

Youth-Driven Change: High School Peer Leaders Speak on their Experiences

Wednesday, February 7, 3:00-4:30 pm

Discover the untapped power of youth peer-to-peer support in schools! Join this youth-led webinar where we'll showcase three exceptional high school peer counseling programs that not only enhance student well-being but also foster youth leadership, self-esteem, and agency.

Immerse yourself in the inspiring stories and valuable insights shared by high school students who lead as peer counselors in their communities. Supported by well-designed peer programs and dedicated adult allies, these students play a crucial role in shaping a culture of support and healing within their schools.

Don't miss this unique opportunity to gain firsthand inspiration from the voices driving positive change in schools!

Presenters: Peer Counselors from Clovis West High School, Clovis High School, Pomona High School, and Antioch High School

Moderator: Yetzi Garcia-Martinez, CSHA Youth Board Member
