

Looking for a smart way to save more for your future?

Your CalSTRS retirement benefit is a smart start but most likely you'll need additional savings to meet your retirement income goal.

Pension2, CalSTRS' supplemental savings program, offers low-cost 403(b), 457(b), Roth 403(b) and Roth 457(b) plans to help you close any gap between your benefit and your goal.

In the Pension2 Workshop, you'll:

- ▶ Learn how much of your retirement income will come from your CalSTRS monthly benefit.
- ▶ Determine the gap between your CalSTRS benefit and your retirement income goal.
- ▶ See why it pays to start a 403(b) or 457(b) account sooner rather than later.
- ▶ Learn how Pension2's Easy Choice Portfolios can simplify your investing decisions.

You're also encouraged to bring your questions.
