

**2017 CIF State Track Meet
Veterans Memorial Stadium @ Buchanan High School 1560 N.
Minnewawa • Clovis, California 93611 June 2 and June 3**

Practice

We know what it's like to sit in a van for hours riding to the biggest meet of the year. Clovis North High School would like to offer the use of our athletic facilities to athletes and coaches who are travelling to the State Meet. On Thursday June 1st, we will open up our nine lane all-weather track, and all of the field event areas for anyone that is interested in using them. We also have plenty of grass that can be used to workout on.

The field event areas will be open from 3:00 to 6:00 p.m., and the track and grass areas will be open until 9:00.
