School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Principal's Message

Welcome to Fancher Creek Elementary School, home of the Falcons!

Our annual School Accountability Report Card (SARC) allows us to paint a picture of our special school. What we hope emerges is a picture of a school with a commitment to excellence; a faculty that is professionally skilled and personally committed to meeting the learning needs of all students; and a student body that, as a whole, is well-disciplined, motivated, has a great amount of pride and works as a family. All of us see the relationship between school and home to be a key indicator of student success, and we strive to build strong relationships to provide a seamless system of support for our students. Our school staff welcomes parent and community participation through a variety of ways. Parents are welcome to visit or work in the classroom and are strongly encouraged to take part in their child's education.

As a school, we continue to align our resources and funds to ensure all students have the opportunity to master their grade-level standards. Students are at the center of everything we do at Fancher Creek, and the dedication and tireless efforts of our staff has resulted in increased student achievement. The work of our staff combined with the support of our parents and determination of our students has reaped many rewards. In the past four years, Fancher Creek has earned the California State Distinguished School Award TWICE (2018 & 2020), California Gold Ribbon School Award (2016), Title I Academic Achievement Award (2016), and made the Campaign for Business and Education Excellence (CBEE) Honor Roll (2016, 2018, 2019). This is a remarkable feat and a reflection of the great student, staff, and parents at Fancher Creek Elementary School.

While the SARC serves as a vehicle of communication, providing practical information relative to the educational programs at Fancher Creek, we encourage our community to participate in our parent meetings and school events to be an active participant in the educational process. Four major forums are used throughout the school year to gather input and feedback as well as communicate school news. They are the quarterly parent School Assessment Review Team (SART) meetings, English Learner Advisory Committee (ELAC) meetings, the School Site Council (SSC), and the monthly Parent-Teacher Club (PTC) meetings. We encourage all parents to utilize these forums and to communicate directly with the school at (559) 327-6700.

Sincerely,
Erin Parker
Principal

School Mission Statement

Fancher Creek Elementary School’s mission is to maximize all students’ potential by providing opportunities that ensure intellectual and emotional growth, resulting in productive citizens and persons of character.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: October 14, 2020

Clovis Unified School District sets a high priority upon ensuring there are sufficient textbooks and materials to support the district's instructional program. CUSD Board Policy Number 3301 establishes criteria and procedures for the adoption of all textbooks. All K-8 textbooks purchased have been approved by the State Board of Education and adopted by the Clovis Unified Governing Board. Textbooks and instructional materials purchased for grades 9-12 are aligned to the state content standards and adopted by the Clovis Unified Governing Board.

The Department of Supplemental Services continues to support the school sites with funding that allows for the purchase of supplementary instructional material for our students, including English learners in grades K-12. The supplemental material is designed to accelerate pupils as rapidly as possible toward grade-level proficiency in the core subjects of English-language arts, math, social science and science. These supplemental materials are used in addition to the basic reading/language arts and other core materials provided for every student and are correlated to state content standards.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Benchmark Education Company 2017 A Legacy of Literacy, Houghton Mifflin 2003 California Collections, Houghton Mifflin 2017	Yes	0%

School Facility Conditions and Planned Improvements

In order to maintain our facilities in top condition, CUSD has utilized the services from a third party to perform the 2020-2021 Williams inspection utilizing the Facilities Inspection Tool (FIT). This will allow CUSD to obtain an objective evaluation of our facilities in order to continue to maintain the safest and best facilities for students and staff.

For all items inspected that were found to not be in "good repair," a work-order has been created and maintenance will be done before the end of the 2020-2021 school year. Maintenance items will be prioritized so that student safety is not compromised.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 9/29/2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	R-4: Ceiling Tile Is Cracked At Light Sensor
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	55	N/A	59	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

The community and parental support and involvement are critical factors that influence the success or failure of any school. The school SART committee meets on a quarterly basis and provides a forum for school personnel and a team of parents to meet and discuss items related to the effectiveness of the school’s programs and operation. Parents can also become members of the Parent-Teacher Club (PTC), English Learner Advisory Committee (ELAC), School Site Council (SSC) and the Intercultural and Diversity Advisory Council (IDAC). Fancher Creek maintains active communication with the community. Weekly newsletters, flyers and calendars are sent home, posted on our school website and emailed to parents. Written communication is translated in Spanish and Punjabi for non-English-speaking parents. Our school also has a number of people on campus to provide oral translation in Spanish, Hmong, and Punjabi.

In addition to organized parent groups and regular communication to stay informed, parents and families are invited to campus regularly to participate actively in the educational process. Fancher Creek is proud of their family events, such as Back-To-School Night, Quarterly Family Nights, Winter Holiday Programs, Multicultural Showcase, Open House, Falcon Carnival, Spring Concert, & Year-End Celebration, that are warmly embrace by our families and school community. We feel fortunate to host events that bring our families and school staff together to form close relationships in settings outside the classroom.

Parents interested in being a part of any of these groups or events are encouraged to contact our school office (327-6700) for more information.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	3.2	4.0	3.9	3.7	3.5	3.5
Expulsions	0.1	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	2.3	2.6	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Fancher Creek provides a safe, secure environment for learning, as measured by the annual SART survey. On the 2019-2020 survey, 98 percent of the Fancher Creek parents rated the overall quality of the school as “good” to “excellent.” We have a school safety plan and School Crisis Intervention Plan on file and each staff member is trained on all procedures. The staff develops both plans with input from parents and community members to ensure a safe and nonviolent environment. Specific areas of focus coupled with appropriate proactive safety strategies are featured in our school plan. Key elements of the plan include monthly safety drills and crisis intervention plans. The school plans are reviewed and updated annually. The most recent review was held in November 2020.

In current times, our school campus is not as accessible to parents and visitors as a typical school year. Every effort is being made to follow district, county, and state guidelines for health and safety as we begin to re-open our campus to students. From regular disinfection and handwashing to personal protective equipment and physical distancing, Fancher Creek staff are committed to creating and maintaining a safe school environment. Parents are informed of the policies and procedures through pictures and videos to best prepare students for the return to campus that looks very different than typical school years. Together, parents and staff ensure all of our students are safe by conducting their health screenings each day and following procedures for illness. By establishing procedures that transition from home to school and back home again, our students' and staff's healthy and safety is preserved.

Types of Services Funded (Fiscal Year 2019-2020)

“Children Are Our Most Precious Resource”

On an annual basis, Clovis Unified School District (CUSD) submits our funding Application through the Consolidated Application and Reporting System commonly called the ConApp. The application is submitted in two (2) parts: Part I, which contains program and demographic information, submitted by June 30th each year; and Part II, which contains budget information and program data submitted by January 31 each year. The categorical programs included in the application are Title I, Part A - Improving Academic Achievement. Title II, Part A - Supporting Effective Instruction and Title III - English Learner (EL), and Immigrant Programs and Title IV, Part A - Student Support and Academic Enrichment. Essentially, these funds are designed to assist students in mastering state standards.

Clovis Unified Schools are committed to establishing a true partnership with all facets of the Clovis Learning Community. CUSD values feedback and input. Parents continue to make positive differences in the lives of the children we all support. We know from research that participation in your child’s education will not only bring success to your child but other children in the school. Our parents truly make a difference in the lives of Clovis kids!

CUSD is pleased and proud to offer a variety of parent involvement opportunities that improve our overall program. Depending on the type of categorical funding a site may receive, district or school parent councils and committees are required under certain requirements and guidelines. Such advisory committees in the CUSD include:

- School Site Council (SSC)
- English Learner Advisory Committee (ELAC)
- District Advisory Committee (DAC) and School Advisory Committee (SAC)
- District English Learner Advisory Committee (DELAC)
- District Indian Education Parent Advisory Committee (IPAC)
- School and District level School Assessment Review Team (SART)
- Intercultural and Diversity Advisory Council (IDAC)
- Local Control Accountability Plan Public Forums (LCAP)

We encourage all parents and guardians to become involved with their child’s education at the classroom level, the school-wide level, as well as the district level. Each school’s School Plan for Student Achievement (SPSA) describes the school’s basic educational program and the categorical supplementary programs/services that are designed to support student achievement. Parental involvement is a necessary and vital part of developing the SPSA as well as our overall program. At the district level, parent committees provide input into each of the site’s SPSA. If you would like additional information on any of the District Parent Councils or Committees, please call your child’s school. The Principal, Learning Director, or Guidance Instructional Specialist (GIS) would be happy to assist you.

Listed below are several parent committees that assist with categorical programs and funding.

School Site Council (SSC): All schools that operate a categorical program funded through the consolidated application (ConApp) shall establish a school site council (SSC). The SSC shall develop the content of the SPSA. The SPSA shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the ConApp and the local control and accountability plan (LCAP), if any, by the SSC. The SSC is composed of parents, students at the secondary level and school personnel. It is responsible for developing, implementing and evaluating the School Plan for Student Achievement programs. Members serve for two years and are elected by their peers.

District Advisory Committee (DAC) & School Advisory Committee (SAC): The entirety of the SSC acts as the SAC. The SAC serves as an advisory committee for the purpose of advising schools regarding supplemental education programs and acting as a liaison for their school community. They serve to share information and comments both at the district and site level. These education programs are supplemental education opportunities that provide services to students who are disadvantaged, English learners, foster youth and/or at-risk. The SSC has approved to designate our SSC pursuant to California Education Code (EC) Section 52852 to function as the School Advisory Committee.

English Learner Advisory Committee (ELAC): All schools enrolling 21 or more English learners are required to form an ELAC. The ELAC is composed of parents and school personnel. The ELAC advises the principal, staff and SSC regarding services for English learners and assists in the development of the annual survey. Members serve for two years. Each ELAC shall have the opportunity to elect at least one member to the District English Learner Advisory Committee (DELAC).

District English Learner Advisory Committee (DELAC): Whenever there are 51 or more EL students in the district, there shall be a functioning District English Learner Advisory Committee (DELAC). It is important that each school site ELAC elect a DELAC representative and arrange to have that representative attend every DELAC meeting. Currently the DELAC bylaws require each DELAC representative to be 1) a parent/guardian of an EL or former EL (i.e., a reclassified fluent English proficient student) currently enrolled at the site he/she represents, and 2) elected to serve as the DELAC representative by the site's ELAC.

District Indian Education Parent Advisory Committee (IPAC): The CUSD Native American Indian Education Parent Advisory Committee meets four times a year to discuss program issues, services provided, and other needs related to the student achievement of our students, community agencies and outreach programs. CUSD Indian Education Program addresses the needs of American Indian and Alaskan Native students in grades K - 12. The program assists eligible students to achieve at the same challenging state performance standards expected of all students in grades pre-K -12.

Local Control Accountability Plan (LCAP) Forums: CUSD develops an LCAP annually that works to better align the academic plan with the district expenditure plan that is approved by our CUSD Governing Board each June. Parents and other stakeholder groups are invited to participate in the development of the LCAP through participation of school and district committee meetings and community forums. LCAP School, District Meetings and Community Forums are exciting opportunities for all stakeholders and school committees to engage with the District and share their ideas on how CUSD can provide quality opportunities and support for CUSD youth and schools. Community participation and feedback in the forums will inform the District's LCAP's funding priorities over the next several years.

These forums are designed to provide an opportunity for school communities to hear about CUSD's current efforts to support youth and families and to provide input and feedback on future plans and opportunities. Sites also have an opportunity to work together in teams to share new ideas to support identified groups and to plan for site engagement and implementation.

The following is an overview of the categorical funding and programs in CUSD. These funds are further discussed and outlined in each school's SPSA and at the committee meetings.

Rationale

General District funds provide support for the District's base/core curriculum program. Some children have special characteristics, not reflective of the general school population, that affect their success in the base/core programs. Some come from economically disadvantaged homes; some are educationally disadvantaged or lack English language proficiency because they have a primary language other than English. Children, such as those described above, require supplemental services and materials not generally provided through the base/core curriculum program. The needs of our children are identified, and supplemental services and materials are planned and targeted to meet their special needs. Categorical funds are to be used to provide the financial support to meet these special needs.

Philosophy

All CUSD schools offer students with special needs the same kinds of high-quality learning opportunities and access to the core curriculum in all curricular areas. Categorical funds are designed to support additional assistance to help students succeed in the regular classroom program (base/core curriculum) and address any learning gaps. The focus is on the effective utilization of supplementary materials, personnel, and staff development. Staff development activities are used to improve instructional practices and strategies to increase the ability of teachers and other staff to challenge and assist all students to reach their fullest potential.

Categorical Program Descriptions

1. After School Safety and Education Funds (ASES): This state-administered funded program is a result of the voter approved Proposition 49; provides three-year grant funding for afterschool programs that align with the core instructional day and have the following components: educational and literacy element (tutoring/ homework assistance); educational enrichment element (Additional program/activities that reinforce what is learned in the core instructional day); and provide a nutritious snack or meal that conforms to California State Education Code requirements. The purpose of the ASES Program is to create additional educational and recreational opportunities for students within the learning community while providing a safe environment for students. The goals of this program are to: 1) improve academic achievement, and 2) provide enrichment opportunities that reinforce and complement the academic program.
2. Title I, Part A (Improving Academic Achievement): A federal-funded program to provide high-quality opportunities for students in high-poverty schools to meet district and state content and performance standards.
3. Title I, Part A, Title X, Part C, Education for Homeless Children and Youths: Title I, Part A funds provide comparable services to homeless children that assist them to effectively take advantage of educational opportunities as provided to children in schools funded under Title I, Part A. These comparable services shall be provided to homeless children in public and private schools, shelters and other locations where children may live, institutions for neglected children and, where appropriate, local institutions such as local community day school programs.
4. Title II, Part A (Preparing, Training and Recruiting High Quality Teachers and Principals): A federal-funded program focused on teacher and principal training and recruitment programs.
5. Title III (Language Instruction for English Learners (ELs) and Immigrants): A federal-funded program focused on assisting school districts in teaching English to limited English proficient students (English learners) and immigrants and helping these students meet the same challenging State standards required of all other students.
6. Title VI (Indian Education Formula Grant): A federal-funded program focused on helping Native American/Alaskan Native students meet the same challenging state standards required of all other students.

The goal of the CUSD staff is to create and maintain the best educational environment possible. This can be accomplished with your support and input. If you have any questions, concerns, or would like to become more involved in the educational process at your school, please contact your school principal. Your school can assist you in learning more about categorical programs. You may want to become involved in your school's School Site Council (SSC), English Learner Advisory Committee (ELAC) and/or attend the Annual Title I Parent Meeting. During the fall, each school will send you additional information about these activities. At the district level, we encourage you to become involved with our DELAC. We encourage and look forward to your involvement in the programs we offer our learning community. If you have any questions, please call your child's school.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	6 days	7 days	5

Ongoing professional development helps our staff hone our craft by learning new strategies and techniques to best serve our students. Keeping up to date on the latest educational research and best practices helps us grow as educators and allows us to respond appropriately to our students' needs. Four years ago, our team identified four core areas of need and dedicated ourselves to deepening our understanding and application of the skills and information each school year. We believe that going slow and plowing deep reaps big rewards. Rather than jumping to new topics each year, our focus on high leverage concepts continues to make us stronger educators. Our core areas of focus are Professional Learning Communities (PLC), Multi-Tiered System of Support (MTSS), Social-Emotional Support for Students, and Building Internal Coherence. As part of our Internal Coherence work, our staff is learning about justifying answers through written responses across the curriculum. We hope to refine that shared learning by developing a clear progression of justification skills from transitional kindergarten to sixth grade. During the 2020-2021 school year, our team will be applying our past learning to a new format, on-line learning with a continued focus on our four core areas of need. We firmly believe the continued success and measurable progress our students have made each year is evidence for no change to occur in our current practice.
