School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Woods Elementary School	10621170108142	May 18, 2023	June 14, 2023

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

The purpose of the School Plan for Student Achievement is to provide a comprehensive document, including details of site planned actions and expenditures as they relate to the goals of Clovis Unified School District. The plan supports student outcomes and overall performance in connection with the District's Local Control and Accountability Plan and in alignment with the district goals supporting the expectations that all goals shall have objectives that are measurable, actionable, and develop monitoring metrics to assess progress that guides program evaluation and resource allocation.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

The following surveys are administered annually:

- *SART- School Assessment Review Team
- *Student body ELCAP survey
- *CUSD school climate assessment
- *English Learner needs assessment Survey
- *Native American Education Survey
- *Parent LCAP survey

The comprehensive response from students, parents, and teachers on last year's surveys about Woods is that it is a great school where academics, school safety and culture are priorities and strengths of the school. Student performance on iReady diagnostics, district diagnostics, iCAL, iCAM and CAASPP assessments are evidence of the emphasis Woods Elementary places on academic success. That said, one of the most common areas of feedback is that some students need intervention supports and either don't know how to find them or aren't receiving intervention for academic support. Therefore, we have responded with a plan for intervention that addresses the academic, social-emotional, and mental health needs of all of our students.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

As per CUSD Board Policy 6211 Clovis Unified Board Policy #4315 and ED CODE #44664 require that all certificated teachers are evaluated on a regular bases. Informal and formal classroom observations occur throughout the school year. Administrators from both the site level and the district level regularly communicate their findings with the classroom teacher. The findings are used to illustrate best practices that can be replicated in other classrooms across the site and district. Site administrators also use this as an opportunity for teachers to learn from one another by observing each other within the classroom setting. The observation process also allows site administrators to use corrective feedback, provide coaching and to provide additional supports in specific areas of growth opportunities based on each individual teachers needs.

Common findings for growth opportunities include:

- Behavior management
- Classroom management
- Articulation of Learning Objective
- Frequency of Checking for Understanding
- Differentiated Instruction
- Frequency of Academic Conversation

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

A variety of tools are used to measure and monitor academic progress at our site and within our school district. Assessments are designed to provide staff with data so that instruction can be modified to meet individual needs, to monitor student achievement and to assess the school's overall success. Some examples of the assessments that we utilize include:

- *SBAC
- *ELPAC
- *iReady
- *iCAL
- *iCAM
- *DRA

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Teachers use the data collected from these assessments to chart progress and design an appropriate instructional program for all students. Individualized or classroom specific materials can then be produced using to address the identified academic need. The data is analyzed in PLC's where it is then used to help guide further instruction.

In addition, all students who have not meet proficiency standards are carefully evaluated for academic deficiencies and may be recommended for additional support either through the alter/before school Extended Day labs; supplemental instruction provided by Push-In Teachers, Instructional Aide/Tutors, BIAs (Instructional Aide-Bilingual); or classroom interventions. Instruction is targeted to the identified need. The Principal and GIS/Resource Teacher support, train, and provide resources necessary to assist teachers in the process.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

Teachers who are appropriately credentialed have a deep understanding of the content they teach, have been trained in a variety of instructional strategies, and are in the best position to aid our students in reaching academic proficiency in their content areas.

All teachers on our campus hold an appropriate CTC credential, permit, or other document equivalent to that which a teacher in all other public schools would be required to hold. Those teachers that are in the status of seeking to complete their credentials (PIPS, STIPS and Interns) are in a program that will allow staff to meet the requirements needed in a timely manner. These staff members are supported by site and district administration for appropriate completion. An equivalent credential, permit, or other document would mean that the teacher has the appropriate authorization for their assignment.

All paraprofessionals whose duties include instructional support must meet the criteria as outlined in CUSD to be considered Highly Qualified to assist students.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers receive site and/or district professional development on curriculum, instruction, and assessment throughout the year.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

CUSD provides professional development for all school sites that are aligned with the needs of the schools, academic content standards, social emotional supports, and more. The district provided professional development for this school include--Tiered Writing Supports aligned to the Common Core writing standards, AVID training around WICOR that is utilized across content areas, Teaching Pyramid aligned to meet behavior needs in our primary classrooms, Science training aligned to NGSS, iReady training aligned with our district adopted curriculum and the Common Core standards in both math and reading.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Teachers have access to a variety of different sources of professional development both on and off-site. CUSD Teachers On Special Assignment (TOSA) provide professional learning sessions along with co-teaching opportunities and in-class coaching. Teachers on Special Assignment are experts in their specific content area and knowledgeable in the adopted curriculum. This is in addition to professional learning opportunities provided at our school site, through conferences, or at the district level. Additionally, new teachers are assigned mentor teachers (either site-based or district based) who are available to provide coaching, mentoring, and opportunities for our new teachers to observe more experienced teachers in action.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Grade level teams meet regularly in their professional learning communities (PLC's) to review student work samples, discuss and align curriculum to the state and district standards, evaluate where the students are performing and decide what their first-time best teaching and reteaching strategies should be. This time ensures that veteran and developing teachers are using the same evaluative procedures while assessing student work samples.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

The basic instructional program utilizes standards-aligned state adopted textbooks and/or instructional materials in the core four content areas: English Language Arts, Math, Social Science, and Science. Clovis Unified has adopted and approved a variety of materials that both align to the content standards, but that also meet the needs of our school sites and community. A full list of our adopted textbooks can be found on our school site's SARC found here:

<https://www.cusd.com/sarc.aspx>

In addition to the adopted textbooks and materials, CUSD utilizes Curriculum Design Teams (CDT) to produce additional materials that are standards aligned and support supplemental materials that have been purchased by school sites or the district.

Our English Learners (EL), Students with Disabilities (SWD), and students who move to an intervention program continue to receive core instruction while using the adopted instructional materials but are also provided with additional instruction using research-based materials that are aligned with the common core state standards, or in the case of our EL students aligned to the California ELD standards.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

The administration and teachers have worked collaboratively to create a daily schedule that ensures our students receive the recommended instructional minutes in all content areas.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

Long-term and short-term pacing guides are created by each grade-level team based on the district's assessment calendar. These pacing guides outline the lessons for major content areas on a weekly basis and are modified throughout the year based on student needs. Sites develop intervention schedules based on data collected and analyzed in PLC's to determine an intervention calendar to meet the needs of students in tier 2 and Tier 3.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

The Williams Act requires all schools to have adopted curriculum in the four core subject areas available to all students on a daily basis. This adopted curriculum is reviewed on a regular basis to ensure it is aligned to the stated standards and the district AIMS. In addition to having adopted curriculum in the four core subject areas (ELA, Math, Social Science, and Science), CUSD also has adopted ELD curriculum that is aligned to the State's ELD standards.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

SBE-adopted and standards-aligned instructional materials are utilized in the classrooms. For more specific curriculum information please visit our school site link at the following site:
<https://www.cusd.com/sarc.aspx>

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Teachers regularly monitor students progress through assessments, observation and by analyzing work samples. This information is used by teachers to prepare an individualized plan for all students achieving below grade level expectations which then aides in the placement of intervention or acceleration--based on student needs.

Students in need of additional intervention resulting from academic, emotional or behavioral difficulties may be referred to SST where their needs are assessed, and they are linked with necessary intervention. Students struggling with attendance concerns may be referred to SARB, one-to-one counseling and student support groups based on specific needs with the school psychologist. When necessary, students may be referred to Fresno County Mental Health Services.

CUSD also offers a comprehensive summer school or extended year program designed to meet the specific needs of students K-12. A variety of extended year programs are offered for students at risk of retention, performing below proficiency and in need of credit for graduation.

Evidence-based educational practices to raise student achievement

Teachers and administration work together to continually provide first time best instruction and delivery. Training, collaboration, walk-throughs, and consistent feedback all provide research-based practices to raise student achievement. Professional learning communities (PLC's) review data, modify instruction, and provide intervention on a continuing basis so that students meet the standards.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Our site offers a variety of school and community resources to assist and support our families including:

- *Parent communication through weekly newsletters
- *Updated School Website
- *Social Media Posts
- *Referrals to outside resources as needed and based on needs

Additionally, we hold regular parent events and meetings to keep our families informed. These include:

- *IDAC
- *SART
- *ELAC
- *SSC
- *Back to School Night
- *Open House

Our site also offers social emotional supports in collaboration with our school psychologists and area transition teams in order to ensure students are available for learning. These supports include CSI groups, transition supports, All 4 Youth, CYS referrals, and small group interventions.

The district also provides parent opportunities through the district parent academies which are offered six times throughout the school year and cover a variety of topics that were requested by families from within the school district.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Members of the School Site Council (SSC) - composed of principal, certificated teachers, classified staff, and parents - work together to develop, review, and evaluate school improvement programs and school budgets. The SSC meets quarterly throughout the school year.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Categorical funds allow our site to provide supplemental services to enable under-performing students to meet grade-level standards. Our categorical funds are used for the following but is not limited to: bilingual instructional aides to support our ELD students, push-in teachers, supplemental instructional supplies, copies and equipment, technology equipment and supplies, and professional development for classroom teachers. Federal and state laws require the COE to monitor the implementation of categorical programs operated by local educational agencies (LEAs) or district. Districts are responsible for creating and maintaining programs that meet requirements.

Fiscal support (EPC)

In addition to categorical funds, our school receives funding through the Local Control Funding Formula (LCFF). The LCFF allows for sites to purchase additional items and provide additional supports for students with greater flexibility and allows us to address the priorities listed within our district Local Control Accountability Plan (LCAP). LCFF funds will be used to help achieve the goals of the LEA and district while maintaining transparency and accountability in relation to how funds will be spent to provide high-quality and equitable educational programs for all students.

Additionally, our site receives monies through the district general fund. These funds are utilized to provide basic needs for students (ex. curriculum) and to purchase other items that support our district goal of supporting students in mind, body, and spirit.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Both our SSC and our ELAC play a critical role in the creation and revisions of our SPSA. Throughout the year, we regularly revisit our SPSA at our SSC meetings by discussing the budget and goals, student achievement, available supports, etc. At our most recent SSC and ELAC meetings, our SPSA monitoring tool was reviewed with our committees to allow them to see where we were with last year's goals, where we see continued gaps, and where we have identified wins in achievements. The two committees then discussed next steps and needed changes as well as made recommendations to site administration for the new SPSA. The SPSA was approved by the SSC on May 18, 2023.

The following recommendations were made:

All of the 2021-2022 SPSA goals were met, which was a huge win for Woods Elementary. Therefore, the first recommendation was to increase our goals from last year to match our current reality. Those goals focus on student achievement on the iCAL, iCAM and CAASPP (SBAC) ELA and Math tests. Our goals are for three groups: all students, our largest subgroup (Hispanic/Latino students), and our SPED students. Our SPED students were added after reviewing their progress on the SBAC tests. Their scores indicate a need to address their progress and ensure academic needs are being met.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
American Indian	0.3%	0.29%	0.44%	2	2	3
African American	1.3%	0.87%	1.02%	9	6	7
Asian	9.4%	9.88%	11.82%	66	68	81
Filipino	3.0%	2.76%	2.34%	21	19	16
Hispanic/Latino	22.1%	25.00%	25.84%	155	172	177
Pacific Islander	%	%	0.29%		0	2
White	57.0%	52.91%	49.49%	400	364	339
Multiple/No Response	7.0%	8.28%	8.03%	49	57	55
Total Enrollment				702	688	685

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten	93	89	104
Grade 1	89	90	80
Grade 2	103	96	91
Grade3	90	107	97
Grade 4	108	91	105
Grade 5	107	110	90
Grade 6	112	105	118
Total Enrollment	702	688	685

Conclusions based on this data:

1. Enrollment has decreased over the last three years
2. Enrollment for sub-groups has increased
3. Enrollment of transfer students has increased

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	16	20	17	2.3%	2.9%	2.5%
Fluent English Proficient (FEP)	15	12	20	2.1%	1.7%	2.9%
Reclassified Fluent English Proficient (RFEP)	0			0.0%		

Conclusions based on this data:

1. Enrollment of English Learners has stayed about the same in the last 3 years.
2. Reclassified 7 students from 2020 - 2022
3. ELPAC Summative Scores have improved since 2020

School and Student Performance Data

CAASPP Results English Language Arts/Literacy (All Students)

Overall Participation for All Students

Conclusions based on this data:

1. 85% of EL students improved their Summative ELPAC score from their previous score.
2. Majority of EL students performing at Level 3 or 4 on the Summative ELPAC.
3. 4 students were reclassified at the beginning of the 2022-23 school year.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
688	23.3	2.9	0.3
Total Number of Students enrolled in Woods Elementary School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	20	2.9
Foster Youth	2	0.3
Socioeconomically Disadvantaged	160	23.3
Students with Disabilities	50	7.3

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	6	0.9
American Indian	2	0.3
Asian	68	9.9
Filipino	19	2.8
Hispanic	172	25.0
Two or More Races	57	8.3
Pacific Islander		
White	364	52.9

Conclusions based on this data:

1.

School and Student Performance Data

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

- Students are demonstrating very high performance in both ELA and Mathematics
- Suspension rates fell into the medium indicator
- Attendance fell into the high status indicator this year for the first time

School and Student Performance Data

Academic Performance English Language Arts

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

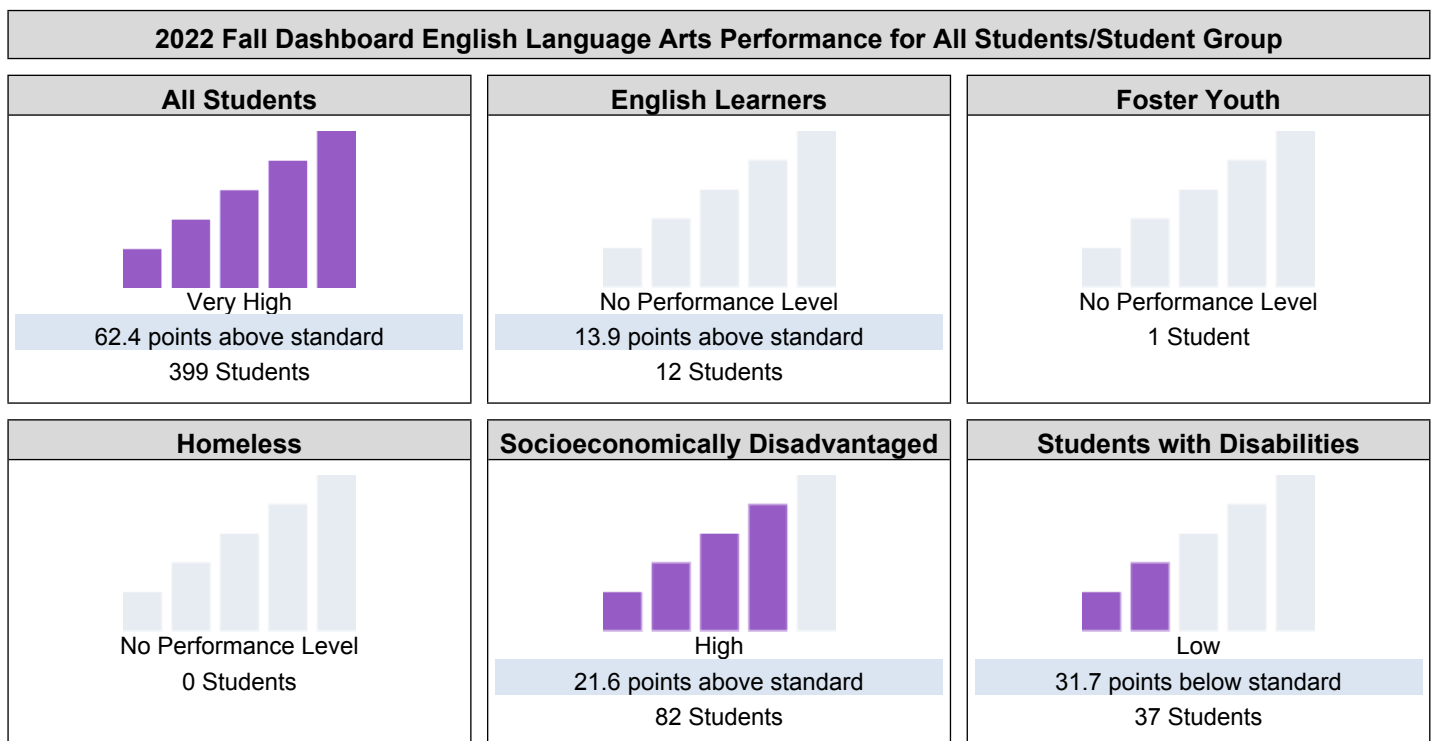

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard English Language Arts Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
7 Students	5 Students	63.7 points above standard 384 Students

Conclusions based on this data:

1. Our overall ELA scores fell into the very high status range
2. Our Asian, White and Two or More races subgroups all fell into the very high range
3. Our SWD fell into the lowest range scoring 31.7 points below standard

School and Student Performance Data

Academic Performance Mathematics

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance either on the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard Mathematics Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

2022 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
7 Students	5 Students	50.3 points above standard 384 Students

Conclusions based on this data:

1. Overall, our math scores fell into the very high range
2. Our Asian, White, and Two or more races subgroups also all were in the very high range for math
3. Our lowest performing subgroup on this indicator was our SWD subgroup

School and Student Performance Data

Academic Performance English Learner Progress

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides information on the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2022 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e., levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2022 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
0.0%	0.0%	0.0%	0.0%

Conclusions based on this data:

1. Due to having less than 30 EL kids we have no indicator for EL status this year

School and Student Performance Data

Academic Engagement Chronic Absenteeism

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2022 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

Conclusions based on this data:

1. Our overall chronic absentee rates fell into the high status indicator this year
2. Our SWD had the highest absentee rate this year
3. Our lowest absentee rate was in our White subgroup

School and Student Performance Data

Conditions & Climate Suspension Rate

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides number of student groups in each level.

2022 Fall Dashboard Suspension Rate Equity Report				
Very High	High	Medium	Low	Very Low
0	1	4	0	1

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2022 Fall Dashboard Suspension Rate for All Students/Student Group					
All Students		English Learners		Foster Youth	
<p>Medium</p> <p>1.1% suspended at least one day</p> <p>718 Students</p>		<p>No Performance Level</p> <p>0% suspended at least one day</p> <p>27 Students</p>		<p>No Performance Level</p> <p>Less than 11 Students</p> <p>2 Students</p>	
Homeless		Socioeconomically Disadvantaged		Students with Disabilities	
<p>No Performance Level</p> <p>Less than 11 Students</p> <p>3 Students</p>		<p>Medium</p> <p>1.7% suspended at least one day</p> <p>175 Students</p>		<p>High</p> <p>4.5% suspended at least one day</p> <p>66 Students</p>	

2022 Fall Dashboard Suspension Rate by Race/Ethnicity

Conclusions based on this data:

1. Our overall suspension rates fell into the medium status indicator range with a little over 1% of students being suspended for at least one day
2. Our highest suspension rates occurred in our SWD subgroup
3. Our lowest suspension rates were in our Asian subgroup who had 0 suspensions

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

ELA

LEA/LCAP Goal

Aim I: Maximize Achievement For ALL Students

The District will provide a high-quality educational system for ALL students focusing on mind, body, and spirit by using engaging instruction, rigorous curriculum, and systematic intervention to ensure college and career readiness

Goal 1

In the spring of 2023, 80% of Woods Elementary students in grades K - 2 and 3 - 6 will meet or exceed standards on the iCAL assessment and the English Language Arts (ELA) portion of the CAASPP, respectively. Woods Elementary School will also see an increase in the amount of students who meet or exceed standards in all significant subgroups in ELA for the 2022-2023 school year.

Woods Elementary SPSA Goal 1 addresses the Clovis Unified School District Local Accountability Plan (LCAP): Eight State Priorities: Credentials/Materials/Facilities, Student Engagement Student Outcomes, School Climate, Adopt Standards, Course of Study, Parent Involvement, Student Achievement.

Identified Need

The following student groups are identified as needing additional support in ELA as measured on the iCAL and CAASPP assessment:

- All students in K-6
- Hispanic students

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
2022 CAASPP Data	78% of all students tested met or exceeded standard on the CAASPP ELA test. These results exceeded our 2021-2022 goal of 75%.	Increase the standard to 80% for all 3rd - 6th grade students on the ELA CAASPP assessment to meet or exceed standard.
2022 CAASPP Data	65% of all Hispanic/Latino students tested met or exceeded standard on the CAASPP ELA test. These results fell below our 2021-2022 goal of 75%.	Increase the standard to 70% or higher for all 3rd - 6th grade Hispanic/Latino students on the ELA CAASPP assessment to meet or exceed standard.
2022 District Summative Assessment (EOY iCAL)	69% of all Kindergarten students tested met standard on the EOY iCAL test. These	Set a standard that 75% of Kindergarten students achieve

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	results were below our 2021-2022 goal of 75%.	mastery on the end of year iCAL assessment.
2022 District Summative Assessment (EOY iCAL)	92% of all 1st Grade students tested met standard on the EOY iCAL test. These results exceeded our 2021-2022 goal of 75%.	Set a standard that 92% of 1st Grade students achieve mastery on the end of year iCAL assessment.
2022 District Summative Assessment (EOY iCAL)	87% of all 2nd Grade students tested met standard on the EOY iCAL test. These results exceeded our 2021-2022 goal of 75%.	Increase the standard that 88% of 2nd Grade students achieve mastery on the end of year iCAL assessment.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

Strategy/Activity

Intervention Program

Students will be supported through small group instruction through the school-wide RTI model. Using LCAP resources, students with instructional needs will receive assistance through an ELA intervention program. Students will be identified for this program using data from fluency diagnostic assessments, standardized testing data from the previous year, and teacher recommendations. Those identified students will receive additional instruction through the intervention program. ELA intervention will not interfere with their regular classroom instruction. Intervention teachers, specialist(s) and/or instructional aides will focus on decoding skills, reading fluency, general comprehension, and grade-specific skills. These students will continue to be assessed and monitored using diagnostic tests and district assessments to determine which students need to be entered or exited from the intervention program.

Tasks

- Support and schedule regular PLC meetings
- Provide professional growth opportunities for teachers
- Identify students with instructional needs and specific special learning needs
- Use LCAP resources to fund credentialed teacher(s) to deliver instruction to those students identified as possessing instructional needs
- Supply intervention materials and copying resources - Purchase instructional materials for intervention program
- Purchase technology as needed
- Fund instructional aide for EL students
- Fund Two Intervention Specialists for ELA support

- Fund multiple instructional aides to assist credentialed teacher with the intervention using LCAP resources to assist with delivering instruction to those students needing extra assistance in ELA
- Provide teacher release days for planning and collaboration
- Use LCAP resources to provide teachers opportunities to attend conferences to learn strategies for increasing engagement and communication in the classroom

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
16867	LCAP Supplemental
1593.73	LCAP Intervention
1921.09	Title III English Learner

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Professional development will increase teachers' capacity to deepen understanding of various components such as Visible Learning, iReady Pathways, Curriculum Units of Instruction, Intervention, etc.

Small group instruction through the use of instructional assistants will support implementation of differentiated instruction for all students.

Providing instructional assistants professional development will increase classified staff's capacity to use effective reading strategies in their small group instruction.

Providing an Intervention Specialist to provide small group instruction of Tier II Intervention support to students struggling with Reading and Language Arts.

Extended learning opportunity for English learners & RFEP students will provide additional supports to students who are not yet proficient in English.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No discrepancy in budgeted expenditures to implement strategies.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

All activities will be implemented to meet the articulated goal.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Math

LEA/LCAP Goal

Aim I: Maximize Achievement For ALL Students

The District will provide a high-quality educational system for ALL students focusing on mind, body, and spirit by using engaging instruction, rigorous curriculum, and systematic intervention to ensure college and career readiness

Goal 2

77% of Woods Elementary students in grades K - 2 and 3 - 6 will meet or exceed standards on the iCAM assessment and the Math portion of the CAASPP, respectively. Woods Elementary School will also see an increase in the amount of students who meet or exceed standards in all significant subgroups in mathematics.

Woods Elementary SPSA academic goals for Math addresses the Clovis Unified School District Local Accountability Plan (LCAP): Eight State Priorities: Credentials/Materials/Facilities, Student Engagement Student Outcomes, School Climate, Adopt Standards, Course of Study, Parent Involvement, Student Achievement.

Identified Need

The following student groups are identified as needing additional support in mathematics as measured on the iCAM and CAASPP assessments:

- All students in K-6
- Hispanic students

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
2022 CAASPP Data	75% of all students tested met or exceeded standard on the Math CAASPP test. These results exceeded our 2021-2022 goal of 70%.	Increase the standard to 77% for all 3rd - 6th grade students on the Math CAASPP assessment to meet or exceed standard.
2022 CAASPP Data	65% of all Hispanic/Latino students tested met or exceeded standard on the Math CAASPP test. These results fell below our 2021-2022 goal of 70%.	Increase the standard to 70% for all 3rd - 6th grade Hispanic/Latino students on the ELA CAASPP assessment to meet or exceed standard.
2021 District Summative Assessment (EOY iCAM)	85% of all 1st Grade students tested met standard on the EOY iCAM test. These results	Increase the standard that 86% of 1st Grade students achieve

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	exceeded our 2021-2022 goal of 70%.	mastery on the end of year iCAM assessment.
2021 District Summative Assessment (EOY iCAM)	87% of all 2nd Grade students tested met standard on the EOY iCAM test. These results exceeded our 2021-2022 goal of 70%.	Increase the standard that 88% of 2nd Grade students achieve mastery on the end of year iCAM assessment.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

Strategy/Activity

Students will be supported through small group instruction through the school-wide RTI model. In addition, teachers will be receiving training in how to incorporate problem solving strategies into the classroom, as well as, receive focused instruction on the new Ready Math Curriculum being implemented within each grade level. These strategies will help students meet or exceed standards in claims 2, 3, and 4 as outlined by the Smarter Balanced Assessment Consortium (SBAC), the group who publishes the CAASPP. These claims include problem solving, modeling, data analysis, and communication of reasoning. These areas are newly assessed by SBAC in the CAASPP. Teachers will continue to provide an increased number of opportunities to take part in these learning tasks.

Tasks

- Support and schedule regular PLC meetings
- Support teachers by providing training in problem solving strategies and Ready Math to use in the classroom
- Provide professional growth opportunities for teachers
- Identify students with instructional needs and specific special learning needs
- Use LCAP resources to fund credentialed teacher(s) to deliver instruction to those students identified as possessing instructional needs
- Supply intervention materials and copying resources - Purchase instructional materials for intervention program
- Purchase technology as needed
- Fund IA for EL students
- Fund Intervention Specialists for Math support
- Provide teacher release days for planning and intervention

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

7682.00

Source(s)

LCAP Intervention

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Professional development will increase teachers' capacity to deepen understanding of various components such as Visible Learning, Ready Math, problem solving strategies, Intervention, etc.

Professional development on i-Ready provided all teachers an understanding of a new diagnostic tool to systematically monitor students' progress in reading and use individual instructional pathway recommendations to support differentiated instruction.

Providing instructional assistants professional development will increase classified staff's capacity to use effective strategies in their small group instruction that align with strategies being taught and reviewed regularly by the classroom teacher.

Providing Intervention Specialist to provide small group instruction provides Tier II Intervention support to students struggling with Math.

Extended learning opportunity for English learners & RFEP students will provide additional supports to students who are not yet proficient in English.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No discrepancy in budgeted expenditures to implement strategies.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

All activities will be implemented to meet the articulated goal.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

SPED

LEA/LCAP Goal

AIM 1: Maximize Student Achievement

Goal 3

In the spring of 2023, 25% of Woods Elementary Special Education (SPED) students in grades 3 - 6 will meet proficiency on the ELA and Mathematics portions of the CAASPP. Woods Elementary SPSA academic goals for SPED students addresses the Clovis Unified School District Local Accountability Plan (LCAP): Eight State Priorities: Credentials/Materials/Facilities, Student Engagement Student Outcomes, School Climate, Adopt Standards, Course of Study, Parent Involvement, Student Achievement.

Identified Need

The following student groups are identified as needing additional support in ELA and Mathematics as measured on the CAASPP ELA & Mathematics assessments:

- SPED students grades 3 - 6

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
CAASPP	18% of SPED students tested reached proficiency on the ELA CAASPP test.	Increase the standard to 25% for 3rd - 6th grade SPED students on the ELA CAASPP assessment to reach proficiency.
CAASPP	21% of SPED students tested reached proficiency on the Math CAASPP test.	Increase the standard to 25% for 3rd - 6th grade SPED students on the Math CAASPP assessment to reach proficiency.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

SPED Students

Strategy/Activity

SPED students will be supported through small group instruction through the school-wide RTI model, and individualized instruction based on the goals listed in their IEP. In addition, teachers will be receiving training in how to use data to drive instructional strategies, using data from struggling learners to provide appropriate interventions, and receive continued focused instruction on the i-Ready curriculum being implemented within each grade level. These strategies will help students meet or exceed standards in claims 2, 3, and 4 as outlined by the Smarter Balanced Assessment Consortium (SBAC), the group who publishes the CAASPP. These claims include problem solving, modeling, data analysis, and communication of reasoning. These areas are newly assessed by SBAC in the CAASPP. Teachers will continue to provide an increased number of opportunities to take part in these learning tasks.

Tasks:

- Ensure that student's IEP goals match the essential standards being taught in that student's grade level
- Ensure that the student's IEP goals match the accommodations received on the SBAC tests
- Support and schedule regular PLC meetings that include SPED teachers and/or Program Specialists
- Provide professional growth opportunities for teachers in the area of differentiation and intervention
- Continue to identify students with instructional needs and specific special learning needs through the Site Intervention Team and SST process
- Use LCAP resources to fund a credentialed teacher to deliver instruction to those students identified as possessing instructional needs
- Supply intervention materials and copying resources - Purchase instructional materials for intervention program
- Purchase technology as needed
- Provide teacher release days for planning and intervention

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

2318.00

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

This is a new goal, so this is baseline information that we will continue to look at throughout the year

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$1,921.09
Total Federal Funds Provided to the School from the LEA for CSI	\$0
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$30,381.82

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Federal Programs	Allocation (\$)
------------------	-----------------

Subtotal of additional federal funds included for this school: \$

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

State or Local Programs	Allocation (\$)
LCAP Intervention	\$11,593.73
LCAP Supplemental	\$16,867.00
Title III English Learner	\$1,921.09

Subtotal of state or local funds included for this school: \$30,381.82

Total of federal, state, and/or local funds for this school: \$30,381.82

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

Funding Source	Amount	Balance
LCAP Supplemental	\$16,867.00	0.00
LCAP Intervention	\$11,593.73	0.00
Title III English Learner	\$1,921.09	0.00

Expenditures by Funding Source

Funding Source	Amount
LCAP Intervention	11,593.73
LCAP Supplemental	16,867.00
Title III English Learner	1,921.09

Expenditures by Budget Reference

Budget Reference	Amount
	16,867.00

Expenditures by Budget Reference and Funding Source

Budget Reference	Funding Source	Amount
	LCAP Intervention	11,593.73
	LCAP Supplemental	16,867.00
	Title III English Learner	1,921.09

Expenditures by Goal

Goal Number	Total Expenditures
Goal 1	20,381.82
Goal 2	7,682.00

Goal 3

2,318.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 2 Classroom Teachers
- 2 Other School Staff
- 5 Parent or Community Members

Name of Members	Role
Leticia Floyd	Classroom Teacher
Jennifer Williams	Classroom Teacher
Adriane Muller	Other School Staff
Alissa Forester	Parent or Community Member
Megan Garcia	Parent or Community Member
Holly Clinard	Parent or Community Member
Nichole Mosqueda	Parent or Community Member
Wen Li	Parent or Community Member
Greg Raymer	Other School Staff
Cece Dansby	Principal

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

Other: Greg Raymer

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 5/18/2023.

Attested:

Principal, Cecelia Dansby on 5/18/2023

SSC Chairperson, Megan Garcia on 5/18/2023
