An instructional coach is...

- An instructional model
- A leader of professional learning
- A provider of classroom-based feedback, coaching, and support
- A data leader
- A strong strategic thinker

An instructional coach is not ...

- An additional administrator
- A testing coordinator
- A lunch-duty person
- A substitute
- A behavior or academic interventionist

"A single conversation can help You feel heard and Seen,

Breathe life into your existence and show you aren't alone"

-Jim Knight
