

February, 2023

Dear Parent/Guardian:

Children entering the first grade are **required** to have a Child Health and Disability Prevention (CHDP) physical examination within 18 months prior to entering first grade. Many children registering for Kindergarten receive a physical examination prior to entering school.

Any physical your child receives between March 2023 through August 2024 will meet this requirement. If your child does have a physical done during this time period, please have your physician complete the enclosed "REPORT OF HEALTH EXAMINATION FOR SCHOOL ENTRY" (PM171A) and submit the form to the school your child attends.

If you do not have a regular healthcare provider, you can contact our CUSD Children's Health Center listed below for a nurse practitioner to perform the examination.

CHDP physicals are done **by appointment only** - Please call (559) 327-7976.
