

## HOW TO ADD READ & WRITE EXTENSION

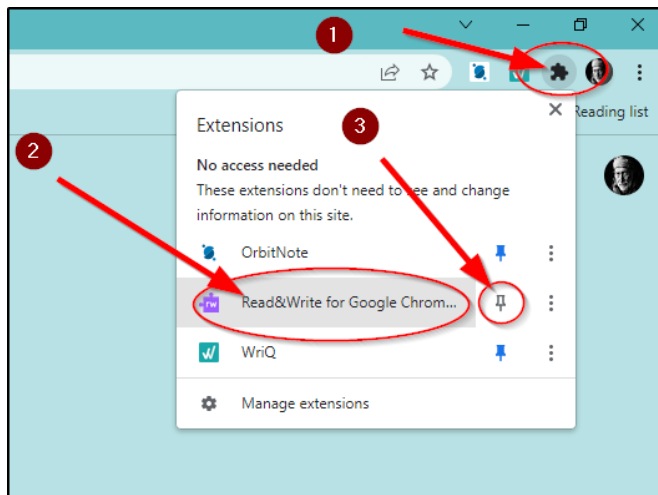

- Follow the same steps for adding Screenshot Reader and OrbitNote extensions

\*\*If using a Chromebook, skip to step 3 ...

1. Open Google Chrome
2. Make sure you're logged into Google account (make sure photo/initial is on tab)
3. Search on Google: "Read & Write Google Chrome extension"
4. Click the first link to navigate to Google Chrome web store
5. Select the Add to Chrome button
6. Select the Add extension button in the pop-up window near the Chrome address bar.

7. Click on puzzle piece icon in the top right corner
8. Select pin icon next to "Read & Write"

9. To open, click on the Read&Write icon (a purple puzzle piece ) in the top right corner of Chrome.

\*Make sure you open up a new web page to start using the tool

10. A Read & Write sign-in dialog box will appear. Select "Sign in with Google" and "Allow"
11. Read & Write toolbar should appear

Note: The toolbar must be opened any time you navigate to a new page or new tab is opened.
