

# LTE Mobile K5 Hotspot

Provided by Clovis Unified School District

The network's name (**SSID**) and password (**PW**) are located on the back of the hotspot.

## On the Hotspot

## Turn on the Hotspot

(Left side of hotspot)

Hold the power button for 3 seconds and wait 2 mins until the WiFi is solid

## On the Laptop

- Select wireless network 
- Select **SSID** (LTE...) and Connect
- Enter **Password** provided
- Select Next
