<p>After School Education and Safety Program (ASES). Mary Vang gave a presentation on ASES. The program provides safe and educationally enriching alternatives for students from K-6 during non-school hours. The ASES Program consists of three components: Academic Assistance, Healthy Fitness and Enrichment. Parents can contact the school ASES’s Coordinator for more information.</p>	
<p>Chuck Sandoval and Dr. Gregory Lomack’s presentation focused on Career Technical Education (CTE). CTE provides an alternative approach that works to help students become college and career ready. In CTE courses, students experience a mixture of classroom instruction along with hands-on learning and industry partnership experiences. Parents and students need to meet with the student’s counselor to set goals and sign up for classes next year.</p>	<p>Presentation – Career Technical Education (CTE)</p>
