Administrator(s)	<ul style="list-style-type: none">*Triad of Support Conversation with Jeremy Pierro, LD*Discussed where and which teacher to observe for peer observation*Talked about completing the ILP*Looked at Coaching Indicators document as it relates to Formal Observation
/	<p>Ashley and I reviewed the Pacing Guide to make sure we're on track. We reviewed her ILP and made a couple of adjustments. We looked at the Coaching Indicators to determine which to focus on during her formal observation. We scheduled a Peer Observation at CEHS and I emailed the teacher to verify the date and time. Ashley asked about the funding code for our subs. She emailed Phil for more info. We opened the Focused Teacher Observation tool so that Ashley had an idea of what needs to be done for the Peer Observation. We scheduled our next meeting for 9/29.</p>

/	<p>Revised Individual Learning Plan to complete Details section, as per Induction Portfolio Review.</p> <p>Discussed our upcoming Peer Observation at CEHS. Discussed Formal Observation lesson in relation to Coaching Indicators.</p> <p>Ashley emailed Phil re: ECO application as Pacing Guides are different. Began Pre-Instruction Student Data Analysis by aggregating weekly data on student engagement (Analyzing Student Learning). Discussed beginning research on techniques to engage Emotional and/or Behavioral Disorder students.</p>
/	<p>Discussed Peer Observation scheduled for 10/11/21 as far as what Ashley wants to target and look for while we're at Clovis East.</p> <p>We discussed the Formal Observation lesson plan and how the Coaching Indicators will be observed and recorded.</p>
Other	<p>Peer observation at Clovis East High School (8:00-11:00) - Two students 1st period (Study Skills) working independently or playing on phone; one student slept entire period. No students in class second period (Math) due to absence or quarantine. Two students third period (ELA) working with an IA. Fourth period World History No instruction by the teacher the entire time we were observing. Pretty disappointing - and we feel like we wasted our time.</p>

/	<p>Mikala and I met to introduce ourselves and plan out our weekly meetings. We exchanged contact information and we talked briefly about our path to teaching. I went over our expectations (meet for one hour per week) and set up a schedule. I went over the first few assignments (CSTP Self-Assessment, Individual Learning Plan #1, and Class Profile).</p>
/	<p>Mikala and I discussed how she is doing this week. She shared that she has a particularly challenging EL class with a few students that speak very little English and she feels like she doesn't have a lot of support. Based on her latest experience, Mikala chose CSTP 3.6 so that she can focus on building her skills to support EL students. We discussed her CSTP Self-Assessment and discussed what she should be working on in the next week or so (Class Profile and ILP #1). We also talked about reaching out to the ELD teacher as well as the students other teachers to see what strategies they are using to reach these students who don't speak English.</p>

Due to schedule constraints, Mikala and I emailed back and forth. See my email to Mikala:

Hi, Mikala! Thank you again for being so flexible this week! It sounds like your schedule is just as crazy as mine is!

Here is the agenda I created for this week and there are quite a bit of moving parts. However, it will be just fine if we go over most of it next week. We do have a few items that need to be addressed sooner rather than later though

/

/	<p>Mikala and I caught up on her missing tasks (Class Profile and ILP#1). Mikala and I worked through her first ILP during our meeting. We reviewed her CSTP goal and worked hard to write a SMART goal. I confirmed that Mikala was planning on using her long prep period tomorrow to finish up her Class Profile.</p> <p>Then, we went over the upcoming tasks - Triad of Support, Informal Observation #1, and Analyzing Student Learning. We went over the expectations of each task and made a plan for moving forward with each.</p> <p>Finally, Mikala and I talked about how to support the students that she feels the most challenged by. We went over what she is currently doing and the strategies she has already used. I encouraged her and</p>
Administrator(s)	<p>Mikala and I met with her LD, Andrew Manoulian, to complete her Triad of Support. Mikala asked her LD various questions pertaining to her site to better understand her campus.</p>
/	<p>I observed Mikala's 4th period class at CE and then we met during her lunch to discuss how the lesson went.</p>

/	Mikala and I went over what should get done by end of October and early December. Then, we spent most of our time going over Analyzing Student Learning together. Mikala will enter her students in the class and record their level of performance.
/	Mikala and I briefly went over what she should do to update her ILP.
/	Mikala and I met and went over the rest of her Analyzing Student Learning and ILP Mid-Year Review. We then went over our next tasks and looked at the tools Focused Teacher Observation and Observation Cycle. We talked about how to help students who are out with COVID, too.
/	
/	
/	
/	
/	I joined Mikala at Clovis East to observe her colleague.

/	Mikala shared that she has to take the CTET and is really stressed about meeting her deadline. She talked to me about the resources she has and her plan, but she is really worried about being able to maintain all of her responsibilities. We talked about possible ways for me to support her while she studies for this exam.
/	
/	
/	Mikala and I emailed back and forth to set up our new schedule for the second semester
/	<ul style="list-style-type: none"> - reviewed ILP #2 - went over general expectations for this semester - made a plan for informal observation - began inquiry (wrote inquiry question)

/	<p>Sienna and I met to introduce ourselves and plan out our weekly meetings. We exchanged contact information and we talked briefly about our path to teaching. I went over our expectations (meet for one hour per week) and set up a schedule. I went over the first few assignments (CSTP Self-Assessment, Individual Learning Plan #1, and Class Profile).</p>

/	<p>Sienna and I discussed how her classes are going. She described an unpleasant interaction with a student and we discussed how she handled it and why she handled it that way. We also discussed how we were handling COVID quarantine protocols for students who are missing class. Sienna informed me that she completed her self-assessment and that she selected CSTP 5.5 to study in her first ILP. She shared why she selected that CSTP and shared her draft of her SMART goal. Sienna shared how she might go about achieving that goal and then I shared some ideas, too.</p>
/	<p>Sienna and I met for an hour today and reviewed her ILP and Class Profile. Sienna confirmed that her ILP and Class Profiles were finished and ready to turn in! We then discussed October's tasks and determined a best first guess as to how we will approach getting them done. Sienna shared her LD's name and we discussed options for completing the Triad of Support. We also discussed in depth the Informal Observation and Analyzing Student Data. Based on Sienna's lesson plans and progress, it seems like it makes more sense to complete Analyzing Student Data first before I observe her.</p>

/	Sienna and I began by going over her week and just checking in with each other. I talked about the progress toward setting up her Triad of Support. Then, we moved to discuss the Analyzing Student Learning tool and began to fill that out together. I typed while Sienna thought aloud. She will be uploading her rubric and creating a roster in order to complete the tool. We closed by discussing a date for when I would come for Informal Observation #1.
