative attend every DELAC meeting. Currently the DELAC bylaws require each DELAC representative to be 1) a parent/guardian of an EL or former EL (i.e., a reclassified fluent English proficient student) currently enrolled at the site he/she represents, and 2) elected to serve as the DELAC representative by the site's ELAC.

District Indian Education Parent Advisory Committee (IPAC): The CUSD Native American Indian Education Parent Advisory Committee meets four times a year to discuss program issues, services provided, and other needs related to the student achievement of our students, community agencies and outreach programs. CUSD Indian Education Program addresses the needs of American Indian and Alaskan Native students in grades K - 12. The program assists eligible students to achieve at the same challenging state performance standards expected of all students in grades pre-K -12.

Local Control Accountability Plan (LCAP) Forums: CUSD develops an LCAP annually that works to better align the academic plan with the district expenditure plan that is approved by our CUSD Governing Board each June. Parents and other stakeholder groups are invited to participate in the development of the LCAP through participation of school and district committee meetings and community forums. LCAP School, District Meetings and Community Forums are exciting opportunities for all stakeholders and school committees to engage with the District and share their ideas on how CUSD can provide quality opportunities and support for CUSD youth and schools. Community participation and feedback in the forums will inform the District's LCAP's funding priorities over the next several years.

These forums are designed to provide an opportunity for school communities to hear about CUSD's current efforts to support youth and families and to provide input and feedback on future plans and opportunities. Sites also have an opportunity to work together in teams to share new ideas to support identified groups and to plan for site engagement and implementation.

The following is an overview of the categorical funding and programs in CUSD. These funds are further discussed and outlined in each school's SPSA and at the committee meetings.

Rationale

General District funds provide support for the District's base/core curriculum program. Some children have special characteristics, not reflective of the general school population, that affect their success in the base/core programs. Some come from economically disadvantaged homes; some are educationally disadvantaged or lack English language proficiency because they have a primary language other than English. Children, such as those described above, require supplemental services and materials not generally provided through the base/core curriculum program. The needs of our children are identified, and supplemental services and materials are planned and targeted to meet their special needs. Categorical funds are to be used to provide the financial support to meet these special needs.

Philosophy

All CUSD schools offer students with special needs the same kinds of high-quality learning opportunities and access to the core curriculum in all curricular areas. Categorical funds are designed to support additional assistance to help students succeed in the regular classroom program (base/core curriculum) and address any learning gaps. The focus is on the effective utilization of supplementary materials, personnel, and staff development. Staff development activities are used to improve instructional practices and strategies to increase the ability of teachers and other staff to challenge and assist all students to reach their fullest potential.

Categorical Program Descriptions

1. After School Safety and Education Funds (ASES): This state-administered funded program is a result of the voter approved Proposition 49; provides three-year grant funding for afterschool programs that align with the core instructional day and have the following components: educational and literacy element (tutoring/ homework assistance); educational enrichment element (Additional program/activities that reinforce what is learned in the core instructional day); and provide a nutritious snack or meal that conforms to California State Education Code requirements. The purpose of the ASES Program is to create additional educational and recreational opportunities for students within the learning community while providing a safe environment for students. The goals of this program are to: 1) improve academic achievement, and 2) provide enrichment opportunities that reinforce and complement the academic program.
2. Title I, Part A (Improving Academic Achievement): A federal-funded program to provide high-quality opportunities for students in high-poverty schools to meet district and state content and performance standards.
3. Title I, Part A, Title X, Part C, Education for Homeless Children and Youths: Title I, Part A funds provide comparable services to homeless children that assist them to effectively take advantage of educational opportunities as provided to children in schools funded under Title I, Part A. These comparable services shall be provided to homeless children in public and private schools, shelters and other locations where children may live, institutions for neglected children and, where appropriate, local institutions such as local community day school programs.
4. Title II, Part A (Preparing, Training and Recruiting High Quality Teachers and Principals): A federal-funded program focused on teacher and principal training and recruitment programs.
5. Title III (Language Instruction for English Learners (ELs) and Immigrants): A federal-funded program focused on assisting school districts in teaching English to limited English proficient students (English learners) and immigrants and helping these students meet the same challenging State standards required of all other students.
6. Title VI (Indian Education Formula Grant): A federal-funded program focused on helping Native American/Alaskan Native students meet the same challenging state standards required of all other students.

The goal of the CUSD staff is to create and maintain the best educational environment possible. This can be accomplished with your support and input. If you have any questions, concerns, or would like to become more involved in the educational process at your school, please contact your school principal. Your school can assist you in learning more about categorical programs. You may want to become involved in your school's School Site Council (SSC), English Learner Advisory Committee (ELAC) and/or attend the Annual Title I Parent Meeting. During the fall, each school will send you additional information about these activities. At the district level, we encourage you to become involved with our DELAC. We encourage and look forward to your involvement in the programs we offer our learning community. If you have any questions, please call your child's school.

Teacher and Administrative Salaries (Fiscal Year 2018-2019)

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$42,141	\$50,029
Mid-Range Teacher Salary	\$66,716	\$77,680
Highest Teacher Salary	\$90,631	\$102,143
Average Principal Salary (Elementary)	\$113,110	\$128,526
Average Principal Salary (Middle)	\$117,001	\$133,574
Average Principal Salary (High)	\$128,462	\$147,006
Superintendent Salary	\$230,000	\$284,736
Percent of Budget for Teacher Salaries	34.0	33.0
Percent of Budget for Administrative Salaries	5.0	5.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits web page at <https://www.cde.ca.gov/ds/fd/cs/>.

Advanced Placement (AP) Courses (School Year 2019-2020)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science		N/A
English	3	N/A
Fine and Performing Arts		N/A
Foreign Language		N/A
Mathematics	2	N/A
Science		N/A
Social Science	7	N/A
All courses	12	3.5

*Where there are student course enrollments of at least one student.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	5 days	5 days	5

COS ensures staff members are involved in ongoing professional development by building professional learning communities (PLCs) at the school site that reinforce student growth. Teachers are mandated and encouraged to share good teaching practices within school and room teams. For consistent continuity of the school, a leadership team member leads each room. Teachers attend a two-hour PLC meeting weekly led by administration, teachers, tech and curriculum experts to share information and keep up with the best teaching practices in online learning. In addition, teachers work with fellow colleagues on a daily basis on what is working and what is not working. Weekly PLC and leadership team meetings are used for discussion of curriculum, data analysis, best practices, student needs and professional growth among staff. These meetings are instrumental in the evaluation of the school's single plan for student achievement and SLOs. COS will need to continue to work with the online management system curriculum by learning new developed curriculum and mechanics for best student-teacher practices, as well as working with the editing process as needed with our course-management system. In addition to site professional development opportunities, COS teachers will be required to attend districtwide professional-development opportunities so that they can stay up-to-date with district-wide initiatives, such as Common Core State Standards. These opportunities are great for our teachers to work with fellow colleagues at comprehensive sites and other alternative education sites on best practices. These opportunities are calendared, and the staff is aware of these dates.

The staff has every opportunity to attend other online or charter-type schools. They are given release time from the district. Teachers who take advantage of this type of professional development are then required to come back and share what they have learned. This is a great teaching opportunity for all staff.

The district focused all professional development activities around five identified needs: first time best instruction, mastery learning, multi-tiered system of supports, implementation of the California Content Standards and NGSS Standards, and cultural relevant understanding. In the 2018-19 school year, the district dedicated five professional development days for certificated staff. Teachers were offered professional development opportunities on staff development days, substitute release days, and on early release days. A variety of after-school workshops were also offered throughout the school year. One hundred mentors and one hundred and thirty-five participating teachers received ongoing professional development and classroom coaching through the CUSD Induction program. In addition, all certificated teachers participated in site-based training and district sponsored training that included: curriculum training, utilization of AVID strategies, Visible Learning, multi-tiered systems of support, and culturally relevant instructional practices.
