“The **willingness** to sacrifice personal considerations for the welfare of all.”

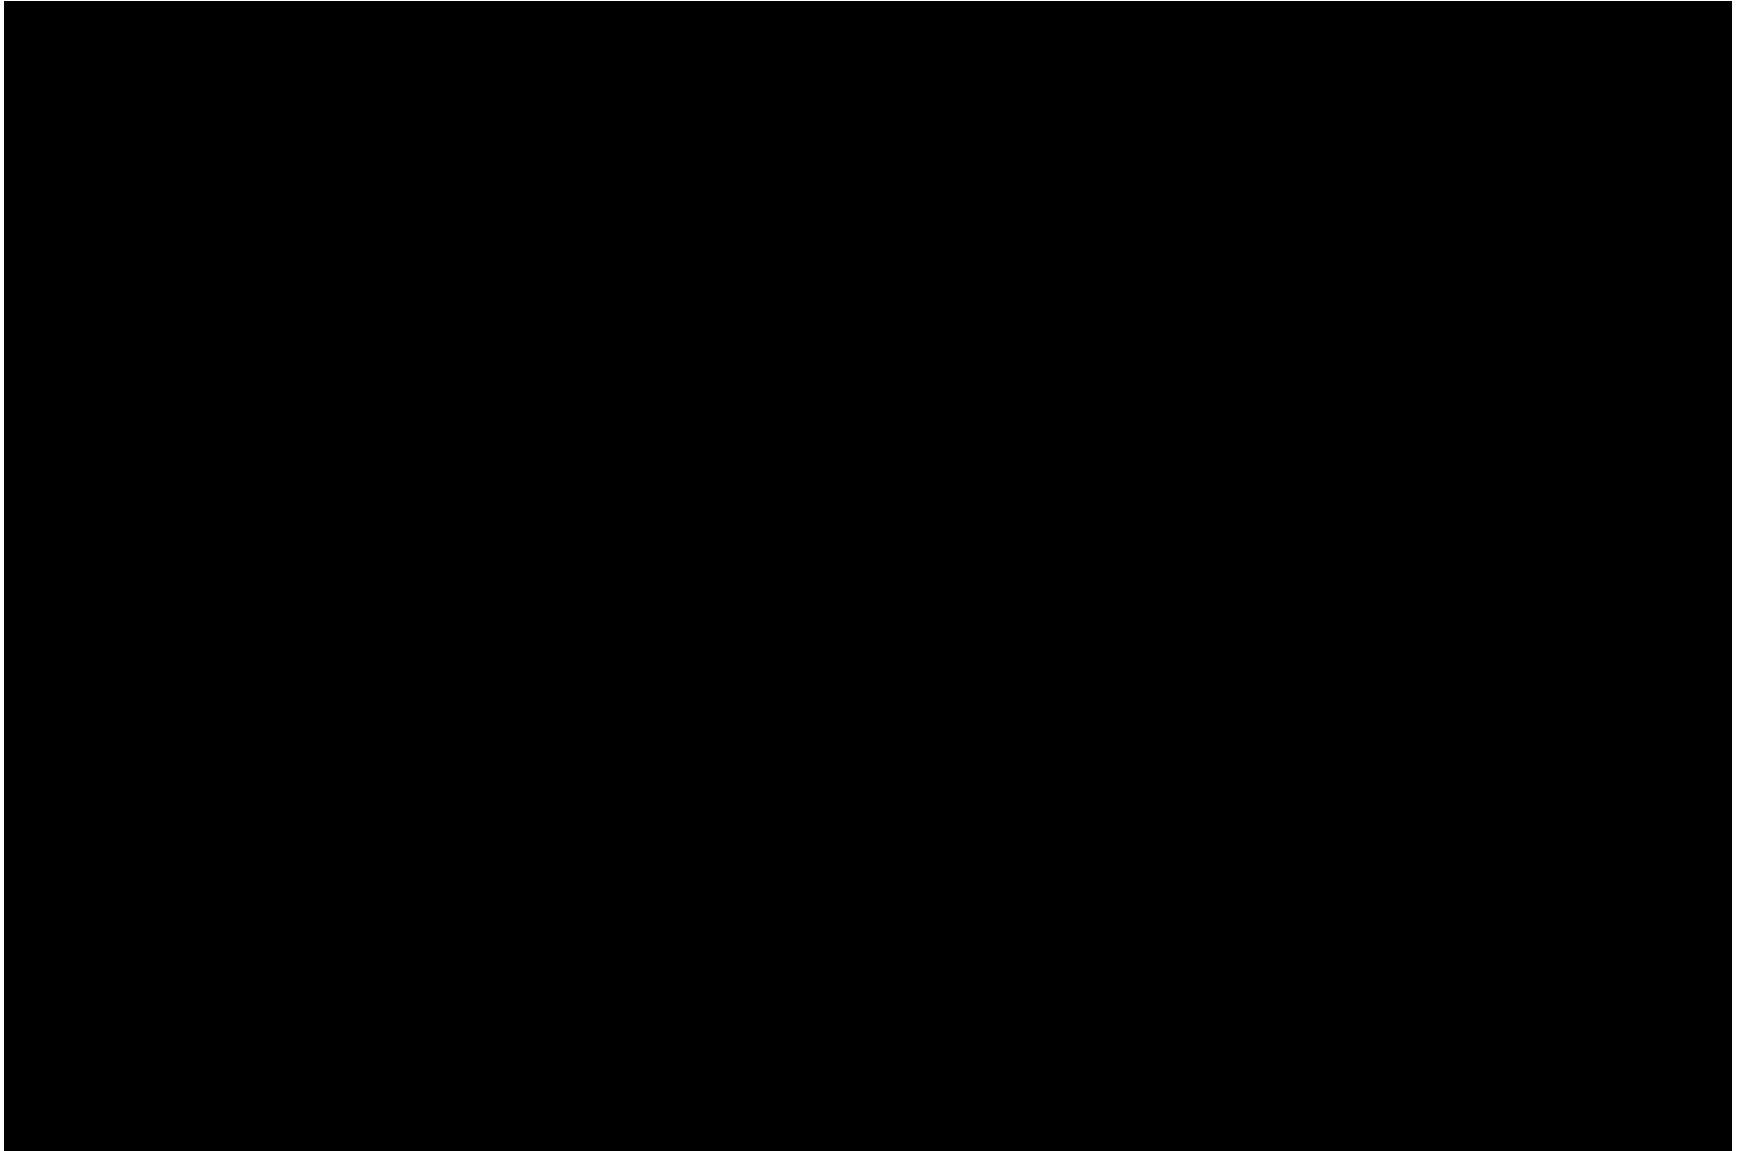

“The **eagerness** to sacrifice personal considerations for the welfare of all.”

Why is Teamwork important?

- At your table discuss why promoting teamwork within your team is important and critical to achieving your goals and maximizing effectiveness and efficiency (5 minutes)

Who do you play for?

Discussion, reflection, application

- What did the coach do to get them to internalize the goals of the team and realize they were playing for “USA” and not a bunch of All-Stars playing for individual glory?
- Think about not only your team’s mission and goals, but alignment with CUSD’s mission and goals.
- What are strategies you would use with your team to promote our definition of teamwork and willingness to sacrifice personal needs and goals for the goals of the team?

Best strategies

- At your table discuss strategies you can use as the leader to promote teamwork.
- Prioritize and choose the three best strategies you discussed to promote teamwork. (15 minutes)
- Be ready to report out.

Summary

- USA Coach motivated them to believe in a vision that they could win the gold and promote their sport in America
- Team has to believe in you before they will believe your vision.
- Walk the talk.....goals of team always above individuals.....**especially the leader**.....provide examples everyday
