Such records will be expunged upon graduation, or by petition.

For purposes of the Zero Tolerance policy, definitions of terms used will be as defined in the Education Code, Penal Code, Health and Safety Code, and Regulations of the State Fire Marshal where applicable. An object used in a threatening manner shall be considered a weapon even if its normal use is not as a weapon.

Trespassing on school grounds by students not enrolled in that school, and who have not received clearance by the school principal, shall be recorded as a suspendable violation and a third violation shall be a violation of this policy.

In every case where a pupil violates a provision of the Education Code, Penal Code or the Health and Safety Code or commits another offense referenced by this policy, the student will be taken into custody and cited or taken to juvenile detention facility or the county jail.

I acknowledge that I have read and understand the Clovis Unified School District Zero Tolerance policy (Board Policy and Administrative Regulation No. 2110) provided to me in the Parent and Student Rights and Responsibility Handbook and I realize the consequences of my actions if I violate this policy.
