

Clovis Unified miCare Health Center Staff

Todd Ragar | M.D., miCare Medical Director

As medical director of miCare, Dr. Todd Ragar has over 17 years of practice as a family medicine physician, practicing in Billings from 2000 to 2011, after which he spent two years overseas. A native of Glendive, Montana, he is a graduate of the University of Montana and the University of Washington School of Medicine. "Working as a primary care physician not only is my field of medical expertise, but it is where miCare makes the greatest impact on the health and wellbeing of our patients," said Dr. Ragar. He cites primary-care services as the area where miCare excels, in addition to "a tradition of cost-effective and personalized medical services."

James Minton | M.D.

Dr. James L Minton, MD, is a Family Practice specialist in Fresno, California, having over 42 years of diverse experience, especially in Family Practice. He attended and studied at Stanford University for his BA in Human Biology and graduated from University of Colorado School Of Medicine in 1976. He is affiliated with many hospitals and health care institutions including Clovis Community Medical Center, Baz Allergy Asthma and Sinus Center Inc., Community Regional Medical Center, Saint Agnes Medical Center and the Fresno County Department of Public Health Department.

Melanie Willis | DO

Dr. Melanie Willis went to University of California San Diego, majoring in Math and Psychology. Upon graduating, she attended Kirksville College of Osteopathic Medicine and worked in their rural clinic program while interning in Phoenix Arizona. She has been in practice since 1985 and specializes in both general practice and sports medicine, and she has an interest in the whole body and how it integrates systems within itself. She also has an interest in natural remedies of all kinds and believes that given the right environment, the human body is an amazing machine which can often heal itself.

Silvia Acosta | PA (Physician Assistant)

Silvia Acosta is from Livingston where she attended CSU Stanislaus for her undergraduate degree in behavioral psychology. She then attended UC Davis and received her Physician Assistant Certification in 2011, continued her education attaining her Master in Physician Assistant Studies from A.T. Still in 2013.

In 2012 Silvia joined the Air Force Reserves and continues to serve our community at the 144th Fighter Wing. There she is responsible for maintaining the physical and mental health of Airmen and is a member of the Homeland Response Force (HRF).

trained in a variety of environments to provide full spectrum of patient care from routine prevention to mass casualty situations.

Silvia also, worked with a vascular physician and an internal medicine physician for over five years. There she managed all aspects of pre-, intra- and post-operative care, as well as provided care for adults with a wide range of medical needs.

Silvia enjoys spending time outdoors with her husband, stepdaughter and their three dogs. She is very excited to be providing care to the fantastic Clovis Unified School District team.
