

Trust CalSTRS, not impersonators

Only CalSTRS employees can provide you with accurate information regarding your CalSTRS Defined Benefit and Pension2® accounts. We've developed a checklist for you to use to ensure the person you're speaking with is a CalSTRS employee.

CalSTRS authorized representatives:

- Have an email address ending in @CalSTRS.com.
- Can provide a CalSTRS ID badge or business card.
- Do not provide refreshments at offsite events.
- Will never meet at your home.
- Do not sell insurance products.
- Have access to your CalSTRS or Pension2 account information.

Some Voya Financial representatives work exclusively with Pension2. Their names and photos are listed at **CalSTRS.com/trust-CalSTRS**.

Did you schedule an appointment or already met with someone you think may not be a CalSTRS representative? To verify, contact us at 888-394-2060 or RepCheck@CalSTRS.com.
