**The Clovis Unified Firefighting Technology  
program is part of the Public Services Pathway  
based at Clovis East High School. It offers a  
realistic opportunity to learn about and  
experience a career in the Fire Service.**

**Public Services  
Pathway**

**Emergency Response  
Firefighting Technology**

## Course Description:

Firefighting Technology 1 and 2 is reserved for Junior and Senior High School students. 11<sup>th</sup> grade students will be enrolled in Fire Tech 1, and 12<sup>th</sup> grade students will be enrolled in Fire Tech 2. Fire Tech 2 students who take the course for two consecutive years will have an enhanced leadership role within the class and will be expected to assist the instructor with a variety of tasks.

This pathway is intended to prepare students, both mentally and physically, to pursue a career in the Fire Service. The framework is designed around skills students will be required to demonstrate in an actual Firefighter 1 entry level fire academy. Passing this course does not automatically grant the student certification; however, it is intended to help prepare the student of the Firefighter 1 certification process. Students should be prepared to participate in rigorous physical activity and expect to be exposed to a variety of physically and emotionally challenging situations. As a critical component of this curriculum, this class will adopt an increased level of classroom structure and individual discipline.

## Pathway Courses:

**11<sup>th</sup> Grade: Firefighting Technology 1**  
*(Available to ALL CUSD High Schools) Bus transportation only provided to/from CHS.*

**12<sup>th</sup> Grade: Firefighting Technology 2**  
*(Available to ALL CUSD High Schools) Bus transportation only provided to/from CHS.*

*Note: All 11<sup>th</sup> grade students will be enrolled in Fire Tech 1, and all 12<sup>th</sup> grade students will be enrolled in Fire Tech 2. Returning or second year 12<sup>th</sup> grade students will have an enhanced leadership role in the class.*

## Location:

This pathway is offered at Clovis East. Bus transportation is provided between Clovis High and Clovis East only.
