## School Accountability Report Card

### Reported Using Data from the 2019-2020 School Year

#### Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## School Description and Mission Statement (School Year 2020-2021)

---

### Principal's Message

Welcome to Janet L. Young Elementary School! We are the 34th elementary school within Clovis Unified and we were just established in August of 2020. As the principal, I am honored to be a part of such an amazing staff and community, especially as we start to build our school culture together. With us being a brand-new school, I felt it was important to share our foundation with our regards to our school motto, school colors, mascot, and ultimately our vision. We often refer to Young Elementary School as Y.E.S., as it helps us elude a positive, forward thinking notion towards the "Young Jets Soaring into the Future."

Our "Y.E.S." Motto: "Soaring into the Future."

Our "Y.E.S." Colors: Crimson, Sky Blue, White, and Silver. Crimson, shade of maroon, is a color representing power, love, and is associated with nobility. Sky Blue is the color of the sky and it is associated with depth, stability, trust, loyalty, wisdom, and confidence. It also is a color which produces a calming effect. White is associated with peace, humility, and reverence. Silver is the color of illumination and reflection. It reflects positive energy and emulates forward movement.

Our "Y.E.S." Mascot: Jets

Jets are an aircraft which uses a jet engine to propel forward in a fast motion. When thinking about a jet in its entire process of being formulated, built, maintained, fueled, staffed, passengers, etc. there is a direct correlation with Clovis Unified. The jets represent the end goal of our core value of, "it's people not programs that make the positive difference." It takes teams of people with different skills to maintain and operate a jet, much like Clovis Unified using teams of people to ensure student success. Our "Y.E.S." goal, is to develop individuals who are ready to take flight into the future and soar their way to excellence!

The school colors also correlate with the mascot. Silver representing the actual jet. The sky blue and white representing the sky which the jet will soar into. Last, crimson, representing the heart of all stakeholders involved in Janet L. Young Elementary School.

In conjunction with the correlation of a jet and Clovis Unified, there are some direct ties with the community at large. The school is being built near the flight path, so the experience of being able to see your mascot fly above you throughout your elementary career is one that is second to none. In addition, the Air National Guard is a local community partner with Clovis Unified and some of their shared values around community, learning to lead, and facing adversity are characteristics which will be instilled into Young Crimson Jets.

Our "Y.E.S." Vision:

Janet L. Young Crimson Jets will always strive to be the best they can be in mind, body, and spirit. They will follow the beliefs and values of the Clovis Unified School District, written through the guidance of Doc's Charge, striving to be another First-Class Elementary School in Clovis Unified School District.

### Mind

The Young Crimson Jets will soar into the future and will be forward-leaning in the areas of critical thinking, communication, collaboration, and creativity, using their minds to become the leaders of tomorrow. We will follow the long-standing CUSD philosophy, A Fair Break for Every Kid.

### Body

The Young Crimson Jets will soar forward in competition where they will learn to compete against themselves, in specialty areas, and in groups. They will do so, and they will learn to win with class and lose with dignity.

### Spirit

The Young Crimson Jets will do what is right, even when they are flying solo. Through developing teamwork and trust, our students will believe in themselves and others to develop the best version of themselves.

Using the foundations above, Young Elementary School (Y.E.S.) will make the following commitments...

- YES, the students will come first
- YES, character building and inclusion will be a priority
- YES, technology and 21st century thinking will be the core of learning
- YES, all stakeholders will be dedicated to supporting each other
- YES, our students will learn to lead and solve real-world problems as part of a team
- YES, we will be driven forward by common values
- YES, we will maximize achievement for ALL students
- YES, our staff will operate with increasing efficiency and effectiveness
- YES, we will hire, develop, sustain, and value a high-quality workforce who will surround our Young Jets

The 20-21 school year will be one to remember for Janet L. Young Elementary. In the end, our goal is have all stakeholders work together to build a new school culture which ALL can be proud of. #itsajetsting

Sincerely,

Kacey Gibson

Principal, Janet L. Young Elementary School

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential			24	1753
Without Full Credential			0	69
Teaching Outside Subject Area of Competence (with full credential)			0	111

## Teacher Misassignments and Vacant Teacher Positions

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners			0
Total Teacher Misassignments*			0
Vacant Teacher Positions			0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected:

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts			

Note: Cells with N/A values do not require data.

## School Facility Conditions and Planned Improvements

In order to maintain our facilities in top condition, CUSD has utilized the services from a third party to perform the 2020-2021 Williams inspection utilizing the Facilities Inspection Tool (FIT). This will allow CUSD to obtain an objective evaluation of our facilities in order to continue to maintain the safest and best facilities for students and staff.

For all items inspected that were found to not be in "good repair," a work-order has been created and maintenance will be done before the end of the 2020-2021 school year. Maintenance items will be prioritized so that student safety is not compromised.

### School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

**Year and month of the most recent FIT report:** 9/29/2020

<b>System Inspected</b>	<b>Rating</b>	<b>Repair Needed and Action Taken or Planned</b>
<b>Systems: Gas Leaks, Mechanical/HVAC, Sewer</b>		
<b>Interior: Interior Surfaces</b>		
<b>Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation</b>		
<b>Electrical: Electrical</b>		
<b>Restrooms/Fountains: Restrooms, Sinks/ Fountains</b>		
<b>Safety: Fire Safety, Hazardous Materials</b>		
<b>Structural: Structural Damage, Roofs</b>		
<b>External: Playground/School Grounds, Windows/ Doors/Gates/Fences</b>		
<b>Overall Rating</b>		

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)		N/A		N/A		N/A
Mathematics (grades 3-8 and 11)		N/A		N/A		N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-2021)

Janet L. Young Elementary enjoys the benefits of a supportive community and provides a variety of options for parents who want to be involved. With the partnership of community members and parents, Young Elementary School (Y.E.S.) will be able to improve the efficiency and effectiveness of our school’s operations. Listed below are the examples of opportunities for involvement at our school:

- School Assessment Review Team (SART)
- Parent Teacher Club (PTC)
- English Learner Advisory Committee (ELAC)
- Intercultural and Diversity Advisory Council (IDAC)
- School Site Council (SSC)
- MAC and Kids (Multicultural Advisory Club)
- Classroom and site volunteers

In addition, to the many committees listed above, we encourage our parents and community members to join us at all of our family events that occur throughout the year. These events include: Back to School Night, Academic Showcase, School carnival, Lunch on the Lawn, field trips, classroom and campus volunteer activities, and more.

For further information on how to become involved in the Janet L. Young Parent Teacher Club, please the contact PTC president, Jaime Zarcone, at (559) 327-0900 or at yes.cusd.ptc@gmail.com.

**State Priority: Pupil Engagement**

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

**Dropout Rate and Graduation Rate (Four-Year Cohort Rate)**

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Expulsions						

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions		2.6	
Expulsions		0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## School Safety Plan (School Year 2020-2021)

Safety is our No. 1 priority at Janet L. Young Elementary School. The school safety plan and a School Crisis Intervention Plan on file, and both are available for parents and the general public. The school safety plans are reviewed and updated annually with input from staff, parents, law enforcement offices, the fire department, and community members. Along with the input received, we also adhere to district policies and the California Education Code. As Young Elementary moves towards their first year of operation, we have identified some goals with regards to safety. In order to help us reach those goals, we will hold monthly drills and enforce daily, consistent supervision. We will use our SART, IDAC, SSC, PTC and ELAC as forums to discuss and improve student responsibility and community support in keeping our campus safe and clean as the year goes on. Our antibullying program, Character Counts, and Positivity Project provide a sound sense of responsibility to students for their own actions. This, along with parent and community support, has a positive effect on campus safety. The school safety plan was last reviewed and discussed with the school faculty in August 2020 and will be updated and reviewed again in January 2021.

### Types of Services Funded (Fiscal Year 2019-2020)

“Children Are Our Most Precious Resource”

On an annual basis, Clovis Unified School District (CUSD) submits our funding Application through the Consolidated Application and Reporting System commonly called the ConApp. The application is submitted in two (2) parts: Part I, which contains program and demographic information, submitted by June 30th each year; and Part II, which contains budget information and program data submitted by January 31 each year. The categorical programs included in the application are Title I, Part A - Improving Academic Achievement. Title II, Part A - Supporting Effective Instruction and Title III - English Learner (EL), and Immigrant Programs and Title IV, Part A - Student Support and Academic Enrichment. Essentially, these funds are designed to assist students in mastering state standards.

Clovis Unified Schools are committed to establishing a true partnership with all facets of the Clovis Learning Community. CUSD values feedback and input. Parents continue to make positive differences in the lives of the children we all support. We know from research that participation in your child’s education will not only bring success to your child but other children in the school. Our parents truly make a difference in the lives of Clovis kids!

CUSD is pleased and proud to offer a variety of parent involvement opportunities that improve our overall program. Depending on the type of categorical funding a site may receive, district or school parent councils and committees are required under certain requirements and guidelines. Such advisory committees in the CUSD include:

School Site Council (SSC)

English Learner Advisory Committee (ELAC)

District Advisory Committee (DAC) and School Advisory Committee (SAC)

District English Learner Advisory Committee (DELAC)

District Indian Education Parent Advisory Committee (IPAC)  
School and District level School Assessment Review Team (SART)  
Intercultural and Diversity Advisory Council (IDAC)  
Local Control Accountability Plan Public Forums (LCAP)

We encourage all parents and guardians to become involved with their child's education at the classroom level, the school-wide level, as well as the district level. Each school's School Plan for Student Achievement (SPSA) describes the school's basic educational program and the categorical supplementary programs/services that are designed to support student achievement. Parental involvement is a necessary and vital part of developing the SPSA as well as our overall program. At the district level, parent committees provide input into each of the site's SPSA. If you would like additional information on any of the District Parent Councils or Committees, please call your child's school. The Principal, Learning Director, or Guidance Instructional Specialist (GIS) would be happy to assist you.

Listed below are several parent committees that assist with categorical programs and funding.

**School Site Council (SSC):** All schools that operate a categorical program funded through the consolidated application (ConApp) shall establish a school site council (SSC). The SSC shall develop the content of the SPSA. The SPSA shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the ConApp and the local control and accountability plan (LCAP), if any, by the SSC. The SSC is composed of parents, students at the secondary level and school personnel. It is responsible for developing, implementing and evaluating the School Plan for Student Achievement programs. Members serve for two years and are elected by their peers.

**District Advisory Committee (DAC) & School Advisory Committee (SAC):** The entirety of the SSC acts as the SAC. The SAC serves as an advisory committee for the purpose of advising schools regarding supplemental education programs and acting as a liaison for their school community. They serve to share information and comments both at the district and site level. These education programs are supplemental education opportunities that provide services to students who are disadvantaged, English learners, foster youth and/or at-risk. The SSC has approved to designate our SSC pursuant to California Education Code (EC) Section 52852 to function as the School Advisory Committee.

**English Learner Advisory Committee (ELAC):** All schools enrolling 21 or more English learners are required to form an ELAC. The ELAC is composed of parents and school personnel. The ELAC advises the principal, staff and SSC regarding services for English learners and assists in the development of the annual survey. Members serve for two years. Each ELAC shall have the opportunity to elect at least one member to the District English Learner Advisory Committee (DELAC).

**District English Learner Advisory Committee (DELAC):** Whenever there are 51 or more EL students in the district, there shall be a functioning District English Learner Advisory Committee (DELAC). It is important that each school site ELAC elect a DELAC representative and arrange to have that representative attend every DELAC meeting. Currently the DELAC bylaws require each DELAC representative to be 1) a parent/guardian of an EL or former EL (i.e., a reclassified fluent English proficient student) currently enrolled at the site he/she represents, and 2) elected to serve as the DELAC representative by the site's ELAC.

**District Indian Education Parent Advisory Committee (IPAC):** The CUSD Native American Indian Education Parent Advisory Committee meets four times a year to discuss program issues, services provided, and other needs related to the student achievement of our students, community agencies and outreach programs. CUSD Indian Education Program addresses the needs of American Indian and Alaskan Native students in grades K - 12. The program assists eligible students to achieve at the same challenging state performance standards expected of all students in grades pre-K -12.

Local Control Accountability Plan (LCAP) Forums: CUSD develops an LCAP annually that works to better align the academic plan with the district expenditure plan that is approved by our CUSD Governing Board each June. Parents and other stakeholder groups are invited to participate in the development of the LCAP through participation of school and district committee meetings and community forums. LCAP School, District Meetings and Community Forums are exciting opportunities for all stakeholders and school committees to engage with the District and share their ideas on how CUSD can provide quality opportunities and support for CUSD youth and schools. Community participation and feedback in the forums will inform the District's LCAP's funding priorities over the next several years.

These forums are designed to provide an opportunity for school communities to hear about CUSD's current efforts to support youth and families and to provide input and feedback on future plans and opportunities. Sites also have an opportunity to work together in teams to share new ideas to support identified groups and to plan for site engagement and implementation.

The following is an overview of the categorical funding and programs in CUSD. These funds are further discussed and outlined in each school's SPSA and at the committee meetings.

#### Rationale

General District funds provide support for the District's base/core curriculum program. Some children have special characteristics, not reflective of the general school population, that affect their success in the base/core programs. Some come from economically disadvantaged homes; some are educationally disadvantaged or lack English language proficiency because they have a primary language other than English. Children, such as those described above, require supplemental services and materials not generally provided through the base/core curriculum program. The needs of our children are identified, and supplemental services and materials are planned and targeted to meet their special needs. Categorical funds are to be used to provide the financial support to meet these special needs.

#### Philosophy

All CUSD schools offer students with special needs the same kinds of high-quality learning opportunities and access to the core curriculum in all curricular areas. Categorical funds are designed to support additional assistance to help students succeed in the regular classroom program (base/core curriculum) and address any learning gaps. The focus is on the effective utilization of supplementary materials, personnel, and staff development. Staff development activities are used to improve instructional practices and strategies to increase the ability of teachers and other staff to challenge and assist all students to reach their fullest potential.

#### Categorical Program Descriptions

1. After School Safety and Education Funds (ASES): This state-administered funded program is a result of the voter approved Proposition 49; provides three-year grant funding for afterschool programs that align with the core instructional day and have the following components: educational and literacy element (tutoring/ homework assistance); educational enrichment element (Additional program/activities that reinforce what is learned in the core instructional day); and provide a nutritious snack or meal that conforms to California State Education Code requirements. The purpose of the ASES Program is to create additional educational and recreational opportunities for students within the learning community while providing a safe environment for students. The goals of this program are to: 1) improve academic achievement, and 2) provide enrichment opportunities that reinforce and complement the academic program.
2. Title I, Part A (Improving Academic Achievement): A federal-funded program to provide high-quality opportunities for students in high-poverty schools to meet district and state content and performance standards.
3. Title I, Part A, Title X, Part C, Education for Homeless Children and Youths: Title I, Part A funds provide comparable services to homeless children that assist them to effectively take advantage of educational opportunities as provided to children in schools funded under Title I, Part A. These comparable services shall be provided to homeless children in public and private schools, shelters and other locations where children may live, institutions for neglected children and, where appropriate, local institutions such as local community day school programs.
4. Title II, Part A (Preparing, Training and Recruiting High Quality Teachers and Principals): A federal-funded program focused on teacher and principal training and recruitment programs.

5. Title III (Language Instruction for English Learners (ELs) and Immigrants): A federal-funded program focused on assisting school districts in teaching English to limited English proficient students (English learners) and immigrants and helping these students meet the same challenging State standards required of all other students.
6. Title VI (Indian Education Formula Grant): A federal-funded program focused on helping Native American/Alaskan Native students meet the same challenging state standards required of all other students.

The goal of the CUSD staff is to create and maintain the best educational environment possible. This can be accomplished with your support and input. If you have any questions, concerns, or would like to become more involved in the educational process at your school, please contact your school principal. Your school can assist you in learning more about categorical programs. You may want to become involved in your school’s School Site Council (SSC), English Learner Advisory Committee (ELAC) and/or attend the Annual Title I Parent Meeting. During the fall, each school will send you additional information about these activities. At the district level, we encourage you to become involved with our DELAC. We encourage and look forward to your involvement in the programs we offer our learning community. If you have any questions, please call your child’s school.
