

# CUSD Laptop Camp

- A four-day, 10-hour introduction to using a laptop computer
- Designed for students going into grades 6-8
- Participants will use their own laptop computers or request a loaner laptop (checkbox below)
- Students get hands on practice using Microsoft Office 365 Applications, GSuite (Google for Education) Applications, and numerous web-based tools
- Teachers will instruct students in the basic skills needed to use their laptop computers in their classes
